## Welcome to The High School Economics eTextbook

Click on the drop down menu buttons above to go to the topics you should know upon graduating from high school. If you don't understand these topics, then you will have a difficult time when you start college.

Each chapter opens in a NEW browser window. When you are finished reading the chapter, close the window to return to this main page.

Best of luck going forward with your newfound knowledge of economics.

Steven M. Reff  
Economics Lecturer  
University of Arizona  
(2007 - 2016)  
The 2015 University of Arizona  
Five-Star Faculty Award

## The High School Economics eTextbook

**Covers all the topics listed in the Arizona State Standards for 2018.**

**The next slide will show you the titles of all the chapters in the eTextbook.**
