D. Site Based Plan (see section IV)

Tucson Unified School District Classroom Site Fund Plan 2016-2017 School Year

IV. Development and Implementation of the Site Plan

A. Purpose

PLCs will create a school-wide system that provides training, lesson planning, differentiation strategies and assessments that promote student achievement. The PLC is composed of collaborative teams whose members work interdependently to achieve common goals. It is difficult to overstate the importance of collaborative teams. A PLC realizes that all of its efforts in these areas - shared mission, vision, **values**, and goals; collaborative teams; collective inquiry; action orientation; and continuous improvement and assessment are the basis to increase teacher performance and student achievement.

B. Plan Components

There are two components to the site based goals. Eligible staff, who chooses to participate, are eligible for both stipend components and must participate in the PLC component of the plan to qualify for both stipends. Staff may opt out by submitting an opt out form (Exhibit A) to his/her principal no later than September 25, 2016. Staff whom opt out will not receive any 301 performance pay for SY 2016-2017.

1. 301 Professional Learning Community (PLC) Work (see Exhibit C for PLC Framework and Protocols)

301 professional learning community (PLC) work will be worth approximately 2/3rds of the pay for performance stipend, and will call upon teachers at all levels and across all subject areas to improve student achievement. PLCs will focus on strategies, differentiation, planning and targeting students to increase performance. Student performance will be assessed in the 33% student growth data portion of the teacher evaluation.

301 Requirements: As outlined in Exhibit C, the PLC Framework is comprised of 4 pillars: Vision, Mission, Values, and Goals. The school's vision and mission statements are due to leadership by August 26, 2016. The school's value pillar, "collective commitments" is due to leadership by September 23, 2016

Attendance: All 301 PLCs will meet, at a minimum, ten hours during the year to plan, report on progress, review data and monitor and adjust the plan. These 301 PLC meetings may be a part of a larger PLC plan at the school level, but for these ten hours total, the 301 PLC work must focus upon the support being provided to increase student achievement. For 3/5ths of that time (6 hours), PLCs will be allocated at least six Wednesday staff development days.

Should a PLC member miss a 301 PLC meeting, he/she shall make up the time as determined by the 301 PLC. At the completion of the PLC work by February 22 the administrator will verify eligibility via the PLC verification form provided by the district. Individuals who are deemed ineligible would not receive either of the 301 PLC component (approximately 2/3rds) and the teacher classification component

Tucson Unified School District Classroom Site Fund Plan 2016-2017 School Year

(approximately 1/3). Sign in sheets for each meeting will be kept by each 301 PLC and submitted to the principal. The PLC Verification sheet will be generated centrally and sent to the site at the beginning of February.

Note: The minimum number of 301 PLC hours will have to be conducted by February 24, 2017. The 301 PLC Verification Form is due to the office of Curriculum & Instruction by March 3, 2017 for payment in May 2017. 301 PLC sign in sheets must be reviewed by the principal and filed at the school for review as needed.

2. Teacher Evaluation Classification

Teacher evaluation classification component stipend will be based on 33% of the total classroom site fund. The teacher evaluation classification component will be based on the 2016-17 teacher evaluation classification rating that includes the student growth. The stipend allocation is based on the following classifications:

Ineffective		\$0
Developing	1/2x	
Effective		x
Highly Effective		1/2x+x

EXAMPLE ONLY: If x=\$1000.00, then:

Ineffective		\$0
Developing		\$500
Effective		\$1000
Highly Effective		\$1500
