- Materials will be available on a first-come, first-served basis.

### **Objections to Learning Materials and Activities**

A student whose parent or guardian objects to any learning material or activity may be withdrawn from the activity or from the class or program in which the material is used, providing:

- The objection is in writing and is specific in its description of the activity or learning material to which the parent or guardian objects.
- The objection includes a statement that the parent or guardian understands that the educational information and concepts covered in the activity or material may not be covered in any other manner or form and that the parent or guardian understands that the student may not be able to make up the material or activity in any other way.
- Although the student may be unable to make up for the missed activity or material, no penalty will accrue to the student in grades or credit, with the exception that, if the objection removes a student from a substantial portion of a class, promotion and credit decisions will be based on applicable District policies.

- All such objections shall be directed to the principal of the school in which the student is enrolled, who shall forward a copy of the written objection to the Superintendent, indicating that the student has been removed from the activity or stating the reason for nonremoval.
- Upon receiving a principal's recommendation for removal or nonremoval, the Superintendent will review the situation and make a decision regarding the matter and communicate that decision to the parent or guardian and the principal.
- Within ten (10) days after receiving notification of such decision from the Superintendent, the parent or guardian may request an appeal to the Board.
