Lillian Fox – Superintendent’s Performance Plan

ACTION ITEM

1. Superintendent Pay for Performance Award for 2013-2014

Dr. Sanchez discussed the goals he set through conversations with board members to get ideas on major items to be addressed. He commented on the top three items of accomplishment – teacher salary compensation, no Reduction in Force, and the curriculum and efficiency audits, as well as the Strategic Plan launch. Other achievements included reduction in class size, items in line with recommendations included in previous audits, handbooks for Purchasing, Finance manuals, and school safety protocols for compliance purposes. He acknowledged the Board’s support in these and other areas such as updating technology services to move to a high level of performance and provide services to students; implementation of the culturally relevant curriculum moving forward; early learning literacy; fine arts on every campus; culturally responsive pedagogy for teaching to diverse backgrounds; advanced learning experiences through dual language; increase of students in advanced placement courses; the leadership academy to *grow our own*; reorganization of the Superintendent’s Leadership Team; and 15 initiatives driven by the USP cited as completed.

Adelita moved approval, Cam Juárez seconded. Approved 4-0 by voice vote. Dr. Stegeman was not present at the meeting.

Adelita Grijalva commented that the Board had reviewed the Superintendent’s goals and achievements in Executive Session and invited other board members to comment. Cam Juárez and Kristel Foster commented and expressed support.

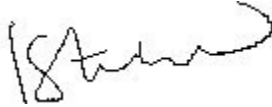

Adelita Grijalva read the following statement in the form of a motion: *I move that in the absence of Governing Board established goals under our performance-based compensation plan, that Dr. Sanchez be given 100% of the performance-based compensation for which he is eligible for his work in the 2013-2104 school year. Specifically, that he be awarded an additional 6% of his annual base salary for his successful achievement in the initiatives described in his self-evaluation memo.*

[The Pay for Performance Award is \$12,600.]
