

MEETING OF: December 8, 2015

TITLE: Governing Board Policy KHC - Distribution of Promotional Materials (revision) - requested by Governig Board Member Mark Stegeman

ITEM #: 10

Information:

Study: X

Action:

PURPOSE:

To amend Policy KHC to require that Tucson Unified School District websites be used to promote only activities officially sponsored by the district or its schools.

DESCRIPTION AND JUSTIFICATION:

The Board received a question about the promotion of religious videos on a TUSD school website. It makes sense to prohibit such situations, because website space is valuable and it is hard to prevent the impression that appearing there implies some kind of endorsement by TUSD.

This concern reasonably extends beyond religious videos to all activities that are not TUSD affiliated. The district and school websites should not become community bulletin boards.

Proposed language to be added:

"Only activities and organizations that are officially sponsored by TUSD can have their promotional material posted on district websites, including school websites. This prohibition does not apply to news items produced by TUSD, concerning collaborations, awards, and sponsorships that are directly connected to TUSD."
