

MEETING OF: December 10, 2013

TITLE: Solar Project Update

ITEM #: 7

Information: X

Study:

Action:

PURPOSE:

Update the Board on the status of the District Solar Project.

DESCRIPTION AND JUSTIFICATION:

A brief presentation on the District's solar project will be provided using the same format and information that is presented to the public during the open community meetings. The presentation will include an update on the project status, current plans moving toward construction, and the results expected from the solar installations.

Jim Burns, TUSD Operations Business Office Coordinator, and Matt Shannon with Natural Power and Energy, will present and answer questions.

The District Solar Project will directly affect Superintendent Goals of Achievement and Customer Service through efficiencies resulting in resources available for classroom expenditures and solar performance data for student research.
