Action: X

PURPOSE:

The purpose of this Intergovernmental Agreement is to establish a relationship between the Northern Arizona University and TUSD allowing students from the NAU College of Health and Human Services to participate in a clinical practicum and/or internship/externship program in TUSD.

Donna Johnson, Director of School Health Services, is present to answer any questions.

DESCRIPTION AND JUSTIFICATION:

The purpose of this Agreement is to establish a relationship between the University and the Facility, to allow students from University's College of Health and Human Services, to participate in a clinical practicum and/or internship/externship program approved by the University, and conducted at the Facility.

Selected TUSD School Nurses will provide supervision for the Northern Arizona University students for clinical practicum and/or internship/externship experiences. Acceptable schedules and training assignments for program participants will be developed jointly to endure non-interference with the primary mission of TUSD. Additionally, program participants will gain insight into best practices approach using CDC's Coordinated School Health Program Model.

TUSD benefits from having NAU nursing students in our schools by the additional assistance given to high-risk students. These students have an opportunity to talk to a college student over a period of time and may be influenced to stay in school to graduate and continue on to higher educational institutions.

This item relates to the Superintendent Goal of Student Enrollment.
