PURPOSE:

To study and adopt Policy KE.

DESCRIPTION AND JUSTIFICATION:

The Governing Board recognizes that situations may arise in which parents or community members have concerns or complaints. Such concerns are best handled through direct communication to the individual staff member and/or supervisor who may or can directly address the concern or complaint.

Policy is not the ASBA policy. The policy is being revised to remove the obsolete department for submitting complaints and inserting the correct one, which is the Superintendent's office.

Policy has been reviewed by the Policy Subcommittee, the Legal Department and posted on the Governing Board website.

This does not relate to the Superintendent's goals.
