DESCRIPTION AND JUSTIFICATION:

For the purpose of ensuring well-organized, well-structured, efficient, and transparent school turnaround processes for Roskruge K-8 a steering committee inclusive of site teachers, parents and administrators has been convened for the purpose of making recommendations for establishing the new two-way dual language (TWDL) school-wide focus, making program recommendations with regard to TWDL grade levels of focus, making recommendations for teacher incentives to serve as a TWDL educator at the school, and to make recommendations with regard to the continuance of the Roskruge neighborhood attendance boundary for K-5.

The Board will be discussing and considering a requested authorization for action to approve designated grade levels of focus for TWDL programming, a potential request to modify or eliminate neighborhood attendance boundaries to designate the school as an open enrollment only school.
