When it is necessary to reduce certificated teachers at a school, the Principal shall first determine what content area needs to be reduced. Once that determination has been made, the Principal shall determine whether a vacancy, resignation or retirement will allow for the required reduction to be addressed through attrition.

If the reduction cannot be accomplished through attrition, the Principal will consider whether all teachers within that content area are appropriately certified and highly qualified. Any teacher not appropriately certified and highly qualified will be subject to the RIF.

If a RIF remains necessary after following the steps above, the Principal shall identify the teacher subjected to the RIF by utilizing the RIF profile below. The teacher with the lowest number of points shall be RIFed.
