PURPOSE:

Supplemental material for finance math classes studying the mathematics of employment, checking/savings accounts, interest, budgeting, bill paying, credit cards, etc.

DESCRIPTION AND JUSTIFICATION:

Budget Challenge is a very detailed, real-time simulation of financial life. Students will receive a paycheck, maintain a checking account, use a credit card and pay bills during the 10 week simulation with all the details and complications that exist in real life. It is an invaluable experience to be able to see how the concepts and skills studied in the Math Finance course are applied
