

This policy is not an ASBA Policy. Recommend eliminating as it is covered in Policy IJNDB, which was recently update and it is covered in EGAD.

 GOVERNING BOARD POLICY	POLICY TITLE: Digital Security
	POLICY CODE: EJB
	LEAD DEPARTMENT: Tech. And Telecom

The Tucson Unified School District (TUSD) may determine in its sole discretion, who may access the district's technology facilities and services. All use of TUSD's technological resources and facilities are subject to Federal, State and local law and TUSD policies regarding the use of electronic devices and software materials. All information that comes into and/or is created using district equipment is the sole property of TUSD and is not private. Users of the TUSD network and electronic resources must observe intellectual property rights including software copyright laws.

The District's central Technology Department will work with staff to develop regulations for the Superintendent's approval to implement this policy.

Adopted: 8/10/2004

Revision:

Review:

Legal Ref: Public Law No.106-554. Section 1721 of CIPA amends section 254(h) of the Communications Act of 1934, as amended 47 U.S.C. §151 *et seq.* Section 1721 references section 1732 of the Children's Internet Protection Act, which amends section 254 of the Communications Act by adding a new subsection (1) at the end of the section 254. Sections 1731-1733 of CIPA are also referred to as neighborhood Children's Internet Protection Act (N-CIPA).
