Subject: OCR - AZELLA Directive
Importance: High

Dear District Superintendents, Charter Holders, Charter Principals, District Principals, and English Language Learner Coordinators,

Attached please find a directive as prescribed by the Resolution Agreement entered into between the Arizona Department of Education, and the U.S. Department of Education's Office for Civil Rights and the U.S. Department of Justice's Civil Rights Division.

As you will note in the directive, you will be receiving information before the end of next week regarding how to obtain the list of qualifying students that are currently in attendance at your LEA. You will also be receiving an Excel spreadsheet that will allow you to track and report information regarding these students. The Department will also be providing training regarding this directive and the requirements for each LEA.
