PURPOSE:

To approve programs added to the activity fee schedule since it was last approved by the Board on June 12, 2018.

New programs are bold and underlined on the attached TUSD Extracurricular Activity Fee Schedule.

DESCRIPTION AND JUSTIFICATION:

State law requires the Governing Board approve the participation fees in order for the extracurricular activity to be tax credit eligible.

According to Statute (ARS 43-1089.01) and the Arizona Department of Education guidance dated June 2, 2011, "Extracurricular Activities" means school sponsored activities that require enrolled students to pay a fee in order to participate, including fees for:

- Band uniforms
- Equipment or uniforms for varsity athletic activities
- Scientific laboratory materials
- In-state or out-of-state trips that are solely for competitive events. Extracurricular activities do not include any senior trips or events that re recreational, amusement, or tourist activities.

State law also requires the Governing Board authorize principals to waive the fees in case of financial hardship. However, principals must find another source of funds to cover the fees. Historically, principals have used M&O, Educational Enrichment Foundation scholarships, Tax Credit funds, and other contributions to pay for the waived fees.

These fees are eligible for tax credit reimbursement dollar for dollar as follows: Single individuals (or married, filing separately) can receive a credit up to \$200. Married couples filing joint return can receive a credit of up to \$400.

Renee Weatherless will be available to respond to questions.
