PURPOSE:

To inform the public where information is available for each school closure / consolidation option and how they may continue to be involved in the future.

DESCRIPTION AND JUSTIFICATION:

Two Public Hearings will be held, December 8 and 10, in regard to the School Master Plan, Closures and Consolidations initiated by the Governing Board during the Special Board Meetings on November 20, and 27, 2012. Information for each option can be found on the TUSD website and will be available at each Public Hearing.

The Board will evaluate all information provided and hold a Special Board Meeting on December 20, 2012 to make decisions about school closures and consolidations.

For any school that the Board decides to close, meetings will be held in January with the Principal, Site Councils, and affected community to discuss boundaries and plan a smooth transition into the receiving schools.

Bryant Nodine will be available to answer questions.

The School Master Plan will directly affect achievement, enrollment, transportation and customer service. Thus, Superintendent's Goals 1, 2, 4, 6 and 7 are affected. This project will be coordinated to support these goals and the desegregation plan.
