

# School Master Plan

# Current Situation

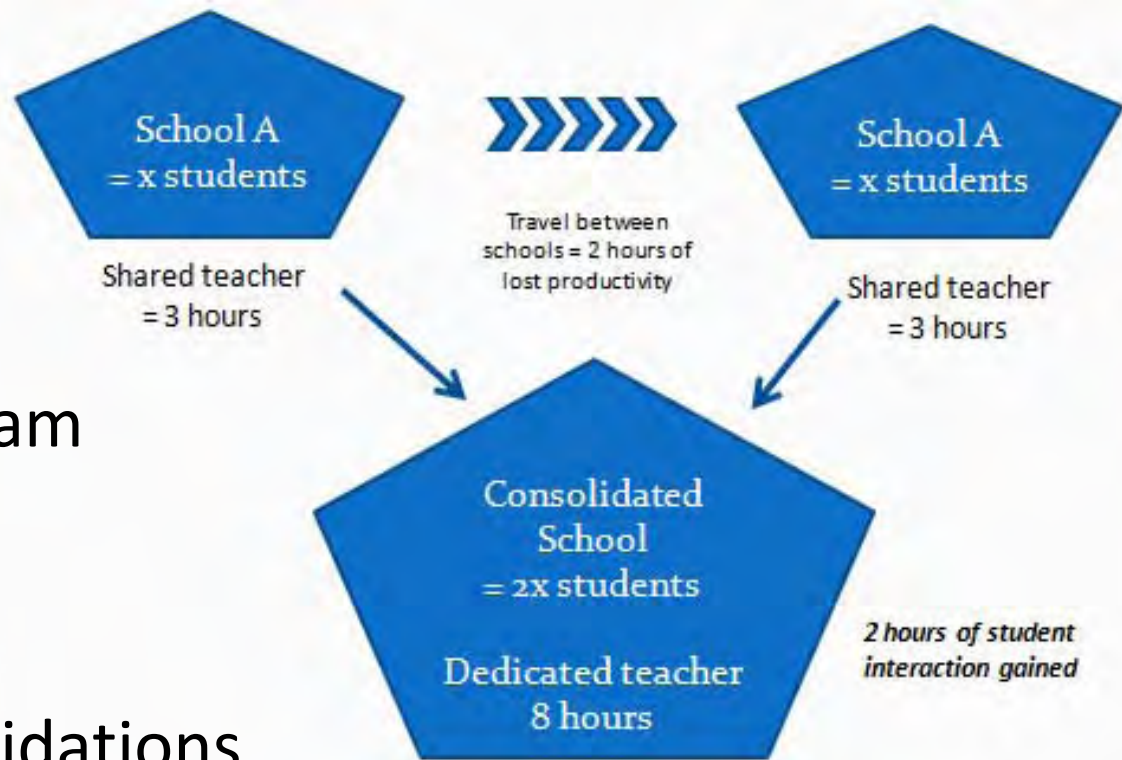

# Creating the High Performing Classroom

1. More Dollars in the Classroom/ Programs and Services.
2. No increases in Class Size, in fact decreases if revenues are found.
3. Reduced Administrative Costs
4. High Quality and adequately compensated teachers
5. 21<sup>st</sup> Century Technology
6. National Standards Curriculum

# Funding the Vision in this Deficit

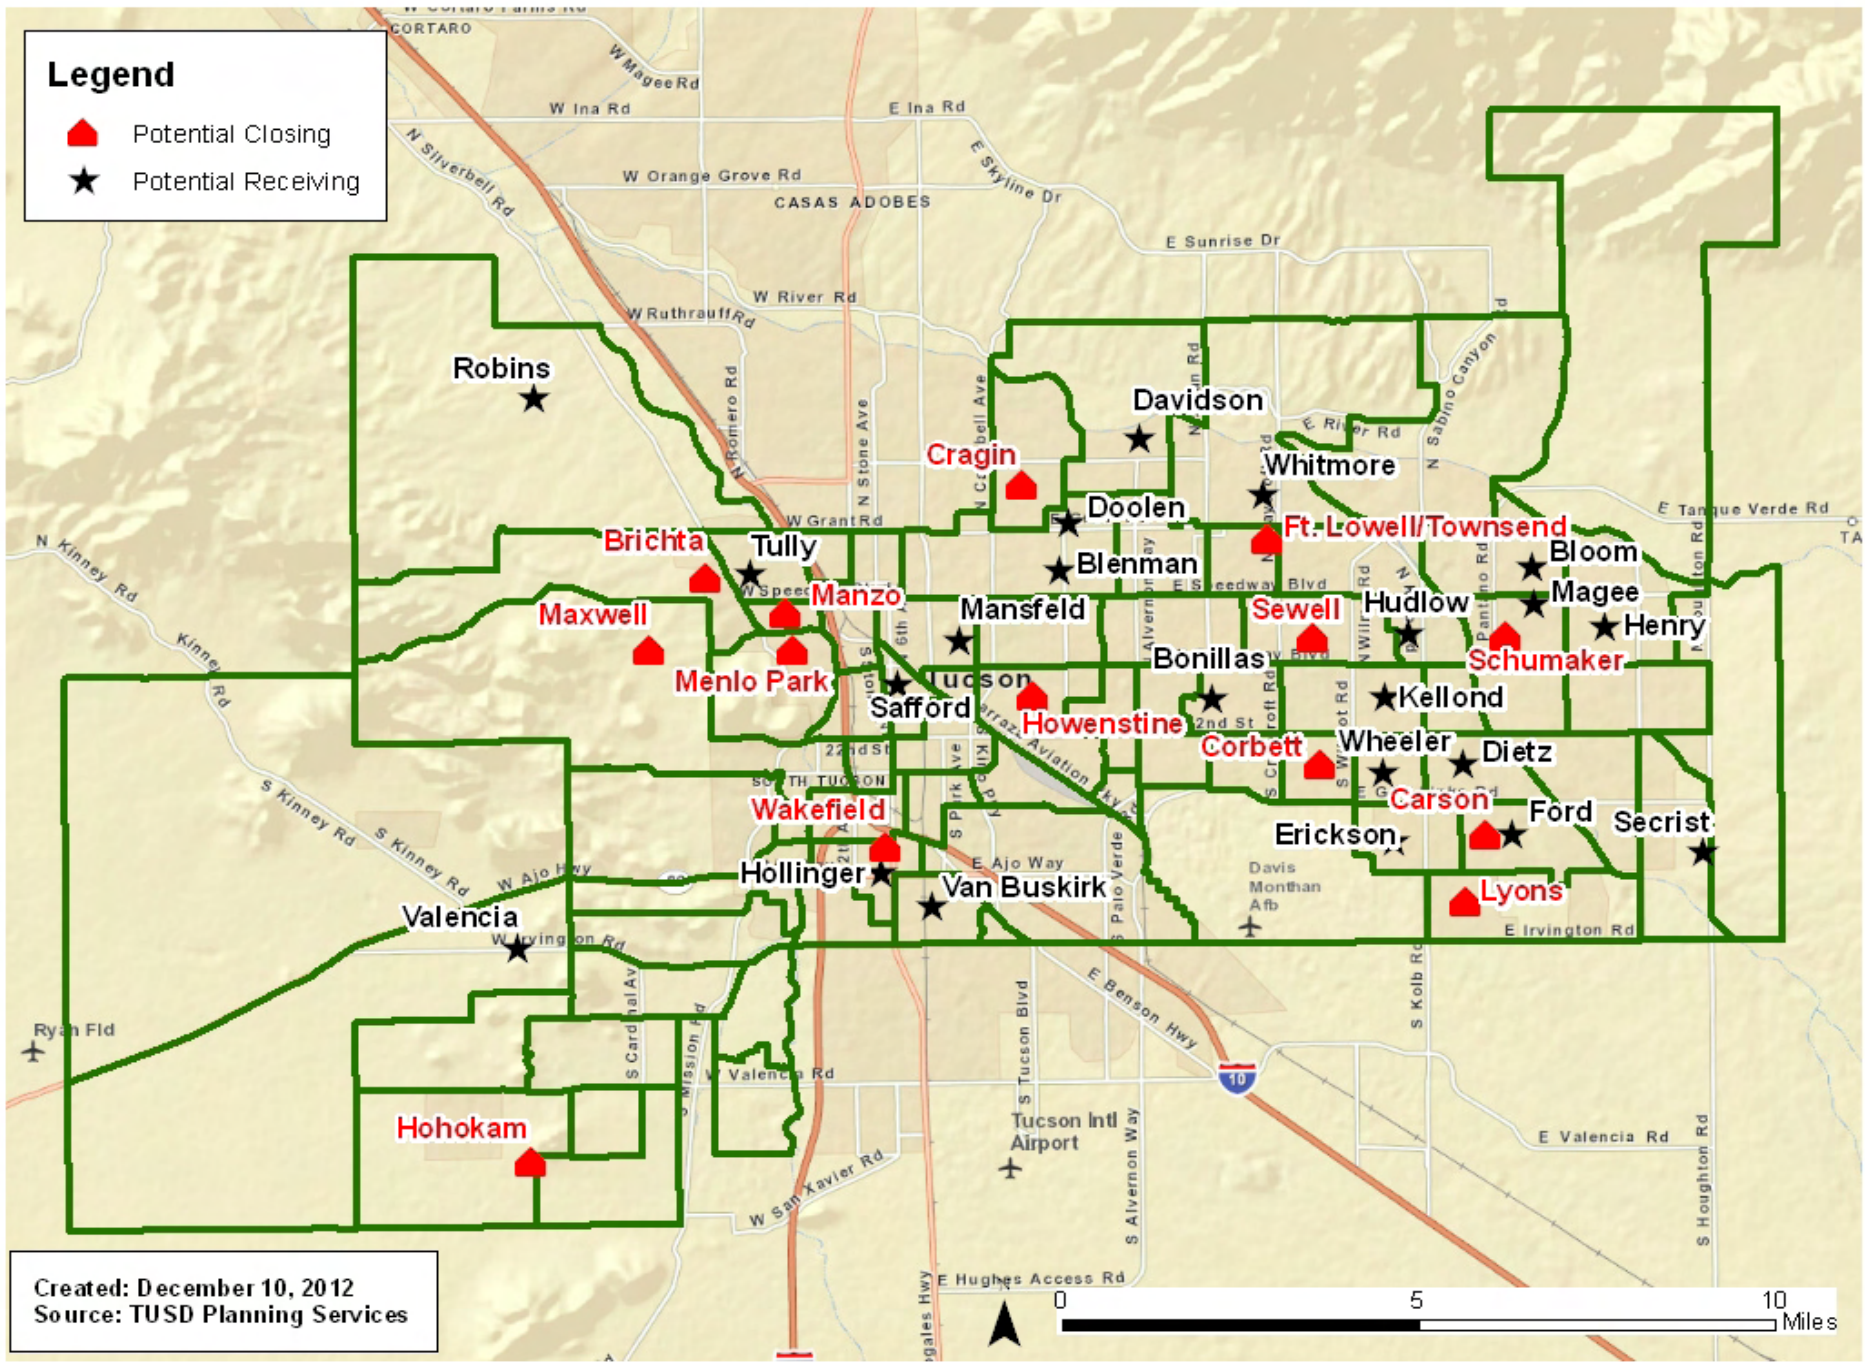

- Revenues
- Efficiencies
- Staff and Program Reductions
- Building Consolidations

# Legend

- ▲ Potential Closing
- ★ Potential Receiving

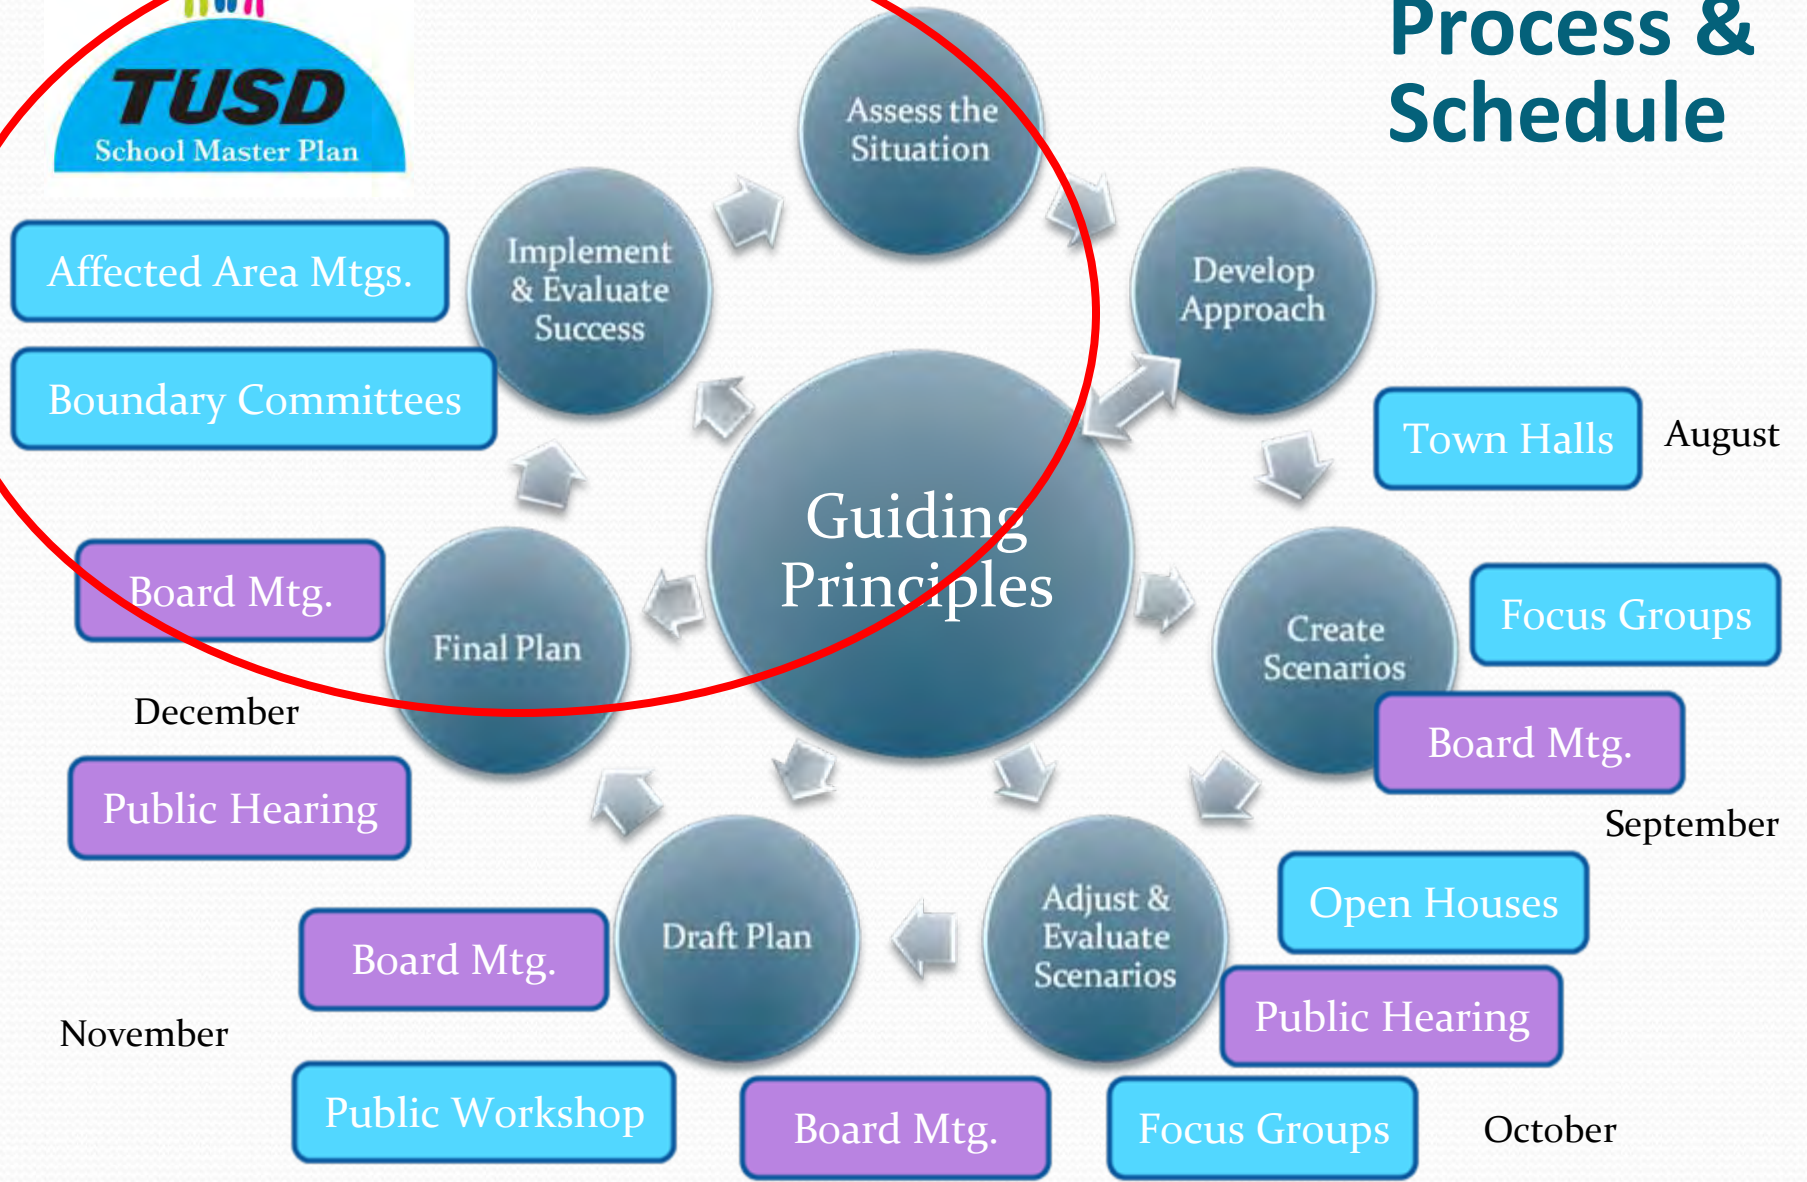

Created: December 10, 2012
