PURPOSE:

The purpose of the presentation is to provide the TUSD Governing Board with information pertaining to the uses and efficacy of Edgenuity's course offerings, curriculum and applications. Additionally, information will be provided speaking to the rate of successful completion, courses most often taken by students and the frequency of enrollment by students.

DESCRIPTION AND JUSTIFICATION:

Edgenuity, as it currently is being used, provides students in TUSD's middle schools, K-8 schools and high schools, including alternative schools, with concept recovery, credit advancement and credit recovery opportunities.

Furthermore, through Edgenuity's multitude of supplemental resources, students are exposed to virtual test prep materials for high-stakes assessments, such as AzMERIT, Accuplacer, ACT, PSAT and SAT.

Given the aforementioned, TUSD's students benefit from the continued use of Edgenuity's curriculum and support materials.

Mr. Richard Gastellum and Mr. Matt Munger will be available to answer questions.
