Information only.
No action required.

Leo Masursky presented the report on the October and November meetings of the SCPC. Topics discussed were the priorities of the members, the top three being the budget, classroom improvement in the quality of education, and student achievement. The Council heard a report by Sam Brown on the Unitary Status Plan which included the schedule for the Unitary Status Plan, a summary of the history of the case, and the fact that there is a connection between the School Master Plan and the USP. Jimmy Hart provided information about the Promotion/Retention Committee and potential changes; areas of concern were identified by Council members and Mr. Masursky highlighted those. Mr. Masursky commented that SCPC has a page on the TUSD web that contains information about SCPC. The purpose of SCPC is for the Governing Board to hear the priority concerns of the representatives from the schools. The next meeting on December 17 is a planning meeting and is open to the public. Planning is significant to set priorities for next year. A highlight will be the State of the District address by the Superintendent in February.

ACTION ITEM

8. Fisher-Mendoza v. Tucson Unified School District – Approval of or Objection to the Proposed Unitary Status Plan/Consent Decree

Mark Stegeman moved approval as stated, Michael Hicks seconded.

Dr. Pedicone stated this is the report on objections and a summary of where the District is on the Unitary Status Plan (USP). He asked Heather Gaines to report and to respond to the question asked during Call to the Audience concerning when and where the USP would be available. Ms. Gaines responded that she had asked Sam Brown to provide information on the TUSD web and that it would be done the next day. She indicated to the Board that they had the most current draft of the USP, noting areas of parties' objections filed on December 10 and that she was happy to answer questions, discuss any areas of objections or identify other objections Board members might identify.

Following discussion, Dr. Stegeman amended the motion to strike the third objection in the motion concerning culturally relevant courses; Mr. Hicks accepted the amendment as the seconder of the motion.

Board member Adelita Grijalva inquired if there was a way to note that a minority of board members had not objected to Section V.D.6.ii on the culturally relevant curriculum. Ms. Gaines said a note regarding the minority position could be included.

Approved unanimously in a roll call vote.

Dr. Stegeman made the following motion:

I move that the Governing Board approve the Joint Proposed Unitary Status Plan noting areas of party disagreement, as submitted to the Court on December 10, 2012, subject to the District's objections noted therein, the objections set forth in the Legal Memorandum of Objections filed on November 9, and the following three particular objections:

- *The District raises a general objection to the hiring of professional development deadlines;*

ACTION ITEM (continued)

8. Fisher-Mendoza v. Tucson Unified School District – Approval of or Objection to the Proposed Unitary Status Plan/Consent Decree (continued)

Dr. Stegeman’s motion continued:

- *The District objects to the creation of the Task Force that has been added to the Plan since November 9 in Section V.D.7, paragraphs g, h and i; and*
- *The District objects to the mandate of culturally relevant courses in Section V.D.6(a)(2).*

Adelita Grijalva indicated her support for significant sections of the USP, but would only be able to support the Plan if there was a way to vote separately on the objection to the culturally relevant courses.

Dr. Stegeman explained reasons for the objections to the hiring deadlines and the creation of the Task Force. He indicated other personal objections to curriculum mandates as not being relevant to desegregation cases, the Court order and as being unrelated to Green factors, and secondly that the current Plan uses race and ethnicity as a basis for admission to schools in some circumstances and eligibility for busing related to student assignment.

Miguel Cuevas responded that he had no objection to student assignment in the Plan. He asked Dr. Stegeman to consider Ms. Grijalva’s request concerning separate votes.

Dr. Stegeman amended his motion as follows: the third objection regarding the mandate of culturally relevant courses was stricken from the original motion.

Martha Durkin provided legal advice. Ms. Grijalva agreed with the action.

After the vote, Dr. Stegeman reintroduced the objection to the culturally relevant courses which was removed from the previous motion:

- *The District objects to the mandate for culturally relevant courses in Section V.D.6(a), paragraph 2 of the proposed Unitary Status Plan.*

Miguel Cuevas thanked Heather Gaines for her counsel.

Mark Stegeman moved approval as stated, Michael Hicks seconded. Motion failed 2-3; Alex Sugiyama, Adelita Grijalva and Miguel Cuevas voted no.

He was accompanied by Dan McDonald, member of the Bond Fiscal Oversight Committee, to make a presentation to the Board. Dr. McDonald, on behalf of the BFOC, presented a check for \$157,684.80 as a rebate for the solar panels installed; he indicated the money will be returned to the bond funds.
