## ■ City of Tucson – Office of the Mayor

- The Mayor's office, in concert with the United Way, also partnered with TUSD during the month of September to focus on student attendance.
- Nationally, September was Attendance Awareness Month; therefore, a local attendance recognition initiative was conceptualized and implemented which resulted in first, second and third place winners at each school level (i.e., elementary, K-8, middle and high school).
- Steps to Success 2.0 January 2015.

## ■ Boys and Girls Clubs of Tucson

- Provide academic assistance to students who attend the Boys and Girls Clubs after school.
- Currently working on a program that will provide transportation from school to clubhouses for 100 students.

## ■ Higher Ground

- TUSD is working with Higher Ground to assist with services in the areas of counseling, credit recovery, college prep and mentoring.
- They serve approximately 130 students in the program, 95-98% of whom are TUSD students.

## ■ United Way

- The United Way of Tucson and Southern Arizona have also partnered to establish a re-engagement center, which will be housed at the Wakefield Family Engagement Center.
- Collaborative effort will provide another avenue for former students to take advantage of returning to a school setting and preparing themselves for the world of work and/or college.
