See these Policies for definitions of terms.

Reporting

It is the policy of the Tucson Unified School District to encourage student targets of harassment and students who have first-hand knowledge of such harassment to report such claims. Students should report incident to any teacher, guidance counselor, or school administrator.

Every individual against whom such a complaint is brought under these policies has the right to present his or her side of the story to an investigator, and to bring witnesses and exhibits on his or her own behalf.

Any adult school employee who witnesses, overhears, or receives a report, formal or informal, written or oral, of harassment at school or during school-sponsored activities shall report any harassment to the principal or the principal’s designee.
