RE: Roskruge Chiller Replacement – IFB 18-46-C18

Dear Kevin Oster,

Advanced Mechanical Services (AMS) has met the requirements of the Invitation for Bid (IFB) process.

The bid submittal was reviewed by Kelly Wright & Associates as well as references were checked. There were no disqualifying issues.

I recommend that Tucson Unified School District accept the bid and move forward with the project.

Thank you,

*Bill Hartigan*
