These meetings will be announced at least one week prior to the date of the meeting by press releases, notices posted at schools within the potentially affected areas, and the TUSD website. These notices shall include a referral to the TUSD website and to another district location, both of which will include the proposed boundary maps.

Conduct

At the public meeting(s), the boundary committee will present its findings and the public will have an opportunity to evaluate the options through small-group processes or surveys. The public will also be asked to submit comment cards to be included, with the results of small-group sessions or surveys, in the committee's report to the Superintendent.

Desegregation Impact Analysis

The District will prepare Desegregation Impact Analyses for any options to be presented to the Governing Board. Before the Board takes action on a proposed boundary change, the District will post the DIA(s) to the Public Notice section of the District's Desegregation webpage.

Following Board Action

Boundary Committee Notification

Following Board action, the District will notify the Boundary Committee members of the Board's decision and disband the committee.
