9.1 Approval of FY 2026-2027 Proposed Annual Expenditure Budget for Tucson Unified School District 145

Fiscal Impact: Yes
Dollar Amount: $797,397,377
Budgeted: Yes
Budget Source: Various

Description/Justification: The proposed annual expenditure budget for the 2026-27 fiscal year proposes a total operating budget of $797,397,377. This reflects the proposed budgets for all funds across the District to manage all operations. The proposed budget incorporates the estimated budget limits based on the State budget approved by the Arizona Legislature on June 11, 2026 Arizona school districts required, by law, to approve a proposed budget by July 5, and adopt a budget by July 15.

The FY2027 proposed budget for Tucson Unified incorporates the following factors:

1. An increase of $22.7 million in the Maintenance & Operations (M&O) budget, which reflects the following major financial factors:
    a. A projected 2% decline in the Weighted Student Count
    b. A decrease of $2.6 million for the non-renewal of Proposition 123
    c. A decrease of $3.0 million to M&O from UCO
    d. An increase of $44.9 million from Year 1 of the 15% M&O Override
2. An overall increase of $645,647 in the Unrestricted Capital Outlay (UCO) budget, which reflects the following major financial factors:
    a. A decrease in the $3.0 million transfer from UCO to M&O
    b. A decrease of $1.3 million in the Budget Balance Carryforward
    c. A decrease of $160,000 in the revenues from prior year interest earnings
3. The budget proposes a Primary Property Tax Rate of $3.24, and a Secondary Property Tax Rate of $3.14, which is an overall increase of $0.76. The estimated levy per $100,000 of a net assessed valuation s $487.07, which is an increase of $80.91 from the prior year due to the voter-approved 15% M&O Override levy
4. The Desegregation budget retains its statutory limit of $63,711,047, and due to the ongoing efforts of district administration, it is the first time in 4 years that the budget is structurally balanced.
5. Finally, this budget reflects the dedicated efforts of district administrators and Governing Board leadership to address the ongoing structural deficit in the district's budget. This budget incorporates a permanent budget reduction of $6.8 million in administrative reductions. The reduction is an ongoing efforts by the district to close a $25 million structural deficit by FY2030.

The administration recommends approval of the FY2027 Proposed Budget, as presented, to be formally adopted on at a public hearing on July 14, 2026.

FIRST AMENDMENT TO
EASEMENT AGREEMENT

THIS FIRST AMENDMENT TO EASEMENT AGREEMENT (the "First Amendment") is made effective this ____ day of _____, 2026 ("Effective Date"), by and between TUCSON UNIFIED SCHOOL DISTRICT NO. 1, a political subdivision of the State of Arizona (hereinafter referred to as "Grantor") and CROWN ATLANTIC COMPANY, a Delaware limited liability company (hereinafter referred to as "Grantee").

RECITALS

WHEREAS, Grantor and Southwestco Wireless, L.P., a Delaware limited partnership ("Original Grantee") entered into an Easement Agreement dated February 1, 1999, a memorandum of which was recorded in the official records of Pima County, Arizona ("Official Records") on August 27, 1998 at Sequence No. 19981460419 in Docket 10869, Page 1128 (the "Agreement") whereby Original Grantee acquired an easement over and across certain real property, together with access and utility easements, located in Pima County, Arizona from Grantor (the "Easement Area"), all located within certain real property owned by Grantor ("Grantor's Property"); and

WHEREAS, Crown Atlantic Company is currently the Grantee under the Agreement by virtue of an assignment from the Original Grantee, as more fully set forth in the Memorandum of Assignment recorded in the Official Records on August 5, 1999 at Sequence No. 19991500231 in Docket 11104, Page 606; and

WHEREAS, the Easement Area may be used for the purpose of constructing, maintaining and operating a communications facility, including tower structures, equipment shelters, cabinets, meter boards, utilities, antennas, equipment, any related improvements and structures and uses incidental thereto; and

WHEREAS, the Agreement had an initial term that commenced on February 1, 1999 and expired on January 31, 2004. The Agreement provides for five (5) extensions of five (5) years each, all five (5) of which were exercised by Grantee. According to the Agreement, the final extension expires on January 31, 2029; and

WHEREAS, Grantor and Grantee desire to amend the Agreement on the terms and conditions contained herein.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, Grantor and Grantee agree as follows:

1. Recitals; Defined Terms. The parties acknowledge the accuracy of the foregoing recitals. Any capitalized terms not defined herein shall have the meanings ascribed to them in the Agreement.

2. Term. Section 3 of the Agreement is being amended by deleting the following:

> This agreement shall be automatically renewed for five (5) additional terms of five (5) years (each a "renewal term") each unless Grantee gives Grantor notice of

> Grantee's intention not to renew not less than ninety (90) days prior to the expiration of the initial term or renewal term.

and adding the following:

> This agreement shall be automatically renewed for eight (8) additional terms of five (5) years (each a "Renewal Term") each unless Grantee gives Grantor notice of Grantee's intention not to renew not less than ninety (90) days prior to the expiration of the Initial Term or Renewal Term. The Initial Term and any Renewal Term shall be collectively referred to as the "Lease Term".

The remainder of Section 3 of the Agreement remains unchanged by this First Amendment. Grantor and Grantee hereby acknowledge that Grantee has exercised five (5) Renewal Terms, leaving a balance of three (3) Renewal Terms. If all Renewal Terms are exercised, the final Renewal Term will expire on January 31, 2044. Grantor and Grantee further agree that the term of all access and utility easements granted with the Agreement, including that certain Access Easement dated August 5, 1998, and recorded on August 27, 1998 at Sequence No. 19981460418 in Docket 10869, Page 1124, shall run concurrent with the Lease Term as set forth above.

3. Rent Reduction. Commencing on February 1, 2027, the current rent payable under the Agreement will be reduced to Four Thousand Eight Hundred and 00/100 Dollars ($4,800.00) per year. If, after full execution of this First Amendment, Grantee subleases, licenses or grants a similar right of use or occupancy in the Easement Area to a Future Subtenant (defined below), the rent will resume ("Rental Restart"), in the amount of Thirty Thousand and 00/100 Dollars ($30,000.00) per year. The Rental Restart will commence upon the first (1st) day of the first (1st) full month following the commencement of installation of improvements by such Future Subtenant at the Easement Area.

4. Rent Adjustment. Commencing on February 1, 2029 and every year thereafter (each an "Adjustment Date"), the annual rent shall increase by an amount equal to three percent (3%) of the annual rent in effect for the year immediately preceding the Adjustment Date. Such rent escalations shall replace any rent escalations currently in the Agreement, including the rent escalation set forth in Section 4.1 of the Agreement.

5. Additional Rent. In addition to the rent currently paid by Grantee to Grantor pursuant to the Agreement, as further consideration for the right to exclusively use and lease the Easement Area, if, after full execution of this First Amendment, Grantee subleases, licenses or grants a similar right of use or occupancy in the Easement Area to an unaffiliated third party not already a subtenant on the Easement Area (each a "Future Subtenant"), Grantee agrees to pay to Grantor fifty percent (50%) of the rental, license or similar payments actually received by Grantee from such Future Subtenant (excluding any reimbursement of taxes, construction costs, installation costs, or revenue share reimbursement) (the "Additional Rent") within thirty (30) days after receipt of said payments by Grantee. Grantee shall have no obligation for payment to Grantor of such share of rental, license or similar payments if not actually received by Grantee. Non-payment of such rental, license or other similar payment by a Future Subtenant shall not be an event of default under the Agreement. Grantee shall have sole discretion as to whether, and on what terms, to sublease, license or otherwise allow occupancy of the Easement Area, subject to the written

consent of Grantor, not to be unreasonably delayed or withheld. There shall be no express or implied obligation for Grantee to sublease, license or otherwise allow occupancy of the Easement Area. Notwithstanding anything in this paragraph to the contrary, the parties agree and acknowledge that revenue derived from subtenants and any successors and/or assignees of such subtenants who commenced use and/or sublease of the Easement Area prior to execution of this First Amendment shall be expressly excluded from the Additional Rent and Grantor shall have no right to receive any portion of such revenue.

6. Representations, Warranties and Covenants of Grantor. Grantor represents, warrants and covenants to Grantee as follows:

a) Grantor is duly authorized to and has the full power and authority to enter into this First Amendment and to perform all of Grantor's obligations under the Agreement as amended hereby.

b) Grantee is not currently in default under the Agreement, and to Grantor's knowledge, no event or condition has occurred or presently exists which, with notice or the passage of time or both, would constitute a default by Grantee under the Agreement.

c) Grantor agrees to provide such further assurances as may be requested to carry out and evidence the full intent of the parties under the Agreement as amended hereby, and ensure Grantee's continuous and uninterrupted use, possession and quiet enjoyment of the Easement Area under the Agreement as amended hereby.

d) Grantor acknowledges that the Easement Area, as defined, shall include any portion of Grantor's Property on which communications facilities or other Grantee improvements exist on the date of this First Amendment.

7. Notices. Grantee's notice address as stated in Section 12 of the Agreement is amended as follows:

If to Grantee:
Crown Atlantic Company
General Counsel
Attn: Legal - Real Estate Department
2000 Corporate Drive
Canonsburg, PA 15317

8. IRS Form W-9. Grantor agrees to provide Grantee with a completed IRS Form W-9, or its equivalent, upon execution of this First Amendment and at such other times as may be reasonably requested by Grantee. In the event the Grantor's Property is transferred, the succeeding Grantor shall have a duty at the time of such transfer to provide Grantee with a completed IRS Form W-9, or its equivalent, and other related paper work to effect a transfer in the rent to the new Grantor. Grantor's failure to provide the IRS Form W-9 within thirty (30) days after Grantee's request shall be considered a default and Grantee may take any reasonable action necessary to comply with IRS regulations including, but not limited to, withholding applicable taxes from rent payments.

9. Counterparts. This First Amendment may be executed in separate and multiple counterparts, each of which shall be deemed an original but all of which taken together shall be deemed to constitute one and the same instrument.

10. Remainder of Agreement Unaffected. In all other respects, the remainder of the Agreement shall remain in full force and effect. Any portion of the Agreement that is inconsistent with this First Amendment is hereby amended to be consistent.

11. Recordation. Grantee, at its cost and expense, shall have the right to record a memorandum of this First Amendment in the Official Records at any time following the execution of this First Amendment by all parties hereto. In addition, Grantee shall have the right in its discretion, to record a notice of lease, affidavit or other form to be determined by Grantee without Grantor's signature in form and content substantially similar to the memorandum, to provide record notice of the terms of this First Amendment.

45 minute deadline notice - Motion to continue Call to the Audience after item 7.2

Ravi Shah asked if Board Members wanted to respond to a criticism, ask staff to review a matter or ask that a matter be placed on a future agenda. He reminded the board that no more than two board members may legally address each topic.

Sadie Shaw thanked everyone who spoke today, especially members of the Pueblo community, and she does want to remind our staff throughout the district that per Governing Board Policy GBP, when the adverse treatment is reasonably likely to deter the individual or others from making such disclosures to a public body, it is grounds for discipline of the employee engaging in the retaliatory conduct, and so retaliation, intimidation, or harassment is strictly prohibited and will not be tolerated, that goes for the Pueblo community and elsewhere in the district so do let us know if you're experiencing retaliation after you speak to the governing board. With that, she'd like to put on a future agenda a policy to codify a standardized process for our culture and climate review process. She'd also like to ask staff to review the matter raised by the 13th speaker, the ex-ed staff member who was verbally assaulted, she apologized for missing their name.

Natalie Luna Rose commented, Miss Cruz.

Sadie Shaw thanked Natalie Luna Rose and continued, and thank you to those who came to speak on behalf of librarians and librarian assistants, I'll save my comments for that for that

Draft

agenda item but I'm in full support of your request.

Val Romero stated, so, first thing he just wanted to mention again to our Gale librarian, again experiencing Chicken City at our library was just more than an event for our students and a lot of our librarians do special events for them, it's not just again for the reading aspect of it it's also educational learning in a lot of other ways. He knows you're exceptional what you're doing, Lynn Urquides, Johnson's library, we have a few throughout the district those are just to name a few. So, he just wants to let you know that he sees that as a board member, and appreciates the work she does for those kids. In doing that she goes above and beyond more than just reading assistance, she makes it an experience for the kids to want to come to the library so first off he wants to say thank you for that experience when he was there. And then he also wanted to thank Mr. Rodriguez and Ms. Fox for you know bringing up the situation with Mr. Blackshire, something doesn't feel right with him and it does bring up concern and he is working with legal counsel on process and policy for removal and hopefully that'll be coming up in a board meeting soon as well.

Natalie Luna Rose thanked everyone who spoke. First to the speakers from Pueblo, she knows it takes a lot to come to a board meeting, especially when you're perhaps nervous but we are listening and we do appreciate your time this evening. And she would also like to acknowledge Mr. Olson who also said that it's his first time coming here. So, thank you Sir for coming and speaking about the budget and how we can be going forward, so she appreciates his work.

Sadie Shaw also wanted to thank Mr. Olson, and I forgot to ask staff to provide full comprehensive data about enrollment like for the past 10 years, and also the budgets of schools and the district to the reconfiguration committee.

7:12 p.m. Ravi Shaw closed the Call to the Audience

9:04 p.m. continuation of Call to the Audience: Jessica Ramirez re: Pueblo High School Principal; Dominick Soto re: Pueblo High School Principal; Annabel Guptill-Godfrey re: Pueblo HS Principal; Julie Sterr re: Reading letters from a student of PHS; Eliseo Gomez re: Pueblo C&C; Saul Ramirez re: Pueblo High School Director; Isis Morales re: Why Mr. Rosthenhausler should be removed.

Ravi Shah again asked if Board Members wanted to respond to a criticism, ask staff to review a matter, or ask that a matter be placed on a future agenda. He also reminded the board that two members had already addressed the topic of Pueblo's Administration.

Sadie Shaw thanked everyone who waited and spoke just now. She would like to ask staff to review the matter raised by Eliseo Gomez, she believes that was the name of the 18th speaker, and then she would also like to ask staff to send us a translation of the comments by Mr. Ramirez, the 19th speaker. This is the second time this year that we've had a speaker speak to us in Spanish, and I requested last time that we have translation services available to us and the public if needed and I haven't seen that actualized, so I'd like to ask staff to make sure that we do have translation services for Spanish speakers, especially at our governing board meetings.

Ravi Shah closed the Call to the Audience at 9:27 p.m.

Motion to continue Call to the Audience after 7.2 so we can get through our action/study

action items.
Moved by: Ravi Shah; seconded by: Sadie Shaw
Yes: Natalie Luna Rose, Val Romero, Sadie Shaw, Jennifer Eckstrom, and Ravi Shah

Motion Passed 5-0

9:55 p.m. Dr. Trujillo thanked the ASL Interpreter team for their continued service. He stated we're going to be busy a week from tonight. We have both the Desegregation budget and the District's Maintenance and Operations budget will be up for possible Board adoption. He reminded the board that their adoption sends it out for 30 days of public comment, and then their final vote on it is after the July 4th weekend when we come back in July. We'll have two Public Hearings, one for the M & O budget, one for the Deseg hearing on tap for next week. We will also have probably the biggest conversation will be around the board's consideration of the approval of digital platforms. We had a little bit of a preview of that tonight, the platforms are actually in front of you next week. We have an approval, one of six recommendations from the Alternative Education committee is ready for board consideration next week. The approval to make DAEP mandatory for students that turn down abeyance, so that one is up for possible board action. Just a note, the other five recommendations are being assessed for financial impact and staffing and will be scheduled for board consideration and public discussion in July. And as if we aren't loaded already with topics that are, have all kinds of varied opinions, and are hot topics, we also have the return of AI, policy IJND the board was deadlocked so it's back next week, we do need some kind of a policy. So it will be busy.

PERFORMANCE IMPACT ANALYSIS: DESEGREGATION PROPOSED BUDGET FOR TUCSON UNIFIED SCHOOL DISTRICT FOR THE 2026-27 FISCAL YEAR

I. PROPOSED ACTION

Under the *Post Unitary Status Reporting and Accountability Plan (PUSP)*, the District is committed to publishing its proposed budget for expenditures under A.R.S. §15-910, Paragraph G, for the 2026-27 fiscal year. The commitment is to publish the proposed budget by May 15, provided that the Arizona Legislature has finalized its own budget by May 1 of that year. However, as of the date of this Performance Impact Analysis (PIA), the Arizona Legislature **has not** finalized its budget proposal for approval by the Governor.

The 2026-27 fiscal year proposed budget incorporates changes to the current operations of various programs and departments in Tucson Unified School District. Some of the proposed actions have been previously reviewed by the Governing Board as part of a larger districtwide budget readjustment and reallocation package and were approved on February 24, 2026, and March 31, 2026.

Although the changes will affect specific departmental operations, the programs and activities authorized under the Unitary Status Plan (USP) will not be affected as part of the proposed budget.

II. ISSUES

The District continues to address long-term fiscal challenges while maintaining its commitment to implementing the requirements of the Unitary Status Plan (USP). As part of its financial planning efforts, the Governing Board has approved a series of budget actions intended to reduce the District's projected structural deficit and improve long-term fiscal sustainability through June 30, 2030.

In November 2025, District voters approved a 15% Maintenance & Operations Override, providing an additional funding source for instructional and student support services. The availability of Override funding creates an opportunity to transition certain positions and activities currently funded through the Desegregation Fund to an alternative funding source while maintaining service levels. This includes academic interventionists, counselors, and other student support positions that directly support the educational needs of students across the District.

Because Arizona law limits Desegregation Fund expenditures to the amount authorized in fiscal year 2009-10, the District must continuously evaluate the allocation

of available resources to ensure ongoing compliance with the USP while maintaining sound fiscal stewardship. The proposed budget reflects a strategic realignment of funding sources that preserves existing services and creates additional flexibility within the Desegregation budget to address future USP-related needs.

Based on current projections, the proposed 2026-27 Desegregation budget is structurally balanced and does not anticipate expenditures exceeding available budget capacity. The proposed budget maintains the District's ability to continue supporting USP-authorized programs and activities while improving the long-term financial stability of the fund.

III. OBJECTIVES

The proposed 2026-27 Desegregation budget does not include any material reductions to USP-authorized programs or services. Instead, the proposed budget primarily reflects organizational restructuring, funding source realignments, and operational adjustments intended to maintain services while improving fiscal sustainability.

The most significant organizational change involves the integration of the Multicultural Curriculum Department into the Culturally Relevant Pedagogy and Instruction (CRPI) Department. Under this restructuring, multicultural curriculum initiatives and related instructional support activities will continue under the leadership of the CRPI Department. The reorganization is intended to strengthen coordination between culturally relevant instructional practices, curriculum development, and professional learning opportunities. As part of this restructuring, the separate Multicultural Curriculum Department will be eliminated, resulting in the elimination of three administrative positions. The remaining Professional Development Academic Trainer position and associated operating budget will be transferred to CRPI, ensuring continuity of services and support.

The second notable change involves the transition of Responsive to Intervention (RtI) and Teacher Interventionist positions from Desegregation funding to Maintenance & Operations Override funding. Approximately 64 FTE positions, representing approximately $4.4 million in expenditures, will be funded through the Override beginning in fiscal year 2026-27. This change does not reduce staffing levels, service delivery, or student access to intervention services. Rather, it represents a funding source reallocation that preserves these supports while creating additional budget capacity within the Desegregation Fund.

Additional budget adjustments reflect changes in operational needs, staffing allocations, salary adjustments approved by the Governing Board, and the reallocation

of resources among departments. The District anticipates that all core USP services and activities will continue during the 2026-27 fiscal year.

IV. USP PROGRAM BACKGROUND

As part of the district's budgeting process for the 2026-27 fiscal year each department administrator identified the necessary budget capacity for Desegregation expenditures that will be needed to move forward with the initiatives approved in the USP.

The following is a detailed listing of departments whose Desegregation-supported budgets changed by more than 5% from the prior fiscal year:

1. **Advanced Learning Experiences (ALE):** The Governing Board approved a $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible teacher in ALE courses is approximately $1,320. The overall change is approximately $163,000, or 5% of the current year's budget capacity.

2. **Assessment and Evaluation:** The increase comes from the addition of a Research Project Manager to support the District's efforts at developing an Desegregation Impact Study to evaluate the impact of the Desegregation-funded activities across TUSD. Also, the cost for the CogAT test for admission to University High School has increased in cost and required additional funding. The increase is an 18% increase from the prior fiscal year, or $105,000.

3. **Curriculum Development:** The decrease comes from reallocation of Reading Recovery teachers across the district with commensurate changes in salary and benefits costs for these positions. The department has also eliminated an administrative assistant for the next fiscal year. The total reduction for the department is approximately $106,000, or 9% of the current year's budgeted capacity.

4. **Fine Arts:** The department has reduced its budgeted capacity for salary and benefits needed to fund 8.5-FTE Design Team Artists across the district. There is no reduction or elimination in positions or services, but rather a budget adjustment to meet the budget needs for these positions. The overall decrease is approximately $93,000, or 11% of the current year's budget.

5. **Gifted and Talented Education (GATE):** The Governing Board approved a $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible

teacher in GATE courses is approximately $1,320. The overall change is approximately $235,000, or 8% of the current year's budget capacity.

6. **Interscholastics:** The department eliminated a 1-FTE Office Assistant for the next fiscal year. The savings from the salary and benefits results in a budget decrease of $40,000, or 43% of the total department's Desegregation budget.

7. **Multicultural Curriculum:** The department was folded into the Culturally Relevant Pedagogy and Instruction (CRPI) department beginning in the 2026-27 fiscal year. By closing the Multicultural Curriculum Department, the district also closed a full-time department director, administrative assistant, and program coordinator. The remaining PDAT and operating budget were absorbed in to CRPI. A portion of the savings was also used to a portion of the Professional Development Director in the Curriculum & Instruction Department. The budget decrease is approximately $281,000, or 74% from the prior fiscal year.

8. **Region 1:** Based on enrollment capacity, there was a reduction of 3-FTE teachers to support 7th period courses at Cholla High School. The school will go from 8.7-FTE to 5.7-FTE. The reduction was offset the Governing Board approved of a $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible teacher is $1,320. The net change in the budget from Region 1 is a reduction of $63,000, or approximately 5%.

9. **Region 2:** The Maintenance & Operations Override will now fund all Social Worker positions across the District. The loss of 2-FTE is a result of moving a position from Tucson High Magnet School and another from Pueblo High School. Based on enrollment capacity, there was a reduction of 2.2-FTE teachers to support 7th period courses at Safford K-8 School and Pueblo High School. The reduction was offset the Governing Board approved of a $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible teacher is $1,320. The net change in the budget from Region 2 is a reduction of $164,000, or approximately 12%.

10. **Region 3:** The increase is a result of the Governing Board approved $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible teacher is $1,320. The net change in the budget from Region 3 is an increase of $123,000, or approximately 9%.

11. **Region 4:** Based on enrollment capacity, there was a reduction of 3.1-FTE across 4 schools in the region: Alice Vail Middle School, Roberts-Naylor K-8 Schools, Booth-Fickett K-8 School, and Dodge Middle Magnet School. The reduction was offset the Governing Board approved of a $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible teacher is $1,320. The net change in the budget from Region 4 is a reduction of $110,000, or approximately 11%.

12. **Region 5:** The increase is a result of the Governing Board approved $1,000 increase in the Supplemental Base Pay for all certified teachers. With added cost for benefits, the total amount of the increase for every eligible teacher is $1,320. The net change in the budget from Region 5 is an increase of $91,000, or approximately 11%.

13. **Technology Services:** The decrease is a result of the closure of the Customer Support Center (CSC) and the elimination of 2-FTE Customer Support Specialist positions that were funded using the department's Desegregation allocation. The net change in the budget for the department is a decrease of $140,000, or approximately 19%.

14. **Transportation:** Although there is a decrease in 9.65-FTE due to a realignment of the department's needs for Transportation Bus Drivers, the overall budget is increase by approximately $195,000, or 2%, due a Governing Board-approved salary increase for all bus drivers in the 2025-26 fiscal year, which is a permanent raise for these positions.

V. IMPACT ANALYSIS: IMPACT ON PROTECTED CLASSES (AFRICAN AMERICAN, LATINO/A, INCLUDING ENGLISH LANGUAGE LEARNER STUDENTS)

A. Impact on Effectiveness of USP Program or Activity

District staff reviewed the proposed budget adjustments to evaluate whether the changes would reduce access, participation, staffing, instructional supports, transportation services, or educational opportunities for African American and Latino/a students, including English Language Learners.

Based on this review, the District did not identify any disproportionate adverse impacts on protected student groups. The proposed budget does not eliminate any core USP-authorized programs or services. Services that are

proposed for reallocation from Desegregation funding to Maintenance & Operations Override funding will continue to be provided at substantially the same service levels.

The integration of the Multicultural Curriculum Department into the Culturally Relevant Pedagogy and Instruction Department is not expected to reduce the availability of multicultural curriculum supports, instructional resources, or professional development activities. These functions will continue under the organizational structure of the CRPI Department.

Similarly, the transition of academic interventionist positions from Desegregation funding to Override funding will not reduce the availability of literacy or mathematics intervention services provided to students. These positions will continue serving schools and students during the 2026-27 fiscal year.

B. Impact on Other District Programs or Obligations under the USP

Below are the anticipated impacts, if any, on the effectiveness of any other USP activity:

1. **Compliance and Good Faith:** No expected impact. Compliance and monitoring requirements will continue unchanged.

2. **Student Assignment:** No expected impact on school boundaries, magnet schools, and applications.

3. **Transportation:** No expected impact on student transportation services. While there is a reduction in the number of positions, these are vacant positions that do not have any routes assigned.

4. **Administrative and Certified Staff:** RtI and academic interventionist positions represent much of the shift from Desegregation to Override funding. The number of positions will not be reduced for the 2026-27 fiscal year.

5. **Quality of Education:** While RtI and academic interventionist positions will be shifted to another district funding source, these positions will continue their work to provide support in core content areas with students identified as minimally proficient.

6. **Discipline:** No expected impact on discipline-related outcomes. All support for the disciplinary process remains in place.

7. **Family and Community Engagement (FACE):** No expected impact on FACE structures or programs.

8. **Extracurricular Activities:** No expected impact on participation in extracurricular activities.

9. **Facilities and Technology:** No expected impact on the ability for the district to respond to educational technology, technology expansion, and facilities management needs. Two Customer Support Center (CSC) positions will continue in Technology Services, Transportation, and

   Facilities. The Facilities Management Department will continue to focus on the growing demands of the district's infrastructure using an increased availability of Unrestricted Capital Outlay and Bond Program funds.

C. Data Sources & Assumptions

The District's analysis relied upon proposed staffing allocations, departmental budget requests, service delivery models, enrollment projections, organizational restructuring plans, and planned program operations for the 2026-27 fiscal year.

Because the proposed budget primarily involves funding source reallocations, organizational restructuring, staffing realignments, and operational adjustments rather than reductions in student services or program availability, the District determined that a separate student achievement analysis was not necessary to evaluate the anticipated impact of the proposed actions.

District staff reviewed the proposed changes to determine whether they would result in reduced access to services, diminished educational opportunities, or disproportionate impacts on African American, Latino/a, or English Language Learner students. No such impacts were identified.

VI. ANTICIPATED OUTCOMES

The District anticipates that USP-supported services and activities will continue at substantially the same service levels during the 2026-27 fiscal year. The proposed budget does not include the elimination of any core USP-authorized programs and does not anticipate reductions in student access to educational supports funded through the Desegregation budget.

The proposed reallocation of certain positions and activities to Maintenance & Operations Override funding is expected to preserve services while increasing the financial flexibility and sustainability of the Desegregation Fund. The organizational restructuring associated with the integration of the Multicultural Curriculum Department into the Culturally Relevant Pedagogy and Instruction Department is expected to maintain continuity of services while improving alignment between curriculum, instruction, and professional learning initiatives.

Based on the District's review, the proposed 2026-27 Desegregation budget maintains the District's capacity to implement the requirements of the USP. The District did not identify any disproportionate adverse impacts on African American, Latino/a, or English Language Learner students and anticipates continued delivery of USP-supported programs and services throughout the 2026-27 fiscal year.

VII. CONCLUSION

The District reviewed the proposed 2026-27 Desegregation budget to assess whether the recommended budget adjustments would result in reduced access to services, diminished educational opportunities, or disproportionate adverse impacts on African American, Latino/a, or English Language Learner students. Based on that review, the District determined that the proposed budget primarily reflects funding source reallocations, organizational restructuring, staffing realignments, and operational adjustments rather than reductions in USP-authorized programs or services.

The District does not anticipate any material adverse impact on the implementation of the Unitary Status Plan or the educational opportunities available to protected student groups. Services currently funded through the Desegregation budget that are proposed for transition to Maintenance & Operations Override funding will continue to be provided at the same service levels. Likewise, the integration of the Multicultural Curriculum Department into the Culturally Relevant Pedagogy and Instruction Department is intended to maintain

TUCSON UNIFIED
SCHOOL DISTRICT

continuity of services while improving organizational alignment and operational efficiency.

Based on the information available at the time of this analysis, the District concludes that the proposed 2026-27 Desegregation budget maintains its capacity to fulfill the requirements of the Unitary Status Plan, continue supporting USP-authorized activities, and advance the District's commitment to providing equitable educational opportunities for all students.

State benchmark, MOWR grant obligations

5

Review Usage Data

District snapshot data reflecting SY 2025-26 district engagement with curriculum platforms.

6

Staff Recommendation & Board Action

Approve all five textbook and supplemental materials with a commitment to stakeholder-informed review for SY 2027-2028

Screen Time & Online Learning: The National Conversation

The pushback TUSD families and teachers are expressing mirrors a rapidly growing national movement around in-classroom screen time.

WHAT RESEARCH TELLS US

Science is nuanced

Studies link passive entertainment screen time to attention deficits and lower academic outcomes, but well-designed educational tech with clear learning goals shows benefits for math and reading (Scientific American, 2026).

Health concerns documented

Research links excessive screen use in children to sleep disruption, reduced physical activity, and emotional dysregulation (PeerJ, 2025; NIH, 2025).

Educational tech differs

Researchers distinguish between passive consumption (harmful) and active, purposeful learning tools, the category i-Ready and IXL fall into. (beneficial)

Brookings Institution (2026)

Recent research cited by school boards nationally reports that risks of AI/ed-tech can outweigh benefits when implementation lacks intentionality.

WHAT DISTRICTS ARE DOING

Restricting in-class technology

Missouri, Utah, LA Unified, Bend-La Pine, Medford, and others have moved to restrict classroom technology use, particularly following post-COVID expansion (OPB, May 2026).

Cell phone bans expanding

At least 31 states now require districts to restrict student cellphone use in schools (Education Week, 2025).

National PTA data (2024)

Parents report uncertainty about how much screen time their children experience during the school day, amplifying demand for transparency.

TUSD's position

TUSD is not alone in navigating this tension. The question is not whether ed-tech belongs in schools, but which tools are worth the investment.

Stakeholder Involvement Plan for 2026-2027

C&I leadership will engage the following stakeholder groups to ensure decisions are grounded in our district context during the 2026-2027 School Year. Student groups will be engaged directly at school sites:

Teacher Focus Groups

Classroom teachers will be engaged in structured focus groups to share firsthand experience with each platform — what is working, what is not, and what alternatives they would support. Input will be collected across grade bands and content areas.

Principal Input

School principals will provide site-level perspective on implementation fidelity, staff capacity, and the operational realities of running these platforms across diverse school communities within TUSD.

TEA — Tucson Educator Association

The Tucson Education Association will be a formal part of this process. Any platform changes that affect teachers' working conditions or assessment responsibilities have collective bargaining implications that require early and ongoing union engagement.

Family Engagement

Families will have an opportunity to share their perspectives — particularly around screen time, technology use in the classroom, and the platforms their students interact with daily. Student groups will be engaged directly at school sites to ensure the student voice is centered in our recommendations. Community voice will inform and strengthen our recommendations.

Student Groups

C&I will meet directly with student groups at school sites — capturing firsthand perspective on platform use and learning experience to center student voice in SY 2026-27 recommendations.

Stakeholder input will be synthesized into a recommendation report shared with the Board in January 2027.

Textbooks and Supplemental Materials Under Consideration

The Board is asked to approve the following textbooks and supplemental materials for continued district-wide use:

Edmentum (APEX) *Credit Recovery & TUVA*	Supports TUVA (Tucson Virtual Academy) and Credit Recovery programs across the district. Provides online, self-paced coursework enabling students to recover credits or access virtual learning pathways. Note: The District will be going for an RFP in 2026-27.
Canvas *Learning Management System (LMS)*	The district's primary Learning Management System, widely used across schools to manage assignments, communicate with students, and house instructional resources across grade levels.
Eureka Math Textbook & Digital Resources *Core Math Curriculum*	TUSD's core math curriculum. Digital bundles provide students access to materials and assessments in an online format, supporting both classroom instruction and at-home practice. Digital bundle also provides teacher led Math Intervention Curriculum.
IXL *Tier 1 Supplemental*	Widely used across the district to support Tier 1 instruction. Provides adaptive, standards-aligned practice in reading and math.
i-Ready *Diagnostic & Benchmark*	Serves as the district's diagnostic assessment, State benchmark tool and supports Tier 2 and Tier 3 intervention.

Textbooks and Supplemental Materials Under Consideration

The following four platforms have broad stakeholder support and clear instructional purpose:

Edmentum (APEX)

Credit Recovery & TUVA | SY 2026-27; RFP Planned

› Supports Tucson Virtual Academy (TUVA) — the district's online learning program

› Provides Credit Recovery coursework for students who need to recover course credits

› Self-paced, online format supports flexible learning pathways

› Serves students who cannot access traditional classroom settings

Canvas

Learning Management System

› District's primary LMS — widely adopted across schools at all grade levels

› Manages assignments, grades, communication, and instructional resources

› Supports teacher workflow and student access to course materials

› Integrates with other district platforms and state systems

Eureka Math

Core Math Curriculum — Digital Bundles

› TUSD's adopted core math curriculum — digital bundles extend student access

› Students can access instructional materials and assessments online

› Supports at-home practice

› Math Catalyst (district-approved intervention) supports Eureka Math implementation

IXL

Tier 1 Supplemental

› Widely used across the district to support Tier 1 reading and math instruction

› Adaptive, standards-aligned — students work at their instructional level

› Familiar to staff and students

Understanding i-Ready in TUSD

CURRENT PLATFORM ROLE

District-Wide Diagnostic Tool
The iReady diagnostic Tool identifies a student's current skill levels and learning needs in reading and mathematics.

Used as the District Benchmark Assessment
Provides the standardized benchmark data required by the State of Arizona for annual reporting purposes.

MOWR Grant Requirement
Satisfies the diagnostic assessment and intervention mandate under the Move on When Reading (MOWR) grant.

Collective Bargaining Agreement
Use of i-Ready as our benchmark is embedded in the current MOU with TEA.

Used to support small group instruction by the teacher
I-Ready provides targeted skill lessons identified by the diagnostic results. Teachers can use it as a tool for reading and math to support targeted tier 2 and tier 3 small group instruction.

Risks of Not Approving i-Ready for K-8

Removing i-Ready without an approved replacement creates immediate compliance and operational gaps districtwide:

No State-Required Benchmark

Arizona requires districts to administer a benchmark assessment aligned to state standards and with the State's Balanced Assessment Framework. Without i-Ready, TUSD would lack an approved instrument for annual State reporting, potentially triggering compliance findings. This includes Title I, 21st Century, MOWR, and letter grade appeals on behalf of schools.

MOWR Grant Non-Compliance

The Move on When Reading (MOWR) grant mandates the use of a qualifying diagnostic assessment and approved intervention re. Failure to maintain an approved diagnostic and intervention tool will place grant funding at risk.

Loss of District-Wide Data

i-Ready currently provides universal screening data across all K-8 schools simultaneously. Without it, the district loses the ability to compare student performance across sites and identify subgroup trends in real time. It is the single progress measure the district uses to monitor school growth and performance throughout the year.

Collective Bargaining Implication

The use of i-Ready as a benchmark tool is embedded in the current agreement with TEA. Any changes must be discussed accordingly, which takes time and may create a gap period.

Staff Recommendation & Board Action

STAFF RECOMMENDATION | Approve All Five Textbooks and Supplemental Materials with the understanding that district will engage stakeholders and provide Board with recommendations by January 2027.

Edmentum (APEX)

Supports TUVA and Credit Recovery — approve for continued district use

Canvas

District LMS, widely adopted across all schools — approve for continued use

Eureka Math

Core math curriculum with digital bundles — approve for continued use

IXL

Tier 1 Supplemental— approve for continued district-wide use

i-Ready

Diagnostic & benchmark — approve with stakeholder engagement plan; SY 2026-27 review informed by community input

Stakeholder Engagement Commitment

Following board approval, C&I will convene teacher focus groups, principal input sessions, student focus groups, TEA, and family engagement to gather community-grounded recommendations on the continued use of digital platforms — ensuring any future decisions for SY 2027-28 reflect stakeholder voice.
Board Consideration: Without a strategic plan for removal of approved platforms, our educators will be left without the resources or trainings to best support students.

Stakeholder input will be synthesized into a recommendation report shared with the Board in January 2027.

Curriculum Associates

Information on Professional Learning Sessions

Protecting the health and safety of the educators we serve and their students, as well as the health and safety of our employees, is of paramount importance to Curriculum Associates. In the event of a (i) government-declared public health emergency or (ii) weather event, that materially impacts in-person instruction, sessions may transition to a virtual format. Curriculum Associates' policy is to only provide PL sessions in person where one of our employees can reach the session site by car and where adequate safety measures are in place to protect the health of our session leaders and participants. Curriculum Associates reserves the right to switch any session from in-person to virtual if we cannot safely reach a session site, or if adequate health safety measures cannot be put in place.

If your school or district will not permit visitors at the time of a scheduled session, Curriculum Associates would be happy to provide an equivalent live, virtual session via videoconference. Similarly, Curriculum Associates will comply with your school or district's health and safety requirements regarding on-site visitors if we are given adequate advance notice.

Any questions regarding scheduling in-person or virtual training sessions should be directed to pdoperations@cainc.com.

Dedicated Professional Development Terms of Service
Last Updated March 15, 2022

The following Professional Development Terms of Service ("TOS") apply to Curriculum Associates' provision of Dedicated Professional Development Services (or "Dedicated PD Services") to you, if you have purchased those services pursuant to one or more price quotes and/or an agreement, as applicable (collectively, the "Agreement"). Except as expressly stated in these TOS, the Agreement shall govern Curriculum Associates' provision of Dedicated PD Services. Except as otherwise provided herein, in the event of any conflict between these TOS and the Agreement, the terms of the Agreement shall prevail.

By scheduling and receiving Dedicated PD Services, you agree, on behalf of your organization, to abide by these TOS. All references to "You" or "you" in these TOS refer to your organization, which has elected to procure Dedicated PD Services from CA. All authorized users within your organization are expected to comply with these TOS.

If you license i-Ready® and/or Teacher Toolbox, the *i-Ready Terms of Use,* available at http://www.i-ready.com/support, apply to your access to and use of those digital products and services.

Scope of Services.
Upon receipt of a purchase order or an official Letter of Intent to pay, Curriculum Associates will provide its Dedicated PD Services to you for up to four (4) days a week, for up to thirty-four (34) school weeks (*i.e.*, weeks in which your school is in session), at times mutually agreed upon by you and Curriculum Associates. This service can be provided at the school or district level and is coordinated via ongoing conversations with district decision makers.

You acknowledge that the fees for the Dedicated PD Services are paid by you to secure the availability of the Curriculum Associates personnel as well as the time and effort spent by Curriculum Associates on the Dedicated PD Services. Days not utilized for a given day or week cannot be banked, accumulated, or saved for subsequent weeks.

Service Period; Onboarding Meeting.
Prior to the academic year, personnel from you and Curriculum Associates will meet initially (the "Onboarding Meeting") to determine which thirty-four (34) week period of school weeks will be the 34-week period in which you will receive the Dedicated PD Services (and such period of time is, the "Service Period"). In order to accommodate Curriculum Associates' staff planning, the Service Period is fixed and not adjustable after the Onboarding Meeting, unless otherwise agreed upon by Curriculum Associates at its discretion. For staff-planning purposes, this Onboarding Meeting will occur at least eight (8) weeks prior to the start of the academic year in order to provide Dedicated PD Services for the start of the academic year.

Likewise, in order to properly staff for your Dedicated PD Services, if you do not complete your purchase of the Dedicated PD Services before April 1st, Curriculum Associates may not be able to offer the Dedicated PD Services to you, and Curriculum Associates cannot guarantee that it will be able to offer Dedicated PD Services in time for the start of your upcoming academic year.

Service Days.
As mentioned above in the "Scope of Services" section, each week during the Service Period will include up to four (4) days of Dedicated PD Services. A "day" refers to one or more sessions with educators, up to six (6) hours. Each day is supplemented by back-office work by CA's professional-development personnel.

You agree to coordinate with Curriculum Associates to confirm all sessions at least two (2) weeks in advance. Sessions cancelled within two (2) weeks of the scheduled date for such services may not be rescheduled, except in cases of inclement weather or other circumstances beyond your control. Likewise, un-scheduled or un-attended sessions during the Service Period may not be rescheduled or reimbursed. The Dedicated PD Services are provided at your request, and you are responsible for ensuring that the Dedicated PD Services are suitable to your own needs.

If a special, additional project is required in a given week, you may purchase an individual professional-development session, or an additional day of your weekly allotment of Dedicated PD Services may be deemed expended for the special project, as mutually agreed upon.

Personnel.
Curriculum Associates will provide to you appropriately qualified person(s) who will provide services in a professional manner. Curriculum Associates will undertake commercially reasonable efforts to maintain the continuity of the person(s) assigned to your account for the delivery of Dedicated Professional Development Services. A substitution of personnel might be occasionally made when vacations and/or internal professional development trainings are scheduled, or if personnel are unavailable for other reasons. In addition, a different person might be chosen based the expertise needed to provide you with requested services. Unless otherwise agreed or specified in the applicable description, all services are performed virtually. Curriculum Associates will control the method and manner of performing the Dedicated PD Services. You are responsible for ensuring that you provide Curriculum Associates' professional-development personnel with any necessary physical and systems access, or any other assistance as reasonably required, and you are obligated to make your staff available to receive the Dedicated PD Services each week during the Service Period (as defined below).

Payments.
Payment terms for the Dedicated PD Services are as set forth in the Agreement. Unless otherwise expressly stated in the Agreement, all fees for Dedicated PD Services are due and payable in advance. Such fees are non-cancellable and non-refundable unless otherwise agreed upon by the parties. In the event that the Agreement is terminated prior to the expiration of the term, Curriculum Associates may, if mutually agreed upon by the parties, provide a pro-rata refund for any full weeks of the agreed-upon service term remaining after termination, calculated on a week-by-week basis.

Confidentiality.
To provide services that meet your specific needs, Curriculum Associates may demonstrate use of our products and services with your specific implementation of our product offerings, such as i-Ready. The Dedicated PD Services are intended for your internal use only, and you agree that those sessions will be attended by your employees only and not by anyone else. For the avoidance of doubt, third party consultants and advisors, and competitors of CA may not attend any sessions provided as part of the Dedicated PD Services.

Intellectual Property.
Notwithstanding anything to the contrary in the Agreement, all right, title and interest in any and all materials provided under the Agreement, including, without limitation, any print materials, digital materials or online offerings, and all intellectual property rights therein, are and will remain with Curriculum Associates, and you have

no right, license, or authorization except for the limited license right to use such materials in accordance with the usage terms for Curriculum Associates software and services, as further set forth in the Agreement.

Liability.
ALL DEDICATED PD SERVICES ARE PROVIDED “AS IS” AND NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THE AGREEMENT, CURRICULUM ASSOCIATES HEREBY DISCLAIMS ALL WARRANTIES RELATED TO SUCH DEDICATED PD SERVICES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT.

Choice of Law and Jurisdiction.
These TOS shall be governed by and construed in accordance with the laws of the Commonwealth of Massachusetts, without reference to any conflict of law principles. You hereby submit to the exclusive jurisdiction of the federal and state courts located in the Commonwealth of Massachusetts for any disputes or claims arising out of your use of the Dedicated PD Services or these TOS.

ARTICLE EIGHTEEN

18 NON-DISCIPLINARY ACTION, DISCIPLINE AND DISMISSAL FOR MISCONDUCT

18-1 Rules

A. Violations of the rules, regulations, or policies of the Governing Board or of state and federal laws may result in disciplinary action which shall be in accordance with these rules.

B. The Governing Board or designee(s) reserves the right not to discipline an employee for a violation of the rules, regulations, or policies of the Governing Board.

C. An employee may be disciplined for just cause including, but not limited to the following reasons:

1. Conduct which is a violation of any of the applicable rules, regulations, and policies of the Governing Board.
2. Conduct which fails to comply with any applicable duties as set forth in the Arizona Revised Statutes.
3. Insubordination.
4. Unprofessional conduct including but not limited to:
    a. Physical and/or verbal abuse of a pupil.
    b. Being under the influence of or using alcohol or illegal drugs while on duty.
    c. Conduct while on duty which would constitute a criminal offense.
    d. Conviction of a felony.
    e. Unauthorized absences which result in responsibilities not being performed.
    f. Misuse or unauthorized use of District property.

D. When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. It is, however, reasonable for a supervisor to await a final determination from an outside agency (such as law enforcement, a court, or other state or federal agency) before determining if discipline is appropriate. A notice of intent to impose discipline should be issued within five (5) days after receipt of the employee's response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

18-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct employees on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

A. Informal conference

A Supervisor will meet with employee informally via phone, in-person or via email to discuss minor behavior infractions that do not warrant discipline.

B. Letters of Direction

1. Will serve as a warning to an employee that there may be a need to take further disciplinary action should the conduct continue or repeat.
2. When an employee transfers or relocates, said letter may be transmitted to the files of the new supervisor only after the transfer or relocation has been completed.
3. After six months from the date of the letter of direction, at the written request of the employee, the letter of direction shall be removed from the files of the supervisor provided that both of the following conditions are met:
   a. The action leading to the letter of direction, or any related action, has not been repeated in the six-month period following the letter of direction;
   b. No other letter of direction has been placed in the employee's file(s) in the six-month period following the letter of direction.

18-3 Progressive Discipline

A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct employees about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).

B. The normal sequence of disciplinary action shall be as follows:

1. Written Reprimand I;
2. Written Reprimand II;
3. Suspension without pay for up to ten (10) days;
4. Termination;
5. It is recognized that some offenses may be sufficiently serious as to warrant the omission of one or more of the normal steps of discipline progression.

C. The District may forego non-disciplinary action and take immediate action if:

1. Employee is charged by criminal complaint, information or indictment of any criminal offense which would be deemed cause for dismissal.

2. The employee's offense is of such serious nature that failure to take immediate action would seriously disrupt the functioning of the workplace. Such offenses include, but are not limited to, unprofessional or immoral conduct as defined in the Arizona Administrative Code.

D. Whenever disciplinary action is taken against an employee, the employee may appeal by filing a grievance at Level III to the Employee Relations Department within ten (10) days for reprimand and 30 calendar days for suspension.

E. Any discipline of an employee by a supervisor, shall be conducted in private. No employee shall be reprimanded and/or disciplined in the presence of pupils, parents, other employees or the public.

18-4 Letters of Reprimand

Upon determination by a supervisor that there exists cause to impose discipline, the supervisor will notify the employee of the intent to impose discipline and schedule a meeting for issuance of the Written Reprimand. The reprimand will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and that failure to correct will result in more severe discipline. A copy will be placed in the employees official personnel file, one copy will be given to the employee and one copy will be retained by the supervisor.

18-5 Suspension

If infraction(s) persist(s) or if the conduct is sufficiently severe warranting further discipline, the employee will be notified and a meeting scheduled to give the employee written notification that they have failed to improve and that suspension is being issued without pay. The notification will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and state that failure to correct such behavior may result in termination. A copy will be given to the employee and a copy will be placed in the employee's official personnel file.

18-6 Pre-Termination Hearing

Prior to termination for misconduct, a pre-termination hearing will be held. The employee will be notified in writing that the employee is immediately suspended with pay and that a hearing will be scheduled. Following the hearing, the decision of the supervisor will be communicated to the employee and the Human Resources Department. If termination is initiated, this decision will be communicated to the employee by U.S. mail. The employee will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter.

18-7 Termination

If the decision is to terminate the employee, the decision will be communicated by U.S. mail. The employee will be paid through the termination date which shall be no earlier than the day following the Pre-Termination Hearing. Termination can be appealed by filing a grievance directly at Level III to the Employee Relations Department within ten (10) days of the date of the mailing, plus two days. The employee will be notified of the appeal process.

It is expected that management will follow the disciplinary steps based on the severity of the incident. Disciplinary steps may or may not be given in sequence and variations from these practices may occur including immediate termination, when in the District's sole discretion, the circumstances warrant, when an employee receives a disciplinary action they do not agree with, the grievance process may be utilized to achieve a fair and impartial outcome.

18-8 Written Reprimand Retention

At the request of the employee, a letter of reprimand shall be removed from their personnel file provided:

A. The action leading to the reprimand, or any related action, has not been repeated in an eighteen (18) month period following the reprimand;

B. No other letter of reprimand has been placed in their personnel file in an eighteen (18) month period following the reprimand.

C. Any discipline issued as a result of physical abuse against a student shall remain in the employee's official personnel file and is not subject to removal for five (5) years from the date of the Level III decision or a Memorandum of Agreement signed by the employee's respective bargaining group and TUSD has been received by the Office of Employee Relations. Removal is permitted after five (5) years at the request of the employee and provided no additional reprimands have been issued during this period.

18-9 Participation

Employees participating in the discipline and dismissal proceedings shall receive their regular rate of pay for the actual time spent during their regularly scheduled workday to attend scheduled discipline conferences.

e. Unauthorized absences which result in responsibilities not being performed.

D. When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. A notice of intent to impose discipline should be issued within five (5) days after receipt of the employee's response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

18-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct employees on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

   b. No other letter of direction has been placed in the employee's file(s) in the six-month period following the letter of direction.

18-3 Progressive Discipline

A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct employees about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).

B. The normal sequence of disciplinary action shall be as follows:
- **1.** Written Reprimand I;
- **2.** Written Reprimand II;
- **3.** Suspension without pay for up to ten (10) days;

C. The District may forego non-disciplinary action and take immediate action if:
- **1.** Employee is charged by criminal complaint, information or indictment of any criminal offense which would be deemed cause for dismissal.

- **2.** The employee's offense is of such serious nature that failure to take immediate action would seriously disrupt the functioning of the workplace. Such offenses include, but are not limited to, unprofessional or immoral conduct as defined in the Arizona Administrative Code.

D. Whenever disciplinary action is taken against an employee, the employee may appeal by filing a grievance at Level III to the Employee Relations Department within ten (10) days for reprimand and 30 calendar days for suspension.

The reprimand will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and that failure to correct will result in more severe discipline. A copy will be placed in the employees official personnel file, one copy will be given to the employee and one copy will be retained by the supervisor.

18-5 Suspension

If infraction(s) persist(s) or if the conduct is sufficiently severe warranting further discipline, the employee will be notified and a meeting scheduled to give the employee written notification that they have failed to improve and that suspension is being issued without pay. The notification will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and state that failure to correct such behavior may result in termination. A copy will be given to the employee and a copy will be placed in the employee's official personnel file.

18-6 Pre-Termination Hearing

Prior to termination for misconduct, a pre-termination hearing will be held. The employee will be notified in writing that the employee is immediately suspended with pay

and that a hearing will be scheduled. Following the hearing, the decision of the supervisor will be communicated to the employee and the Human Resources Department. If termination is initiated, this decision will be communicated to the employee by U.S. mail. The employee will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter.

18-7 Termination

If the decision is to terminate the employee, the decision will be communicated by U.S. mail. The employee will be paid through the termination date which shall be no earlier than the day following the Pre-Termination Hearing. Termination can be appealed by filing a grievance directly at Level III to the Employee Relations Department within ten (10) days of the date of the mailing, plus two days. The employee will be notified of the appeal process.

It is expected that management will follow the disciplinary steps based on the severity of the incident. Disciplinary steps may or may not be given in sequence and variations from these practices may occur including immediate termination, when in the District's sole discretion, the circumstances warrant, when an employee receives a disciplinary action they do not agree with, the grievance process may be utilized to achieve a fair and impartial outcome.

18-8 Written Reprimand Retention

At the request of the employee, a letter of reprimand shall be removed from their personnel file provided:

A. The action leading to the reprimand, or any related action, has not been repeated in an eighteen (18) month period following the reprimand;

B. No other letter of reprimand has been placed in their personnel file in an eighteen (18) month period following the reprimand.

3. It shall state the relief requested.
4. It shall be signed and dated by the grievant.

A. Within ten (10) days after receiving the written decision of the immediate supervisor or designee, (or within twenty (20) days from the date the Level I was filed if there was no written response to the Level II), the grievant may, either in person or through the representative, submit a written appeal from the immediate supervisor's decision to the Director of Employee Relations. Said appeal shall be accompanied by copies of the original claim of grievance and the immediate supervisor's written decision and shall state with particularity objections to that decision. C. The Director of Employee Relations and the Association shall submit the issue and schedule a hearing date with the selected arbitrator within ten (10) days of filing of the grievance at Level IV.

C. The fees and expenses of the arbitrator shall be borne equally by the parties. All other expenses shall be borne by the incurring party.

A. Failure at any step in this procedure to communicate the decision to the grievant by management within the specified time limit shall permit the grievant to proceed to the next step.

B. Failure at any step to appeal a grievance to the next higher step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Time limits specified in the grievance procedure may be extended in any specific instance only by mutual written consent of both parties.

7-10 Reprisals

No reprisals shall be taken by the District or the Association against a grievant or witness(es) because of participation in the grievance procedure.

7-11 Group Grievance

If, in the judgment of the Association representative, the grievance affects a defined group of ESPs, the Association may pursue the grievance at Level III. ARTICLE EIGHT
RECRUITMENT/SELECTION PROCESS

8-1 Vacancies

A. It is recognized that all position vacancies within the bargaining unit may represent a promotional opportunity for some bargaining unit member. Therefore, in recognition of the fact that the District encourages internal promotions/transfers in pursuing its intent to hire the best qualified person, the following procedures shall apply in filling all vacancies within the bargaining unit:
1. Positions held by ESPs on leave status lasting over twelve (12) months will be considered vacancies and will be posted. When it is known a leave will extend beyond twelve (12) months, the position may be posted after the end of the eleventh (11) month.
2. All vacancies shall be filled within twenty (20) days from close of posting except as provided in 8-1(3) below.

D. When an ESP voluntarily demotes (through the application process), the ESP will be placed in the new grade and classification at the step at which the ESP is currently paid in the classification being exited, relative to the starting step for that given position. This action will not be utilized as an alternative to disciplinary action.

8-4 Application

A. Any ESP meeting the minimum qualifications may apply for a vacancy by submitting an electronic application online on or before the advertised closing date.

B. The five most seniorAll ESPs who apply and meet the posting criteria, shall be forwarded for consideration to the hiring authority along with any other candidates who meet the same requirements. Not less than three of the five most senior ESPs shall be interviewed.

C. An ESP wishing to transfer to a vacant position elsewhere in the district in their same classification shall apply online by completely submitting an electronic application on or before the closing date of the position. Applications that meet the minimum requirements will be forwarded to the hiring authority for consideration.

D. Teacher Assistants shall not be assigned to a teacher without the teacher's participation in the selection process, unless the teacher is not available at the time of assignment, or when only one applicant is available for the position.

E. ESPs shall be allowed to flex their time to interview for another ESP position within TUSD.

F. ESPs will be paid their hourly wage if they serve on an interview team at the request of TUSD and/or within their TEA White Collar/Food Service capacity. No ESP shall exceed their guaranteed board approved hours for this service, and ESPs must have prior permission from their Supervisor.

A. The candidates selected for referral shall be interviewed by a committee composed of a gender and ethnically diversified committee of at least three (3) persons including:

1. One (1) employee selected from an Association generated list;
2. The immediate supervisor (Chairperson);
3. A non-administrator/staff member (for a school site vacancy), or an additional non-supervisory employee from the non-school site/department in which the vacancy occurs.

All interview questions or applicable skills tests, if necessary, shall be job-related and approved in advance by Human Resources in consultation with the Department Head.

The Chairman of the interview committee shall forward the name of the applicant being recommended for hire to the hiring authority or designee. No selection process shall be considered completed until Human Resources has reviewed the process and validated the selection.

It is understood, however, that the Board shall have final review and approval for all employment appointments.

Applicants who are interviewed, but not selected, will be notified within fifteen (15) days after the individual selected for the position has accepted, or when the vacancy has been canceled by the District.

B. The interview questions and final overall scores shall be made available for review to the grievant or representative in preparation for Level II grievance proceedings. The ESP will be charged a

No ESP shall be scheduled to regularly work more than forty (40) hours per week.

ARTICLE NINE

RECLASSIFICATION

9-1 Procedure

A. An ESP who feels that their position has undergone a significant change in the kinds of duties, level of responsibility, and/or requirements shall submit a request for review of their position by filling out a Position Analysis Form available from the Human Resources Department. Once the Position Analysis Form is submitted to the supervisor, supervisor has ten (10) days to complete their portion and return it to the ESP. If the supervisor does not return the form within the stated timeline, the ESP shall forward the form to the Human Resources Department and the process will continue.

B. If the Human Resources Department performs an independent position audit, the ESP may also appeal the allocation as defined in 9-2 below.

C. An ESPs position will not be reviewed more than once every two (2) years.

D. The definition of classifications or the assignment of a classification to a pay grade on the wage schedule are matters left to the sole discretion of the District.

E. Within thirty (30) days of receipt of the analysis form, Human Resources shall inform the ESP of receipt. A meeting will be scheduled within thirty (30) days of notification to review their classification. The review may include but not be limited to:

1. Position Description Questionnaire;
2. Interviews;
3. Work Observation.

F. Thirty days following an individual ESPs classification review by the Human Resources Department, the ESP shall be notified in writing of the decision. If Human Resources needs to extend the timeline, the ESP shall be notified in writing of the need for such an extension. Said timelines do not apply to reclassifications submitted to an outside consultant.

9-2 Appeal

If the ESP disagrees with Human Resources' decision, ESP shall within twenty (20) days appeal the decision by corresponding with the Chief Human Capital Officer, specifically stating the reasons for an appeal. The Chief Human Capital Officer shall refer the appeal to the Classification Appeal Board composed of two (2) members appointed by the District and one (1) member appointed by the Association. However, no District appointee who has conducted the evaluation in the reclassification will serve as a voting member on the appeals committee. The Appeal Board shall review the appeal and within thirty (30) days of its receipt submit a recommendation to the Chief Human Capital Officer. The Chief Human Capital Officer shall, within ten (10) days of the Appeal Board's recommendation, correspond with the appealing ESP informing the ESP of the final decision.

The final decision by the Chief Human Capital Officer is not subject to appeal.

9-3 Wage Protection

A. If an ESP is reclassified to a higher grade, the new wage rate for the reclassified ESP will be commensurate with the market average, the responsibilities of the position, job description and experience but not less than five percent (5%).

B. An ESP shall not suffer a reduction in wages when the ESPs classification is changed to a lower grade. The ESP shall be placed at the step which is equivalent to the current rate of pay in the old classification, or frozen at their current rate of pay in the same classification (off-schedule) for a period not to exceed 12 months.

ARTICLE TEN

EVALUATION

10-1 Purpose

The evaluation is used to critique ESPs for the purpose of improving services in the District. This evaluation may be done on an annual basis or more frequently if necessary. The evaluation may provide one of the bases for administrative decisions regarding employment, promotion, demotion, or termination.

10-2 Evaluation Process

A. The administrator and/or immediate supervisor shall give a copy of the form to all ESPs, upon request.

B. Evaluation forms shall be completed by the administrator and/or immediate supervisor, discussed with the ESP in a conference, and signed by both**.** At least one evaluation per year shall be completed prior to May 13 for less than 12-month ESPs and prior to June 10 for 12 month ESPs. The original shall be retained in the ESPs file, a copy kept by the immediate supervisor, and a copy given to the ESP within five (5) days of the evaluation conference.

C. Teacher Assistant Evaluation

A teacher shall have input into their assigned teacher assistant's evaluation at least one (1) time per year. The site administrator is responsible for the evaluation.

D. Evaluation conferences shall be held in private away from the presence of pupils, parents, other ESPs, or the public. However, other individuals who are responsible for coordination of an ESPs activities may participate in that ESPs evaluation conferences.

10-3 ESP's Signature

The ESPs signature indicates only that the ESP has seen the written statement and does not necessarily indicate agreement with the contents of the statement(s). No ESP shall be required to sign a blank or incomplete form.

10-4 Rebuttal

An ESP may file objections in writing within ten (10) days of receipt of a copy of the completed form. If objections are filed, they shall be attached to all copies retained by the District.

10-5 Recommendations for Improvement

A. Recommendations for improvement shall be provided to ESPs upon recognition of any deficiencies. Recommendations for improvement shall be offered in writing to guide the ESP toward the solution of such deficiencies.

B. In the event an evaluation results in specific written recommendations for improvement, the ESP and supervisor shall meet within fifteen (15) days to determine a plan of action for meeting the recommendations of improvement. Follow-up evaluations will address progress or lack of progress in areas in need of improvement.

C. Recommendations for improvement shall not be based on any modifications to an ESPs job description if the District failed to notify the ESP of the modification as described in 6-16-A or to provide training as required in 6-16-B within 90 days of the modification.

10-6 Additional Evaluations

In addition to District-initiated evaluations, ESPs shall be provided up to two (2) additional evaluations in a year upon request of the ESP.

10-7 Surveillance
The use of eavesdropping or surveillance methods will not be used for conducting evaluations of ESPs. On school buses, video devices may be used to ensure student safety. The District shall notify the Association regarding the installation/use of any such equipment to be used for student safety. At no time shall the District use the security cameras in a location where ESPs or students have a reasonable expectation for privacy.

10-8 Dismissal or Demotion
Dismissal or demotion of ESPs for performance deficiencies shall not be without just cause.

10-9 Pre-Termination Hearing
Prior to termination for performance deficiencies, a hearing will be held. An ESP will be notified in writing that they are immediately suspended with pay and that a pre-termination hearing is scheduled. Following the hearing, the decision of the supervisor will be communicated to the ESP and Human Resources. If termination is initiated, this decision will be communicated to the ESP by certified mail and a Personnel Action Form will be submitted to Human Resources. The ESP will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter. Dismissal can be appealed by filing a grievance directly at Level III.

ARTICLE ELEVEN

INVOLUNTARY ADJUSTMENT OF WORK

11-1 If the economic or efficient operation of the District makes it necessary to reduce the work force in any classification, attrition will be utilized as the first means of reducing the staff. If additional reduction is necessary, initial probationary, temporary and substitute ESPs in the affected classification at the site shall be laid off. If additional reduction is necessary after attrition and the layoff of temporary and/or substitute ESPs, then ESPs may be reduced in hours or months of employment, transferred, or laid off in accord with this Agreement. No involuntary adjustment of work shall be arbitrary, capricious, or without basis in fact. An involuntary adjustment of work shall not be used as a substitute for evaluation or disciplinary action.

A. Exceptions - Involuntary Transfer

1. When established exceptional education classes and their teachers are relocated to a new site, the exceptional education teacher assistant can relocate along with the class, provided the position continues to be budgeted.
2. In exceptional education situations where an exceptional education teacher assistant has been assigned on a one-to-one basis with a student and that student is relocated to a different site, the teacher assistant may relocate with the student, provided the position continues to be budgeted.

B. If an involuntary transfer within the same classification is not available, the ESP will be given the option of transferring to a vacant position in a comparable classification in which the ESP meets minimum qualifications or moving to a vacant position in a classification previously held within the bargaining unit by exercising their District seniority.

C. An ESP transferred in this process is not guaranteed the same number of months, days, or hours in the new assignment. Under no circumstance will an ESP be offered a position of less than four hours per day.

D. Under no circumstance shall an ESP be transferred into a classification that will result in a promotion, unless the previous classification has been upgraded through the reclassification process.

E. If after following all steps outlined above, there is no vacancy for an ESP the ESP shall be laid off pursuant to Article 12 below.

11-2 Involuntary Work Adjustment

If it becomes necessary for the district to involuntarily adjust an ESPs work assignment, the ESP within that classification, at that site, with the least classification seniority shall be the ESP affected.

1. Every effort will be made to maintain the ESPs scheduled hours (months & hours).
2. Under no circumstances will an ESP be offered a position of less than four (4) hours per day.
3. ESP shall be notified not less than twenty (20) days prior to a reduction.

ARTICLE TWELVE

LAY OFF

12-1 Procedures

A. If it becomes necessary to reduce the workforce of any classification in the bargaining unit, temporary and initial probationary employees occupying the affected classifications at the site shall be laid off first. Order of layoff shall be in the inverse order of classification seniority at the site.

B. The district shall notify the association and affected ESP(s) of a layoff as far in advance as possible, but at least four weeks in advance.

C. Laid off ESPs shall be recalled to their classification in the inverse order of layoff before a position within the affected classification is filled by promotion or initial hiring.

12-2 Recall

A. All temporary/substitute assignments shall be offered to be laid off ESPs on recall, in order of seniority, before any other person is offered a temporary/substitute assignment within the affected classification. Work as a substitute or temporary will not affect recall rights to a white collar/food service position.

B. The District shall maintain, as public record, a list of all ESPs who have retained recall rights. The list shall include the ESP's name, classification title, and date of hire into the District.

C. An ESP who is recalled from layoff shall be notified by phone or by mail at the phone number or address on file in the Human Resources department. The ESP is responsible for maintaining a current contact information in the human resources department. If the ESP does not contact the district's Human Resources Department within five (5) days from date of the letter, the offer will be rescinded. If the recall letter is returned as unclaimed, the district's obligation ceases. If the ESP accepts the offer of recall, they shall be available to work within ten (10) days of acceptance.

D. Individuals shall retain recall rights equaling the affected ESPs length of service up to a maximum of twelve (12) months from the day of layoff unless the ESP expressly withdraws in writing from the recall list. Individuals will have a date of hire and bargaining unit seniority as if they were not laid off. If, however, the individuals on layoff are not recalled within the eligibility time, their employment with TUSD shall be terminated and the District will not be obligated to provide seniority as defined above if hired into a different classification at a later date.

E. An ESP in a classification affected by a layoff shall retain recall rights in that classification. Laid off individuals shall be recalled in order of district seniority. If through a classification study a position, title, and/or responsibilities change significantly, the ESP shall be recalled to a position representative of the new classification category if minimum qualifications are met.

12-3 Order of Recall

A. Before any vacant full-time, twelve (12) month position is filled pursuant to Article 8 (Recruitment/Selection), the position shall be offered to be laid off full-time, twelve (12) month ESPs who meet the minimum qualifications. Laid off individuals shall be recalled in order of

District seniority. Recall of any full-time, twelve (12) month ESP to a position of less than full-

B. time, twelve (12) months shall not eliminate the right of recall to a full-time, twelve (12) month position during the twelve (12) month period following recall.

C. Promotion
Under no circumstances will recall to a position result in a promotion.

12-4 Insurance Coverage and Continuation
When recalled ESPs return to work, all benefits including the appropriate step at the time of the layoff, shall be reinstated, and shall become effective the first day of the month after recall. While on layoff status, an ESP shall be allowed to participate in the COBRA insurance programs at their own expense.

12-5 Lay Off Protection

A. All regular part-time and full-time ESPs hired on or before August 16, 2000, shall not be laid off.

B. An ESP on layoff status is entitled to compete for any posted vacancy, provided they meet the qualifications. An ESP accepting a lower grade position shall retain recall rights in the position affected by the reduction. An ESP recommended for a position that would result in a promotion must notify the Human Resources Department within ten (10) days following the assignment to the new position if they wish to retain recall rights to the classification from which they were laid off. Failure to notify the Human Resources Department will result in the loss of recall rights to the previous classification.

12-6 Contracting Out
Before the District issues a contract for work currently being performed by bargaining unit employees or new work which is the same or similar to current bargaining unit work, its representatives will meet with representatives of the Association to discuss the reasons for the contracting decision and give the Association representatives the opportunity to present their suggestions for alternative ways of performing the work.

Any ESP who is covered by lay off protection and whose job is eliminated by contracting out shall not be laid off as a result of such job elimination.

ARTICLE THIRTEEN
NON-DISCIPLINARY ACTION, DISCIPLINE AND DISMISSAL FOR MISCONDUCT

13-1 Rules

A. Violations of the rules, regulations or policies of the Governing Board or of state and federal laws may result in disciplinary action which shall be in accordance with these rules.

B. The Governing Board or designee(s) reserves the right not to discipline an ESP for a violation of the rules, regulations or policies of the Governing Board.

C. An ESP may be disciplined for just cause including, but not limited to the following reasons:

1. Conduct which is a violation of any of the applicable rules, regulations, and policies of the Governing Board.
2. Conduct which fails to comply with any applicable duties as set forth in the Arizona Revised Statutes.
3. Insubordination.
4. Unprofessional conduct including but not limited to:
   a. Physical and/or verbal abuse of a pupil.
   b. Being under the influence of or using alcohol or illegal drugs while on duty.
   c. Conduct while on duty which would constitute a criminal offense.
   d. Conviction of a felony.

e. Unauthorized absences which result in responsibilities not being performed.
f. Misuse or unauthorized use of District property.

D. When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. It is, however, reasonable for a supervisor to await a final determination from an outside agency (such as law enforcement, a court, or other state or federal agency) before determining if discipline is appropriate. A notice of intent to impose discipline should be issued within five (5) days after receipt of the ESPs response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

13-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct ESP on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

A. Informal conference

A Supervisor will meet with ESP informally via phone, in-person or via email to discuss minor behavior infractions that do not warrant discipline.

B. Letters of Direction

1. Will serve as a warning to an ESP that there may be a need to take further disciplinary action should the conduct continue or repeat.
2. When an ESP transfers or relocates, said letter may be transmitted to the files of the new supervisor only after the transfer or relocation has been completed.
3. After six months from the date of the letter of direction, at the written request of the ESP, the letter of direction shall be removed from the files of the supervisor provided that both of the following conditions are met:
   a. The action leading to the letter of direction, or any related action, has not been repeated in the six-month period following the letter of direction;
   b. No other letter of direction has been placed in the ESPs file(s) in the six-month period following the letter of direction.

13-3 Progressive Discipline

A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct ESPs about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).

B. The normal sequence of disciplinary action shall be as follows:

1. Written Reprimand I;
2. Written Reprimand II;
3. Suspension without pay for up to ten (10) days;
4. Termination;
5. It is recognized that some offenses may be sufficiently serious as to warrant the omission of one or more of the normal steps of discipline progression.

C. The District may forego non-disciplinary action and take immediate action if:

1. ESP is charged by criminal complaint, information or indictment of any criminal offense which would be deemed cause for dismissal.
2. The ESPs offense is of such serious nature that failure to take immediate action would seriously disrupt the functioning of the workplace. Such offenses include, but are not limited to, unprofessional or immoral conduct as defined in the Arizona Administrative

Code.

D. Whenever disciplinary action is taken against an ESP, the ESP may appeal by filing a grievance at Level III to the Employee Relations Department within ten (10) days for reprimand and 30 calendar days for suspension.

E. Any discipline of an employee by a supervisor, shall be conducted in private. No ESP shall be reprimanded and/or disciplined in the presence of pupils, parents, other employees, or the public.

13-4 Letters of Reprimand

Upon determination by a supervisor that there exists cause to impose discipline, the supervisor will notify the ESP of the intent to impose discipline via District email or hand delivery and schedule a meeting for issuance of the Written Reprimand. The MBU may waive this meeting within two (2) days of receiving the notice of intent to impose discipline by requesting the Written Reprimand be emailed to the MBU. An MBU's waiver of the meeting the Written Reprimand is not intended to limit a supervisor's discretion to meet with the MBU to discuss performance and expectations. The reprimand will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and that failure to correct will result in more severe discipline. A copy will be placed in the ESPs official personnel file, one copy will be given to the ESP and one copy will be retained by the supervisor.

13-5 Suspensions

If infraction(s) persist(s) or if the conduct is sufficiently severe warranting further discipline, the ESP will be notified, and a meeting scheduled to give the ESP written notification that they have failed to improve and that suspension is being issued without pay. The notification will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and state that failure to correct such behavior may result in termination. A copy will be given to the ESP and a copy will be placed in the ESPs official personnel file.

13-6 Pre-Termination Hearing

Prior to termination for misconduct, a pre-termination hearing will be held. The ESP will be notified in writing that the ESP is immediately suspended with pay and that a hearing will be scheduled. Following the hearing, the decision of the supervisor will be communicated to the ESP and the Human Resources Department. If termination is initiated, this decision will be communicated to the ESP by U.S. mail. The employee will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter.

13-7 Termination

If the decision is to terminate the ESP, the decision will be communicated by U.S. mail. The ESP will be paid through the termination date which shall be no earlier than the day following the Pre-Termination Hearing. Termination can be appealed by filing a grievance directly at Level III to the Employee Relations Department within ten (10) days of the date of the mailing, plus two days. The ESP will be notified of the appeal process.

It is expected that management will follow the disciplinary steps based on the severity of the incident. Disciplinary steps may or may not be given in sequence and variations from these practices may occur including immediate termination, when in the District's sole discretion, the circumstances warrant, when an ESP receives a disciplinary action they do not agree with, the grievance process may be utilized to achieve a fair and impartial outcome.

13-8 Eligibility for Rehire

Refer to Governing Board Policy GBQ Eligibility for Rehire and GBQ-E Exhibit which provides examples of reasons for leaving and corresponding eligibility for rehire. Policy Exhibit GBQ-E is in Appendix III of this Agreement. See Tucson Unified Governing Board policies for most up to date version of policy and exhibit.

13-9 Written Reprimand Retention

At the request of the ESP, a letter of reprimand shall be removed from their personnel file provided:

A. The action leading to the reprimand, or any related action, has not been repeated in an eighteen (18) month period following the reprimand;

B. No other letter of reprimand has been placed in their personnel file in an eighteen (18) month period following the reprimand.

C. Any discipline issued as a result of physical abuse against a student shall remain in the ESPs official personnel file and is not subject to removal for five (5) years from the date of the Level III decision or a Memorandum of Agreement signed by TEA and TUSD has been received by the Office of Employee Relations. Removal is permitted after five (5) years at the request of the ESP and provided no additional reprimands have been issued during this period.

D. After five (5) years, and at the request of the ESP, the Employee Relations Director may agree to conduct a hearing to determine if a suspension can be removed from the requesting ESPs file in instances where accumulation of minor infractions resulted in suspension, and assuming no similar action has been documented.

13-10 Participation

ESPs participating in the discipline and dismissal proceedings shall receive their regular rate of pay for the actual time spent during their regularly scheduled workday to attend scheduled discipline conferences.

ARTICLE FOURTEEN

HOURS OF WORK

14-1 Lunch Period

Each employee working at least five (5) hours a day on a regular basis shall be entitled to a duty-free lunch period. Lunch periods are normally an unpaid interval of at least 30 minutes but shall not exceed one hour. If an employee's lunch period is interrupted because of an emergency, the time lost will be adjusted during the week at a time mutually agreeable between the employee and supervisor.

14-2 Breaks

A. All ESPs shall be allowed a break if their regular daily schedule calls for four (4) or more continuous hours of work within the following schedule:

Daily Hours Worked	Breaks
From 4 to less than 6-l/2 hours	one 15-minute break
From 6-l/2 to 8 hours	two 15-minute breaks

The time of each fifteen (15) minute break shall be established and administered by the immediate supervisor.

B. Breaks may be interrupted if deemed necessary by an appropriate authority in order to protect the health and safety of students, ESPs and/or the public and to protect District facilities. Breaks shall not be unreasonably interrupted.

C. Breaks may not be accumulated or saved to be used at a later time.

14-3 Show-up Pay

When an ESP reports to work on an ESPs authorized workday and is sent home for that day through no fault of their own, they shall be paid for their authorized hours at the ESPs regular rate of pay. Unless the Administrator has complied with 14-7 B.

14-4 Call Back Pay

ESPs who have finished their daily assignment(s) and left their place(s) of employment and are later called back by their immediate supervisor shall be compensated for two (2) hours or actual time worked, whichever is greater, to be paid at the ESPs regular wage.

14-5 Overtime/Compensatory Time

A. Overtime/compensatory time shall be compensated according to The Federal Fair Labor Standards Act (FLSA) .

B. Any period worked beyond forty (40) hours of the ESPs scheduled work week must be authorized in writing by the immediate supervisor, following administrative procedures, prior to that work period.

C. ESPs changing worksites or separating from the District, shall be paid all approved compensatory time.

14-6 Overtime Assignments

When overtime assignments cannot be filled on a voluntary basis, the District will assign overtime on a rotating basis, starting with the least senior qualified ESP(s) at the worksite.

14-7 Grading Days

A. **Food Service:** Three (3) days during the year are planned in the school calendar for teachers to use for grading days. Students are not in classes and therefore Food Service workers will be on a non-paid status for these days. No negative evaluation of performance or disciplinary action shall be predicated upon lawful, non-school related employment which has no impact upon the ESPs job performance.

No ESP shall be required to work in any location which has been determined to be hazardous to ones health and/or safety by proper authority, i.e., Building Administrator, Health Inspector, Fire Inspector, District Engineer, etc. When buildings and/or worksites are closed because of emergencies, unsafe or hazardous conditions, ESPs may be temporarily reassigned to different locations until such time as the emergency or condition is rectified. No ESP shall suffer loss of pay resulting from these conditions.

If school health offices are not staffed by personnel hired specifically for that position, then clerical personnel shall not be required to dispense medication or administer first aid without first being provided specific training.

ARTICLE SEVEN

GRIEVANCE PROCEDURE

7-1 A. The District and the Association acknowledge that it is usually most desirable for an ESP and their immediate supervisor to resolve problems through free and informal communications. If, however, such informal processes fail to satisfy the ESP, a grievance may be filed to address an allegation of a violation of this agreement.

B. The purpose of this grievance procedure is to secure equitable solutions to a claim of the grievant in an equitable manner and at the lowest possible level.

7-2 Immediate Supervisor

1. In any school, the immediate supervisor is deemed to be the building principal, principal designee or acting principal in their absence, or the Food Service Manager/Designee.

3. If an ESP is not assigned to an individual school, the immediate supervisor is deemed to be the administrator by whom the ESP is evaluated.

A. An ESP with a Level I grievance shall first present it orally and informally, with or without a representative, to the grievant's immediate supervisor within fifteen (15) days from the occurrence of the alleged violation, or fifteen (15) days from the time the alleged violation is known to the grievant or the Association.

1. Date of alleged violation;

2. Section of Agreement allegedly violated;

3. Relief requested.

7-4 Level Two

A. If resolution is not reached by means of the Level I grievance procedure, the grievant shall have five (5) days from the date of the Level I grievance meeting to file a written grievance. The grievant may

present a claim in writing to the immediate supervisor, either directly or through the Association.

B. A written grievance shall meet the following specifications:

1. It shall contain a synopsis of the facts giving rise to the alleged violation or misinterpretation, including appropriate dates.
2. It shall contain the specific section of this Agreement which has been allegedly misinterpreted or allegedly inequitably applied.
3. It shall state the relief requested.
4. It shall be signed and dated by the grievant.

C. Within five (5) days after receiving the written claim of grievance, the immediate supervisor shall state the decision in writing and forward it to the Superintendent or designee, the grievant, and the Association.

7-5 Level Three

A. Within ten (10) days after receiving the written decision of the immediate supervisor or designee, (or within twenty (20) days from the date the Level I was filed if there was no written response to the Level II), the grievant may, either in person or through the representative, submit a written appeal from the immediate supervisor's decision to the Director of Employee Relations. Said appeal shall be accompanied by copies of the original claim of grievance and the immediate supervisor's written decision and shall state with particularity objections to that decision. The Director of Employee Relations shall investigate the claim, evaluate the evidence, and within ten (10) days after receiving the written appeal schedule a hearing, and within ten (10) days after the hearing, state in writing a decision. The Association shall receive copies of all grievance decisions made as a result of hearings without Association Representation. Such decisions will not be used by either party as precedent in future grievances.

B. A copy of the original grievance and the Level III decision shall be sent to the Association at the same time the Level III decision is provided to the grievant.

C. The Level III filing will be submitted with at least one date (within five (5) days of filing) when the Association representative and the grievant will be available.

7-6 Level Four - Arbitration

A. Only grievances arising out of an alleged misinterpretation or alleged violation of the express terms of this Agreement may be submitted to Level IV, and only on petition of the Association. All arbitration hearings will be held at times and locations mutually agreeable to both the District and the Association.

B. If the response of the Level III review does not result in resolution of the grievance, the Association on behalf of the grievant may invoke this Level IV procedure within ten (10) days of the receipt of the Level III decision.

C. The Director of Employee Relations and the Association shall submit the issue and schedule a hearing date with the selected arbitrator within ten (10) days of filing of the grievance at Level IV.

7-7 Selection of Arbitrators

The selection of arbitrators to hear TEA grievances shall be accomplished in the following manner:

TEA and TUSD shall agree on a list of arbitrators who are acceptable to both TEA and TUSD. The arbitrators shall be placed on a list in alphabetical order and assigned in that order as each grievance is filed. The intent is to rotate arbitrators. If an arbitrator's schedule prevents a mutually agreeable hearing date from being scheduled within forty-five (45) calendar days of filing for arbitration, then the next arbitrator on the list shall be assigned that grievance.

A. The arbitrator shall be bound by the following:

7-9 Time Limits

A. Failure at any step in this procedure to communicate the decision to the grievant by management within the specified time limit shall permit the grievant to proceed to the next step.

B. Failure at any step to appeal a grievance to the next higher step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. Time limits specified in the grievance procedure may be extended in any specific instance only by mutual written consent of both parties.

7-10 Reprisals

No reprisals shall be taken by the District or the Association against a grievant or witness(es) because of participation in the grievance procedure.

7-11 Group Grievance

If, in the judgment of the Association representative, the grievance affects a defined group of ESPs, the Association may pursue the grievance at Level III. 1. One (1) employee selected from an Association generated list;
2. The immediate supervisor (Chairperson);
3. A non-administrator/staff member (for a school site vacancy), or an additional non-supervisory employee from the non-school site/department in which the vacancy occurs.

All interview questions or applicable skills tests, if necessary, shall be job-related and approved in advance by Human Resources in consultation with the Department Head.

The Chairman of the interview committee shall forward the name of the applicant being recommended for hire to the hiring authority or designee. No selection process shall be considered completed until Human Resources has reviewed the process and validated the selection.

It is understood, however, that the Board shall have final review and approval for all employment appointments.

Applicants who are interviewed, but not selected, will be notified within fifteen (15) days after the individual selected for the position has accepted, or when the vacancy has been canceled by the District.

B. The interview questions and final overall scores shall be made available for review to the grievant or representative in preparation for Level II grievance proceedings. The ESP will be charged a reasonable rate for copies of documents provided.

8-6 Site Priorities

When additional hours in a white collar position are available at a site, then white collar employees currently employed less than eight (8) hours per day at the site shall have priority for those hours as added

duty (does not increase regularly assigned hours) if the ESPs are qualified for the position and not currently working during the time the involved teacher(s) and/or administrator(s) determine(s) that additional hours are available. No ESP shall be scheduled to regularly work more than forty (40) hours per week.

ARTICLE NINE

RECLASSIFICATION

9-1 Procedure

A. An ESP who feels that their position has undergone a significant change in the kinds of duties, level of responsibility, and/or requirements shall submit a request for review of their position by filling out a Position Analysis Form available from the Human Resources Department. Once the Position Analysis Form is submitted to the supervisor, supervisor has ten (10) days to complete their portion and return it to the ESP. If the supervisor does not return the form within the stated timeline, the ESP shall forward the form to the Human Resources Department and the process will continue.

B. If the Human Resources Department performs an independent position audit, the ESP may also appeal the allocation as defined in 9-2 below.

C. An ESPs position will not be reviewed more than once every two (2) years.

D. The definition of classifications or the assignment of a classification to a pay grade on the wage schedule are matters left to the sole discretion of the District.

E. Within thirty (30) days of receipt of the analysis form, Human Resources shall inform the ESP of receipt. A meeting will be scheduled within thirty (30) days of notification to review their classification. The review may include but not be limited to:

1. Position Description Questionnaire;
2. Interviews;
3. Work Observation.

F. Thirty days following an individual ESPs classification review by the Human Resources Department, the ESP shall be notified in writing of the decision. If Human Resources needs to extend the timeline, the ESP shall be notified in writing of the need for such an extension. Said timelines do not apply to reclassifications submitted to an outside consultant.

9-2 Appeal

If the ESP disagrees with Human Resources' decision, ESP shall within twenty (20) days appeal the decision by corresponding with the Chief Human Capital Officer, specifically stating the reasons for an appeal. The Chief Human Capital Officer shall refer the appeal to the Classification Appeal Board composed of two (2) members appointed by the District and one (1) member appointed by the Association. However, no District appointee who has conducted the evaluation in the reclassification will serve as a voting member on the appeals committee. The Appeal Board shall review the appeal and within thirty (30) days of its receipt submit a recommendation to the Chief Human Capital Officer. The Chief Human Capital Officer shall, within ten (10) days of the Appeal Board's recommendation, correspond with the appealing ESP informing the ESP of the final decision.

The final decision by the Chief Human Capital Officer is not subject to appeal.

9-3 Wage Protection

A. If an ESP is reclassified to a higher grade, the new wage rate for the reclassified ESP will be commensurate with the market average, the responsibilities of the position, job description and experience but not less than five percent (5%).

B. An ESP shall not suffer a reduction in wages when the ESPs classification is changed to a lower grade. The ESP shall be placed at the step which is equivalent to the current rate of pay in the old classification, or frozen at their current rate of pay in the same classification (off-schedule) for a period not to exceed 12 months.

ARTICLE TEN

EVALUATION

10-1 Purpose

The evaluation is used to critique ESPs for the purpose of improving services in the District. This evaluation may be done on an annual basis or more frequently if necessary. The evaluation may provide one of the bases for administrative decisions regarding employment, promotion, demotion, or termination.

10-2 Evaluation Process

A. The administrator and/or immediate supervisor shall give a copy of the form to all ESPs, upon request.

B. Evaluation forms shall be completed by the administrator and/or immediate supervisor, discussed with the ESP in a conference, and signed by both**.** At least one evaluation per year shall be completed prior to May 13 for less than 12-month ESPs and prior to June 10 for 12 month ESPs. The original shall be retained in the ESPs file, a copy kept by the immediate supervisor, and a copy given to the ESP within five (5) days of the evaluation conference.

C. Teacher Assistant Evaluation

A teacher shall have input into their assigned teacher assistant's evaluation at least one (1) time per year. The site administrator is responsible for the evaluation.

D. Evaluation conferences shall be held in private away from the presence of pupils, parents, other ESPs, or the public. However, other individuals who are responsible for coordination of an ESPs activities may participate in that ESPs evaluation conferences.

10-3 ESP's Signature

The ESPs signature indicates only that the ESP has seen the written statement and does not necessarily indicate agreement with the contents of the statement(s). No ESP shall be required to sign a blank or incomplete form.

10-4 Rebuttal

An ESP may file objections in writing within ten (10) days of receipt of a copy of the completed form. If objections are filed, they shall be attached to all copies retained by the District.

10-5 Recommendations for Improvement

A. Recommendations for improvement shall be provided to ESPs upon recognition of any deficiencies. Recommendations for improvement shall be offered in writing to guide the ESP toward the solution of such deficiencies.

B. In the event an evaluation results in specific written recommendations for improvement, the ESP and supervisor shall meet within fifteen (15) days to determine a plan of action for meeting the recommendations of improvement. Follow-up evaluations will address progress or lack of progress in areas in need of improvement.

C. Recommendations for improvement shall not be based on any modifications to an ESPs job description if the District failed to notify the ESP of the modification as described in 6-16-A or to provide training as required in 6-16-B within 90 days of the modification.

10-6 Additional Evaluations

In addition to District-initiated evaluations, ESPs shall be provided up to two (2) additional evaluations in a year upon request of the ESP.

10-7 Surveillance

The use of eavesdropping or surveillance methods will not be used for conducting evaluations of ESPs. On school buses, video devices may be used to ensure student safety. The District shall notify the Association regarding the installation/use of any such equipment to be used for student safety. At no time shall the District use the security cameras in a location where ESPs or students have a reasonable expectation for

privacy.

10-8 Dismissal or Demotion
Dismissal or demotion of ESPs for performance deficiencies shall not be without just cause.

10-9 Pre-Termination Hearing
Prior to termination for performance deficiencies, a hearing will be held. An ESP will be notified in writing that they are immediately suspended with pay and that a pre-termination hearing is scheduled. Following the hearing, the decision of the supervisor will be communicated to the ESP and Human Resources. If termination is initiated, this decision will be communicated to the ESP by certified mail and a Personnel Action Form will be submitted to Human Resources. The ESP will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter. Dismissal can be appealed by filing a grievance directly at Level III.

ARTICLE ELEVEN

INVOLUNTARY ADJUSTMENT OF WORK

11-1 If the economic or efficient operation of the District makes it necessary to reduce the work force in any classification, attrition will be utilized as the first means of reducing the staff. If additional reduction is necessary, initial probationary, temporary and substitute ESPs in the affected classification at the site shall be laid off. If additional reduction is necessary after attrition and the layoff of temporary and/or substitute ESPs, then ESPs may be reduced in hours or months of employment, transferred, or laid off in accord with this Agreement. No involuntary adjustment of work shall be arbitrary, capricious, or without basis in fact. An involuntary adjustment of work shall not be used as a substitute for evaluation or disciplinary action.

A. Exceptions - Involuntary Transfer

1. When established exceptional education classes and their teachers are relocated to a new site, the exceptional education teacher assistant can relocate along with the class, provided the position continues to be budgeted.
2. In exceptional education situations where an exceptional education teacher assistant has been assigned on a one-to-one basis with a student and that student is relocated to a different site, the teacher assistant may relocate with the student, provided the position continues to be budgeted.

B. If an involuntary transfer within the same classification is not available, the ESP will be given the option of transferring to a vacant position in a comparable classification in which the ESP meets minimum qualifications or moving to a vacant position in a classification previously held within the bargaining unit by exercising their District seniority.

C. An ESP transferred in this process is not guaranteed the same number of months, days, or hours in the new assignment. Under no circumstance will an ESP be offered a position of less than four hours per day.

D. Under no circumstance shall an ESP be transferred into a classification that will result in a promotion, unless the previous classification has been upgraded through the reclassification process.

E. If after following all steps outlined above, there is no vacancy for an ESP the ESP shall be laid off pursuant to Article 12 below.

11-2 Involuntary Work Adjustment
If it becomes necessary for the district to involuntarily adjust an ESPs work assignment, the ESP within that classification, at that site, with the least classification seniority shall be the ESP affected.

1. Every effort will be made to maintain the ESPs scheduled hours (months & hours).
2. Under no circumstances will an ESP be offered a position of less than four (4) hours per day.
3. ESP shall be notified not less than twenty (20) days prior to a reduction.

ARTICLE TWELVE

LAY OFF

12-1 Procedures

A. If it becomes necessary to reduce the workforce of any classification in the bargaining unit, temporary and initial probationary employees occupying the affected classifications at the site shall be laid off first. Order of layoff shall be in the inverse order of classification seniority at the site.

B. The district shall notify the association and affected ESP(s) of a layoff as far in advance as possible, but at least four weeks in advance.

C. Laid off ESPs shall be recalled to their classification in the inverse order of layoff before a position within the affected classification is filled by promotion or initial hiring.

12-2 Recall

A. All temporary/substitute assignments shall be offered to be laid off ESPs on recall, in order of seniority, before any other person is offered a temporary/substitute assignment within the affected classification. Work as a substitute or temporary will not affect recall rights to a white collar/food service position.

B. The District shall maintain, as public record, a list of all ESPs who have retained recall rights. The list shall include the ESP's name, classification title, and date of hire into the District.

C. An ESP who is recalled from layoff shall be notified by phone or by mail at the phone number or address on file in the Human Resources department. The ESP is responsible for maintaining a current contact information in the human resources department. If the ESP does not contact the district's Human Resources Department within five (5) days from date of the letter, the offer will be rescinded. If the recall letter is returned as unclaimed, the district's obligation ceases. If the ESP accepts the offer of recall, they shall be available to work within ten (10) days of acceptance.

D. Individuals shall retain recall rights equaling the affected ESPs length of service up to a maximum of twelve (12) months from the day of layoff unless the ESP expressly withdraws in writing from the recall list. Individuals will have a date of hire and bargaining unit seniority as if they were not laid off. If, however, the individuals on layoff are not recalled within the eligibility time, their employment with TUSD shall be terminated and the District will not be obligated to provide seniority as defined above if hired into a different classification at a later date.

E. An ESP in a classification affected by a layoff shall retain recall rights in that classification. Laid off individuals shall be recalled in order of district seniority. If through a classification study a position, title, and/or responsibilities change significantly, the ESP shall be recalled to a position representative of the new classification category if minimum qualifications are met.

12-3 Order of Recall

A. Before any vacant full-time, twelve (12) month position is filled pursuant to Article 8 (Recruitment/Selection), the position shall be offered to be laid off full-time, twelve (12) month ESPs who meet the minimum qualifications. Laid off individuals shall be recalled in order of District seniority. Recall of any full-time, twelve (12) month ESP to a position of less than full-

B. time, twelve (12) months shall not eliminate the right of recall to a full-time, twelve (12) month position during the twelve (12) month period following recall.

C. Promotion

Under no circumstances will recall to a position result in a promotion.

12-4 Insurance Coverage and Continuation

When recalled ESPs return to work, all benefits including the appropriate step at the time of the layoff, shall be reinstated, and shall become effective the first day of the month after recall. While on layoff status, an ESP shall be allowed to participate in the COBRA insurance programs at their own expense.

12-5 Lay Off Protection

A. All regular part-time and full-time ESPs hired on or before August 16, 2000, shall not be laid off.

B. An ESP on layoff status is entitled to compete for any posted vacancy, provided they meet the qualifications. An ESP accepting a lower grade position shall retain recall rights in the position affected by the reduction. An ESP recommended for a position that would result in a promotion must notify the Human Resources Department within ten (10) days following the assignment to the new position if they wish to retain recall rights to the classification from which they were laid off. Failure to notify the Human Resources Department will result in the loss of recall rights to the previous classification.

12-6 Contracting Out

Before the District issues a contract for work currently being performed by bargaining unit employees or new work which is the same or similar to current bargaining unit work, its representatives will meet with representatives of the Association to discuss the reasons for the contracting decision and give the Association representatives the opportunity to present their suggestions for alternative ways of performing the work.

Any ESP who is covered by lay off protection and whose job is eliminated by contracting out shall not be laid off as a result of such job elimination.

ARTICLE THIRTEEN
NON-DISCIPLINARY ACTION, DISCIPLINE AND DISMISSAL FOR MISCONDUCT

13-1 Rules

A. Violations of the rules, regulations or policies of the Governing Board or of state and federal laws may result in disciplinary action which shall be in accordance with these rules.

B. The Governing Board or designee(s) reserves the right not to discipline an ESP for a violation of the rules, regulations or policies of the Governing Board.

C. An ESP may be disciplined for just cause including, but not limited to the following reasons:

1. Conduct which is a violation of any of the applicable rules, regulations, and policies of the Governing Board.
2. Conduct which fails to comply with any applicable duties as set forth in the Arizona Revised Statutes.
3. Insubordination.
4. Unprofessional conduct including but not limited to:
   a. Physical and/or verbal abuse of a pupil.
   b. Being under the influence of or using alcohol or illegal drugs while on duty.
   c. Conduct while on duty which would constitute a criminal offense.
   d. Conviction of a felony.
   e. Unauthorized absences which result in responsibilities not being performed.
   f. Misuse or unauthorized use of District property.

D. When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. It is, however, reasonable for a supervisor to await a final determination from an outside agency (such as law enforcement, a court, or other state or federal agency) before determining if discipline is appropriate. A notice of intent to impose discipline should be issued within five (5) days after receipt of the ESPs response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

13-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct ESP on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

A. Informal conference

A Supervisor will meet with ESP informally via phone, in-person or via email to discuss minor behavior infractions that do not warrant discipline.

B. Letters of Direction

1. Will serve as a warning to an ESP that there may be a need to take further disciplinary action should the conduct continue or repeat.
2. When an ESP transfers or relocates, said letter may be transmitted to the files of the new supervisor only after the transfer or relocation has been completed.
3. After six months from the date of the letter of direction, at the written request of the ESP, the letter of direction shall be removed from the files of the supervisor provided that both of the following conditions are met:
   a. The action leading to the letter of direction, or any related action, has not been repeated in the six-month period following the letter of direction;
   b. No other letter of direction has been placed in the ESPs file(s) in the six-month period following the letter of direction.

13-3 Progressive Discipline

A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct ESPs about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).

B. The normal sequence of disciplinary action shall be as follows:

1. Written Reprimand I;
2. Written Reprimand II;
3. Suspension without pay for up to ten (10) days;
4. Termination;
5. It is recognized that some offenses may be sufficiently serious as to warrant the omission of one or more of the normal steps of discipline progression.

C. The District may forego non-disciplinary action and take immediate action if:

1. ESP is charged by criminal complaint, information or indictment of any criminal offense which would be deemed cause for dismissal.
2. The ESPs offense is of such serious nature that failure to take immediate action would seriously disrupt the functioning of the workplace. Such offenses include, but are not limited to, unprofessional or immoral conduct as defined in the Arizona Administrative Code.

D. Whenever disciplinary action is taken against an ESP, the ESP may appeal by filing a grievance at Level III to the Employee Relations Department within ten (10) days for reprimand and 30 calendar days for suspension.

E. Any discipline of an employee by a supervisor, shall be conducted in private. No ESP shall be reprimanded and/or disciplined in the presence of pupils, parents, other employees, or the public.

13-4 Letters of Reprimand

Upon determination by a supervisor that there exists cause to impose discipline, the supervisor will notify

the ESP of the intent to impose discipline via District email or hand delivery and schedule a meeting for issuance of the Written Reprimand. The MBU may waive this meeting within two (2) days of receiving the notice of intent to impose discipline by requesting the Written Reprimand be emailed to the MBU. An MBU's waiver of the meeting the Written Reprimand is not intended to limit a supervisor's discretion to meet with the MBU to discuss performance and expectations. The reprimand will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and that failure to correct will result in more severe discipline. A copy will be placed in the ESPs official personnel file, one copy will be given to the ESP and one copy will be retained by the supervisor.

13-5 Suspensions

If infraction(s) persist(s) or if the conduct is sufficiently severe warranting further discipline, the ESP will be notified, and a meeting scheduled to give the ESP written notification that they have failed to improve and that suspension is being issued without pay. The notification will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and state that failure to correct such behavior may result in termination. A copy will be given to the ESP and a copy will be placed in the ESPs official personnel file.

13-6 Pre-Termination Hearing

Prior to termination for misconduct, a pre-termination hearing will be held. The ESP will be notified in writing that the ESP is immediately suspended with pay and that a hearing will be scheduled. Following the hearing, the decision of the supervisor will be communicated to the ESP and the Human Resources Department. If termination is initiated, this decision will be communicated to the ESP by U.S. mail. The employee will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter.

13-7 Termination

If the decision is to terminate the ESP, the decision will be communicated by U.S. mail. The ESP will be paid through the termination date which shall be no earlier than the day following the Pre-Termination Hearing. Termination can be appealed by filing a grievance directly at Level III to the Employee Relations Department within ten (10) days of the date of the mailing, plus two days. The ESP will be notified of the appeal process.

It is expected that management will follow the disciplinary steps based on the severity of the incident. Disciplinary steps may or may not be given in sequence and variations from these practices may occur including immediate termination, when in the District's sole discretion, the circumstances warrant, when an ESP receives a disciplinary action they do not agree with, the grievance process may be utilized to achieve a fair and impartial outcome.

13-8 Eligibility for Rehire

Refer to Governing Board Policy GBQ Eligibility for Rehire and GBQ-E Exhibit which provides examples of reasons for leaving and corresponding eligibility for rehire. Policy Exhibit GBQ-E is in Appendix III of this Agreement. See Tucson Unified Governing Board policies for most up to date version of policy and exhibit.

13-9 Written Reprimand Retention

At the request of the ESP, a letter of reprimand shall be removed from their personnel file provided:

A. The action leading to the reprimand, or any related action, has not been repeated in an eighteen (18) month period following the reprimand;

B. No other letter of reprimand has been placed in their personnel file in an eighteen (18) month period following the reprimand.

C. Any discipline issued as a result of physical abuse against a student shall remain in the ESPs official personnel file and is not subject to removal for five (5) years from the date of the Level III decision or a Memorandum of Agreement signed by TEA and TUSD has been received by the

Office of Employee Relations. Removal is permitted after five (5) years at the request of the ESP and provided no additional reprimands have been issued during this period.

D. After five (5) years, and at the request of the ESP, the Employee Relations Director may agree to conduct a hearing to determine if a suspension can be removed from the requesting ESPs file in instances where accumulation of minor infractions resulted in suspension, and assuming no similar action has been documented.

13-10 Participation

ESPs participating in the discipline and dismissal proceedings shall receive their regular rate of pay for the actual time spent during their regularly scheduled workday to attend scheduled discipline conferences.

ARTICLE FOURTEEN

HOURS OF WORK

C. Breaks may not be accumulated or saved to be used at a later time.

14-3 Show-up Pay

14-4 Call Back Pay

ESPs who have finished their daily assignment(s) and left their place(s) of employment and are later called back by their immediate supervisor shall be compensated for two (2) hours or actual time worked, whichever is greater, to be paid at the ESPs regular wage.

A. Overtime/compensatory time shall be compensated according to The Federal Fair Labor Standards Act (FLSA) .

A. Food Service: Three (3) days during the year are planned in the school calendar for teachers to use for grading days. Students are not in classes and therefore Food Service workers will be on a non-paid status for these days. In-service or training may be held on these days, but employees will be informed two (2) weeks prior to the date if they will be working. Employees will be paid for the actual hours involved in in-service or training.

B. Modified Schedule: If a school decides to work a modified schedule, they must provide ESP one (1) week advance notice to allow ESPs who are scheduled to work sufficient time to flex their hours. Such modifications shall be mutually agreed upon between ESP and their administrator in order to cover the change in hours.

14-8 In-service Day or Registration Day - Food Service

During the school year, in-service or registration days are scheduled that will interrupt the lunch period for students; therefore, Food Service workers may not be needed at their assigned sites. Employees will be given an opportunity to sign up for substitute work if work is available. Employees will be placed in vacancies that are close to their assigned hours and within a reasonable distance of their assigned site. Employees will be paid for actual hours worked.

Employees may choose to use a personal leave day if the Department is notified 24 hours prior to the non-workday.

Employees not using one of the above options will be placed on a non-paid status.

ESPs must utilize flex hours that were accumulated during the week of the holiday break in coordination with their immediate supervisor in advance of the holiday break in order to utilize this provision.

14-12 As the need arises, provided there is sufficient funding at the site budget, and per agreement of the ESP, administration may request ESPs report to their site prior to the first scheduled day of work according to the District's Work Calendar. This will be done by the principal or supervisor in a group setting prior to the first teaching day of each school year. The difference between evaluation and observation will be discussed during this time.

C. Conference - Beginning of the Year – By the end of the first quarter**,** the teacher and the evaluator will meet to discuss the evaluation process. Discussion must be about the teacher's goals and objectives for the classroom/school; measurable targets; standards for performance; pertinent student academic progress data; the analyses of parent and student survey data; and previous evaluation results.

1. It is important to consider the context in which the evaluation occurs. The experience level of the teacher should be taken into consideration. The performance of a novice teacher (a teacher new to the profession with fewer than three years of experience) is likely to be different from that of a more experienced teacher (a teacher with three or more years of experience) or reassigned teacher (a teacher who has been newly assigned to a grade, a content area or a school). Discussion of context should occur in the first conference.

2. The descriptions of the performance classification levels should be reviewed and discussed based on the goals being set during this conference.

3. During this initial conference, the evaluator and the teacher will review the teaching practices identified in the Danielson Domains. It is suggested that the components associated with each Danielson Domain be reviewed and discussed. The evaluator and teacher should be clear as to the expectations in each domain.

4. Throughout the year the teacher will work on established goals and collect evidence of success for future discussion with the evaluator. Scheduled and/or announced observations and/or conferences may also occur during this time.

D. The first formal observation will be scheduled. A conference should precede this formal observation for the purpose of identifying the details of the upcoming observation. Lesson plans will be shared, activities described, materials identified, teacher self-review discussed, etc. This individual conference will be completed face to face. This is an appropriate time for the informal observation and teacher self-review to be discussed.

E. Teacher Self-Review **-** This process is completed by the teacher in preparation for the evaluation process. The teacher reflects on their professional skills and knowledge as they relate to the InTASC Standards. This may be completed through a reflection including the domains of a framework utilized in the observation process. The Teacher Self-Review will be completed by December 1st of each year.

F. Formal Observation #1 **-** Observation of a complete and uninterrupted lesson.

G. Post Observation Conference #1 **-** The purpose of this meeting is to identify areas of strengths and opportunities for improvement based upon documentation provided to the teacher. Plans, activities and/or

strategies to help improve student academic performance and non-academic performance should be the outcomes of this conference. Announced observations/conferences may also occur during this time.

H. Pre–Observation Conference #2 **-** An optional conference, may precede the second formal observation for the purpose of identifying the details of the upcoming observation. Lesson plans may be shared, activities described, materials identified, teacher self-review discussed, etc. This conference shall be held if: a) a teacher scores 29 points or less in Domains 2 & 3; or b) upon teacher request.

I. Formal Observation #2 **-**Observation of a complete and uninterrupted lesson. Required for teachers who score 29 points or less in Domains 2 & 3 from the first observation or by teacher request. This is an announced observation in which the teacher has been given a date range of no more than two weeks.

J. Post–Observation Conference #2 **–** This is the teacher evaluation conference that may complete the evaluation cycle. **-** If this is the final Post Observation Conference, the summative evaluation document shall be prepared and presented to the teacher at least one day before conference. This may be done electronically through the evaluation management system. A review of data and other evidence of the teacher's performance is done at this time. The identification of future actions for teacher improvement/growth will also be determined. The teacher evaluation and performance classification are forwarded to the Assistant Superintendent. It is acceptable that the student achievement data being used in the evaluation process lags one year and represents prior year data.

13-3 Observation/Evaluation Procedure – Teachers

A. Observations shall be conducted only by qualified evaluators. Input into evaluations may be provided by other appropriately qualified evaluators. Each formal observation of performance will be made in person for an uninterrupted lesson. All monitoring and observations of the performance of a MBU will be conducted openly and with the full knowledge of the MBU.

B. In high schools, the MBU and administrator may request that the department chairperson observe the MBU's performance and also provide a written statement of the observation to the MBU and administrator. The department chairperson will not observe for the purpose of evaluation without prior knowledge and consent of the MBU. The administrator will continue to have full and final responsibility for the written evaluation.

C. The initial observation will be pre-arranged by the evaluator and the MBU.

D. Information from MBUs who have been assigned to assist MBUs shall not be used as a basis for teacher evaluations.

Status of Teacher	Minimum Number of Annual Formal Observations	Minimum Length of Formal Observations	Minimum Elapsed Time Between the First and Last Observation	Observation Deadlines per Semester	Summative Evaluation Completed
Teachers	1	Complete uninterrupted lesson	60 Days	December 1 May 1	May 15
Teachers Scoring 30 Points or More on First Observation	1	Complete uninterrupted lesson	60 Days	December 1 If a second observation is requested it must be completed by May 1	January 31

I. For all teachers, the evaluation shall include a minimum of one observation no later than December 1.

If a teacher scores 29 points or fewer in domains 2 & 3 on the first observation, or if teacher requests an additional observation, a second observation shall take place no later than May 1st.

a. Should the first observation not be completed by the December 1 deadline and a second observation occurs, only the components that scored below a three will be observed and scored.

II. Each formal observation shall be followed by a conference. Teachers will complete teacher self-review by December 1.

III. By January 15th of each year, the evaluator will complete domains 1 & 4 for those teachers who scored 30 points or more in domains 2 & 3 on their first observation.

IV. Evaluators shall complete each teacher's final summative evaluation no later than May 15 for teachers who score fewer than 30 points and no later than January 31 for teachers who score 30 points or more. The final evaluation shall be signed by the teacher at the final conference. The signature of the teacher indicates only that teacher has seen the statement of evaluation but does not necessarily indicate agreement with the contents of the statement. No teacher shall be required to sign a blank or incomplete evaluation form.

V. There shall be only ONE final evaluation document for teachers unless there is a plan for improvement which requires a second evaluation.

13-4 Rebuttal or Response; APPEALS

A. In the event that the MBU believes the evaluation is incomplete or unjust, the MBU may file a response or rebuttal in writing within ten days of the receipt of the evaluation document. The rebuttal or response shall be attached to the evaluation placed in the personnel file.

B. In the event that the MBU believes the evaluation is incomplete or unjust, the MBU may file an appeal to the joint TUSD/TEA appeals panel. The appeal must be filed by May 31st and provide supplemental evidence to the hearing panel within 10 days of filing the appeal.

13-5 Performance Improvement Conversations

Following classroom observations, when deficiencies in performance are recognized, the supervisor will give informal verbal feedback, which are verbal recommendations for improvement. The purpose of such conversations is to encourage the employee to utilize a variety of strategies to improve performance. Both the supervisor and the employee shall identify additional strategies pursuant to TUSD policy regulation GCO as agreed by TUSD and TEA.

13-6 Plan for Improvement

A. When an evaluation score classifies a certificated teacher as ineffective (or developing or lower for two consecutive evaluation periods), the teacher must be placed on a Plan for Improvement and a written preliminary notice of inadequacy of classroom performance shall be issued to the teacher unless the teacher meets the criteria for an exception as set forth in Governing Board Policy GCO.

B. Within thirty (30) calendar days from the plan start date, the MBU may request additional observation by the principal or an outside evaluator.

C. TEA shall select an objective and qualified evaluator from a comprehensive list published by TUSD September 30th with input from TEA.

D. Written plans for improvement will be provided when performance improvement strategies have not resulted in the deficiencies being corrected. MBUs for whom a plan for improvement is required, shall have the opportunity to suggest content for that plan prior to its finalization by the supervisor. The plan for improvement shall be written in accordance with state statutes and shall provide assistance to the MBU such as, but not be limited to:

1. Demonstration;

2. Direction of the MBU toward a model for emulation, allowing opportunities for observation and consultation;

3. Initiation of conferences with evaluator and MBU to plan positive moves toward improvement of the MBU's performance.

4. Guidance for the MBU toward professional growth may include opportunities to attend workshops, in-services or conferences which will lead to professional growth in areas identified as deficiencies;

5. Observation, continued and sustained, by the evaluator to note date-to-day lessons and their inter-relationships;

6. Maintenance and expansion of the collection of professional literature with assigned reading, designed to suggest possible solutions to identified problems.

13-7 Eavesdropping

The use of eavesdropping, public address, or audio systems, and similar surveillance technology shall be strictly prohibited. However, on school buses, video devices may be used to ensure student safety. The District shall notify the Association regarding the installation/use of any such equipment to be used for student safety. At no time shall the District use surveillance in a location where employees or students have a reasonable expectation for privacy.

13-8 Personnel File(s)

A. A MBU shall have the right to review the contents of their personnel file(s) and to receive a copy of each at District expense. A MBU shall be entitled to have a representative of the Association accompany them during such review. A MBU shall have the right to indicate those documents and/or other materials in the file(s) which may be obsolete, inaccurate or otherwise inappropriate to retain. Upon written request of the MBU to the Director of Employee Relations, said documents shall be reviewed by the Superintendent or the designee, and if, in fact, they are obsolete, inaccurate, or otherwise inappropriate to retain they shall be destroyed.

B. A MBU may provide a representative with a signed, dated permission statement allowing a designated representative to have access to and copy (at reasonable cost) the content of the MBU's official personnel file. Such permission shall be no longer than ten (10) days from the date of the signed permission statement. All representatives shall process such statements through the Chief Human Capital Officer prior to accessing the MBU's official personnel file.

C. No materials derogatory to a MBU's conduct, performance, character or personality shall be placed in the personnel file(s) unless the MBU has had the opportunity to review the material. The MBU shall acknowledge that they have had the opportunity to review such material by affixing their signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The MBU shall also have the right to submit a written answer to such material which shall be reviewed and signed by the Superintendent or the designee and attached to the file copy(ies). The signature of the Superintendent or the designee shall in no way indicate agreement with the contents thereof.

13-9 Non-Renewal

A. Non-renewal of teachers for performance deficiencies shall be in accordance with state and federal statutes.

B. Failure to re-employ non-certified MBUs for performance deficiencies shall not be without just cause. Non-renewal may be appealed by filing a grievance at Level III.

13-10 Procedure – MBUs also acting as Head High School Coaches and Middle School Coaches

A. MBUs in extra duty assignments remain in probationary status for the first three years of that assignment. This probationary period may be extended by mutual agreement between the District and the MBU.

B. Prior to the beginning of each coaching season, the evaluator shall meet with coaches for the purpose of orienting them to the total evaluation plan and shall supply a copy of the evaluation instrument to each coach.

C. Prior to the first scheduled event, the coach will complete the appropriate sections of the evaluation form, setting forth goals and objectives for the season, and return it to the evaluator.

D. During the season, the evaluator will observe the coach at least once during practices, and at least once during events.

E. The evaluator will meet with the coach within fifteen (15) days after the end of the season to complete the evaluation.

F. The evaluator and coach will sign the evaluation form. The coach's signature indicates only that the coach has been the statement of evaluation but does not necessarily agree with the contents of the statement. No coach shall be required to sign a blank or incomplete evaluation form.

G. The evaluator may request input regarding the coach's performance from the Athletic Director. Only administrators shall evaluate coaches.

H. Only the following provisions of this agreement will apply to high school and middle school coaches: 13-1 Purpose; 13-4 Rebuttal or Response; 13-7 Eavesdropping; 13-8 Personnel File(s); 13-10 Procedure for Middle and High School Coaches; 3-11 Representation and 3-12 Complaints.

I. The non-renewal or dismissal of any MBU from a coaching position for performance deficiencies shall not be arbitrary, capricious or without just cause.

ARTICLE FOURTEEN
CLASSROOM CONTROL AND STUDENT DISCIPLINE

14-1 A. The MBU has a primary responsibility for facilitating learning and maintaining discipline in the classroom. A MBU may exclude a disruptive student from the room, in accord with A.R.S.-15-841. The student may be removed from the classroom for 30 minutes or the duration of the period, provided it is consistent with the GSRR and the USP. The student will be provided with work in an academic setting.

B. Prior to the first day of class, every MBU shall be provided with a copy of the school's student discipline procedure. MBUs can access a copy of the TUSD student rights and responsibilities document on the TUSD website. Said policies must make provision for student exclusion even in the case of administrative absence.

C. A teacher may remove a pupil from the classroom if either of the following conditions exists:

1. The teacher documented that the pupil has repeatedly interfered with the teacher's ability to communicate effectively with the other pupils in the classroom or with the ability of the other

pupils to learn.

2. The teacher has determined that the pupil's behavior is so unruly, disruptive or abusive that it seriously interferes with the teacher's ability to communicate effectively with other pupils in the classroom or with the ability of the other pupils to learn.

D. If, after discussion of the matter with the principal or the designee, the MBU objects to the readmission of the disruptive student to the classroom, the matter will be referred to the Placement Review Committee. The Committee shall be composed of two (2) teachers who are selected by the faculty members and one (1) administrator. The faculty members shall select a third teacher as an alternate member of the committee. If a committee member is the teacher refusing to readmit the disruptive student, the alternative member shall replace that teacher on the committee determining that student's readmission. The principal shall not return the disruptive student to the classroom without the teacher's consent until the committee determines it is the best or only practical alternative. The process for determining placement of a pupil in a class, or replacement in an existing class shall not exceed three (3) days from the date the pupil was first removed.

B. All affected MBUs will be placed in the RIF pool and may apply for openings.

C. All highly qualified and appropriately certified candidates in the RIF pool shall be guaranteed an interview at the first recruitment event.

15-5 Reduction In Force

A. Certificated MBUs

MBUs who do not secure a position by the last Friday before the end of the school year, shall be subject to a reduction in force.

C. Exemptions

No MBU shall be subject to a reduction in force during a school year for which the MBU has signed a contract.

15-6 Notification

A. MBUs subject to the reduction in force shall be notified in writing no later than the last Friday before the end of the school year by first class mail or hand-delivered by the administrator.

B. All RIFed bargaining unit employees shall receive a letter from the District stating that the loss of their positions was due to a reduction in force. The District shall, upon request of the individual, send a duplicate of this letter to any placement or personnel file. A list of the total MBUs in the District shall be compiled starting with the MBU having the most seniority and continuing to the MBU with the least seniority. The seniority list shall also itemize, after each name, each MBU's area(s) of certification. The seniority list shall be delivered to the Association by October 1 of each year. MBUs shall have the right to challenge their placement on the seniority list.

B. Preliminary Notice

The district human resources office shall first give notice of recall to MBUs by phone.

C. Response

Members of the bargaining unit (MBUs) shall accept or reject the offered position within forty-eight (48) hours from the receipt of the recall opportunity. MBUs that reject (3) recall opportunities shall be removed from the recall list.

D. Official Notice

The District shall give written notice of recall by email to their last known email address, or by sending a first class letter. The association shall be notified in a timely manner about who has been recalled. The recall letter shall specify the position which is vacant, including the site, assignment, and full-time equivalency for the position. RIFed MBUs with expired fingerprint clearance cards, certifications and/or required endorsements shall be removed from the RIF list.

E. Full-Time/Part-Time Positions

B. Benefits

All benefits to which MBUs were entitled at the time of their being released due to a reduction in force, including unused accumulated sick leave and credits toward sabbatical eligibility, shall be restored to MBUs upon their return to active employment, unless such benefits have been paid out as a separation benefit. Healthcare benefits shall become effective the first day of the month, following the month the MBU has been recalled. MBUs shall retain their placement on the salary schedule.

C. Recall List

The District shall maintain, as public record, a list of all MBUs who have retained recall rights. Upon request, the District shall provide the Association with the current list of those MBUs who have retained recall rights, along with each MBU's area(s) of certification, and the education and experience of MBUs for assignments with neither specified certification nor educational requirements, and their seniority ranking by February 15 of each year.

ARTICLE SIXTEEN
NON-DISCIPLINARY ACTIONS, DISCIPLINE & DISMISSAL FOR MISCONDUCT

16-1 Rules

A. Violations by MBUs of the rules, regulations, or policies of the Governing Board or of state and federal laws may result in disciplinary action, which shall be in accordance with these rules.

B. The Governing Board or designee(s) reserves the right not to discipline a MBU for a violation of the rules, regulations, or policies of the Governing Board.

C. A MBU may be disciplined for just cause including, but not limited to, the following reasons:

1. Conduct which is a violation of any of the applicable rules, regulations, and policies of the Governing Board.

2. Conduct which fails to comply with any applicable duties as set forth in the Arizona Revised Statutes.

3. Insubordination.

4. Unprofessional conduct including but not limited to:

- **a.** Physical and/or verbal abuse of a pupil.
- **b.** Being under the influence of or using alcohol or illegal drugs while on duty.
- **c.** Conduct while on duty which would constitute a criminal offense.
- **d.** Conviction of a felony.
- **e.** Unauthorized absences which result in responsibilities not being performed.
- **f.** Misuse or unauthorized use of District property.

D. When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. It is, however, reasonable for a supervisor to await a final determination from an outside agency (such as law

enforcement, a court, or other state or federal agency) before determining if discipline is appropriate. A notice of intent to impose discipline should be issued within five (5) days after receipt of the MBU's response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

16-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct MBUs on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

A. Informal conference

A Supervisor will meet with MBU informally via phone, in-person or via email to discuss minor behavior infractions that do not warrant discipline.

B. Letters of Direction

1. Will serve as a warning to an MBU that there may be a need to take further disciplinary action should the conduct continue or repeat.

2. When an MBU transfers or relocates, said letter may be transmitted to the files of the new supervisor only after the transfer or relocation has been completed.

3. After six months from the date of the letter of direction, at the written request of the MBU, the letter of direction shall be removed from the files of the supervisor provided that both of the following conditions are met:

a. The action leading to the letter of direction, or any related action, has not been repeated in the six-month period following the letter of direction;

b. No other letter of direction has been placed in the MBUs file(s) in the six-month period following the letter of direction.

16-3 Progressive Discipline

A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct MBUs about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).

B. The normal sequence of disciplinary action shall be as follows:

1. Written Reprimand I;

2. Written Reprimand II;

3. Suspension without pay for up to ten (10) days;

4. Termination;

5. It is recognized that some offenses may be sufficiently serious as to warrant the omission of one or more of the normal steps of discipline progression.

C. The District may forego non-disciplinary action and take immediate action if:

1. MBU is charged by criminal complaint, information or indictment of any criminal offense which would be deemed cause for dismissal.

2. The MBUs offense is of such serious nature that failure to take immediate action would seriously disrupt the functioning of the workplace. Such offenses include, but are not limited to, unprofessional or immoral conduct as defined in the Arizona Administrative Code.

D. Whenever disciplinary action is taken against an MBU, the MBU may appeal by filing a grievance at Level III to the Employee Relations Department within ten (10) days for reprimand and 30 calendar days

for suspension.

E. Any discipline of an MBU by a supervisor, shall be conducted in private. No MBU shall be reprimanded and/or disciplined in the presence of pupils, parents, other employees, or the public.

16-4 Letters of Reprimand

Upon determination by a supervisor that there exists cause to impose discipline, the supervisor will notify the MBU via district email or hand delivery of the intent to impose discipline and schedule a meeting for issuance of the Written Reprimand. The MBU may waive this meeting within two (2) days of receiving the notice of intent to impose discipline by requesting the Written Reprimand be emailed to the MBU. An MBU's waiver of the meeting for the Written Reprimand is not intended to limit a supervisor's discretion to meet with the MBU to discuss performance and expectations. The reprimand will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and that failure to correct will result in more severe discipline.

A copy will be placed in the MBUs official personnel file, one copy will be given to the MBU, and one copy will be retained by the supervisor.

16-5 Suspension

If infraction(s) persist(s) or if the conduct is sufficiently severe warranting further discipline, the MBU will be notified and a meeting scheduled to give the MBU written notification that they have failed to improve and that suspension is being issued without pay. The notification will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and state that failure to correct such behavior may result in termination. A copy will be given to the MBU, and a copy will be placed in the MBUs official personnel file.

16-6 Pre-Termination Hearing

Prior to termination for misconduct, a pre-termination hearing will be held. The MBU will be notified in writing that the MBU is immediately suspended with pay and that a hearing will be scheduled. Following the hearing, the decision of the supervisor will be communicated to the MBU and the Human Resources Department. If termination is initiated, this decision will be communicated to the MBU by U.S. mail. The MBU will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter.

16-7 Termination

If the decision is to terminate the MBU, the decision will be communicated by U.S. mail. The MBU will be paid through the termination date which shall be no earlier than the day following the Pre-Termination Hearing. Termination of a teacher, and the right to a hearing, shall be in accordance with A.R.S. 15-539. For non-teacher MBUs, termination can be appealed by filing a grievance directly at Level III to the Employee Relations Department within ten (10) days of the date of the mailing, plus two days. The employee will be notified of the appeal process.

It is expected that management will follow the disciplinary steps based on the severity of the incident. Disciplinary steps may or may not be given in sequence and variations from these practices may occur including immediate termination, when in the District's sole discretion, the circumstances warrant, when an MBU receives a disciplinary action they do not agree with, the grievance process may be utilized to achieve a fair and impartial outcome. For teacher MBUs, the grievance process shall not delay the termination process according to A.R.S. 15-539.

16-8 Eligibility for Rehire

Refer to Governing Board Policy GBQ Eligibility for Rehire and GBQ-E Exhibit which provides examples of reasons for leaving and corresponding eligibility for rehire. Policy Exhibit GBQ-E is in Appendix II of this Agreement. See Tucson Unified Governing Board policies for most up to date version of policy and exhibit.

16-9 Written Reprimand Retention

At the request of the MBU, a letter of reprimand shall be removed from their personnel file provided:

A. The action leading to the reprimand, or any related action, has not been repeated in an eighteen (18) month period following the reprimand;

B. No other letter of reprimand has been placed in their personnel file in an eighteen (18) month period following the reprimand.

C. Any discipline issued as a result of physical abuse against a student shall remain in the MBUs official personnel file and is not subject to removal for five (5) years from the date of the Level III decision or a Memorandum of Agreement signed by TEA and TUSD has been received by the Office of Employee Relations. Removal is permitted after five (5) years at the request of the MBU and provided no additional reprimands have been issued during this period.

D. After five (5) years, and at the request of the MBU, the Employee Relations Director may agree to conduct a hearing to determine if a suspension can be removed from the requesting MBUs file in instances where accumulation of minor infractions resulted in suspension, and assuming no similar action has been documented.

16-10 Participation

MBUs participating in the discipline and dismissal proceedings shall receive their regular rate of pay for the actual time spent during their regularly scheduled workday to attend scheduled discipline conferences.

ARTICLE SEVENTEEN

ACADEMIC FREEDOM

17-1 Classrooms

CONTRACTS

31-1 Contracts

Any MBU identified in Appendix 1 who will be employed by the District for the 20252026-2026 2027 contract year shall be issued a written contract similar to the sample contract identified below. The TEA President/designee may review for accuracy the annual employment contracts prior to their distribution.

Title: Certificated and Licensed Contract For 20252026-20262027

[Employee], being appointed to perform duties in the Tucson Unified School District for the 20252026-2026 2027 school year, agrees to perform faithfully all duties assigned according to law and the rules legally established for the government and operation of the schools. Failure to meet stated requirements could constitute grounds for dismissal, subject to all statutory and District regulations governing dismissals.

This Contract is expressly conditioned upon the Employee holding licensure or certification (with appropriate endorsement(s) or approved areas issued by the Arizona Department of Education as appropriate to the position held) on or before the first duty day of the 20252026-2026 2027 school year and during the entire term of this contract.

This Contract is expressly conditioned on the Employee holding and maintaining, during the entire term of this contract a valid fingerprint card issued pursuant to A.R.S. §41-1758 and 15-534, as required.

Annual salary: In consideration of said services, satisfactorily performed, the Governing Board, on behalf of the School District, agrees to pay the above-named individual the Total Amount of the Contract as an annual salary, for full time equivalency (FTE). Partial contracts will be prorated accordingly. The base rate of pay shall be prorated to reflect the actual days of service if less than the number of days specified in Article 12 of the Consensus Agreement. Compensation may also include an advanced degree stipend as specified in Article 29 of the Consensus Agreement. Such stipends will also be prorated to reflect the actual days of service if less than the number of days specified in Article 12.

Liquidated Damages: Employee will be obligated to pay the District: (1) $1,000.00 if Employee terminates this contract between July 1, 2025 2026 through the end of July 15, 20252026; or (2) $2,000.00 if Employee terminates this contract beginning July 16, 2025 2026 through the end of December 19,20252026; or (3) $2,000.00 if Employee terminates this contract beginning January 5, 2026 2027 through the end of May 22, 20262027.

Classroom site fund plan: A teacher may qualify to be paid 301 Pay to Perform monies pursuant to the "Implementation plan for the classroom site fund" ("Performance Pay Plan") for the 20252026-2026 2027 school year adopted by the TUSD Governing Board. In accordance with the Performance Pay Plan, the monies received by the District pursuant to, and as a result of, the Classroom Site Fund that are required to be allocated for teacher compensation based on performance, shall be distributed among District teachers who qualify for such payments.

If Employee qualifies to be paid Performance Pay, pursuant to the District's Performance Pay Plan, the method and timing of payment of such monies, as well as the amount of any such Performance Pay, shall be as specified in the Performance Pay Plan. Any Performance Pay earned by the Employee under the Performance Pay Plan shall be in addition to the monies earned by the Employee as base salary.

All Classroom Site Fund increases anticipated by this contract are contingent upon receipt of funding or legislative authorization to expend. Any increase realized for a given year may be decreased for subsequent years if the level of funding received by the District or if expenditures authorized by the legislature for these components of Classroom Site Fund are not maintained or are decreased, or if the teacher does not qualify or successfully participate in a plan implementing the component.

The Total Amount of the Contract shall be the combination of: (1) the base salary for the step to which Employee is assigned on the Employee's applicable salary schedule set forth in Article 29 of the Consensus Agreement approved by the Governing Board for the 20252026-2026 2027 contract year ("20252026-2026 2027 Consensus Agreement"), and (2) any,

if applicable, Performance Pay which shall be identified as "Supplemental Base" and/or "Supplemental Menu" on said salary schedule.

The District is providing this Contract to Employee to confirm Employee's appointment for the 20252026-2026-2027 school year. Employee understands and agrees that the Total Amount identified below is the total amount for the step assigned to Employee for the 20252026-2026-2027 Consensus Agreement. Employee acknowledges that the Total Amount may increase if the Governing Board approves an increase to either the base salary or supplemental monies. Employee will not be mandated to file additional paperwork/amendment to receive the additional monies as these sums will be automatically directed to Employee.

The District will notify Employee electronically through Infinite Visions if the Governing Board approves a step increase and/or if there is a change to the Total Amount as a result of the Governing Board adopting a 20252026-2026-2027 Consensus Agreement.

Employee's acceptance of this Contract constitutes acceptance of the Total Amount identified for Employee's assigned step in the 20252026-2026-2027 Consensus Agreement as well as acceptance of the assigned step identified as the Salary Schedule
below or any applicable step increase that may thereafter be approved by the Governing Board for the 20252026-2026-2027 contract year.

In-service activities may, in any event, be provided on grading days on a strictly voluntary basis for each MBU.

C. Any and all materials and written information distributed at voluntary in-services shall be distributed to the faculty or department.

ARTICLE THIRTEEN

EVALUATION

13-1 Purpose

The purpose of this procedure is to evaluate the progress and success of both newly employed and experienced MBUs for the purpose of improving instruction and services. Evaluation also provides the basis for administrative decisions. Such decisions may include the employment of personnel, their assignment, the movement to continuing status, or termination. If any conflict arises between the language of this Article and the Teacher Evaluation Process adopted by the Governing Board under Arizona statute, the Teacher Evaluation Process shall govern for the purposes of discipline, assignment, renewal, or termination of teachers.

13-2 Evaluation Instrument and Process

A. The District shall ensure that the evaluation system is in accordance with State law and shall develop the instrument in collaboration with TEA.

B. Orientation **-** The evaluator of the teacher(s) will conduct an orientation and provide materials outlining the evaluation process. This will be done by the principal or supervisor in a group setting prior to the first teaching day of each school year. The difference between evaluation and observation will be discussed during this time.

C. Conference - Beginning of the Year – By the end of the first quarter**,** the teacher and the evaluator will meet to discuss the evaluation process. Discussion must be about the teacher's goals and objectives for the classroom/school; measurable targets; standards for performance; pertinent student academic progress data; the analyses of parent and student survey data; and previous evaluation results.

1. It is important to consider the context in which the evaluation occurs. The experience level of the teacher should be taken into consideration. The performance of a novice teacher (a teacher new to the profession with fewer than three years of experience) is likely to be different from that of a more experienced teacher (a teacher with three or more years of experience) or reassigned teacher (a teacher who has been newly assigned to a grade, a content area or a school). Discussion of context should occur in the first conference.

2. The descriptions of the performance classification levels should be reviewed and discussed based on the goals being set during this conference.

3. During this initial conference, the evaluator and the teacher will review the teaching practices identified in the Danielson Domains. It is suggested that the components associated with each Danielson Domain be reviewed and discussed. The evaluator and teacher should be clear as to the expectations in each domain.

4. Throughout the year the teacher will work on established goals and collect evidence of success for future discussion with the evaluator. Scheduled and/or announced observations and/or conferences may also occur during this time.

D. The first formal observation will be scheduled. A conference should precede this formal observation for the purpose of identifying the details of the upcoming observation. Lesson plans will be shared, activities described, materials identified, teacher self-review discussed, etc. This individual conference will be completed face to face. This is an appropriate time for the informal observation and teacher self-review to be discussed.

E. Teacher Self-Review **-** This process is completed by the teacher in preparation for the evaluation process. The teacher reflects on their professional skills and knowledge as they relate to the InTASC Standards. This may be completed through a reflection including the domains of a framework utilized in the observation process. The Teacher Self-Review will be completed by December 1st of each year.

F. Formal Observation #1 **-** Observation of a complete and uninterrupted lesson.

G. Post Observation Conference #1 **-** The purpose of this meeting is to identify areas of strengths and opportunities for improvement based upon documentation provided to the teacher. Plans, activities and/or strategies to help improve student academic performance and non-academic performance should be the outcomes of this conference. Announced observations/conferences may also occur during this time.

H. Pre–Observation Conference #2 **-** An optional conference, may precede the second formal observation for the purpose of identifying the details of the upcoming observation. Lesson plans may be shared, activities described, materials identified, teacher self-review discussed, etc. This conference shall be held if: a) a teacher scores 29 points or less in Domains 2 & 3; or b) upon teacher request.

I. Formal Observation #2 -Observation of a complete and uninterrupted lesson. Required for teachers who score 29 points or less in Domains 2 & 3 from the first observation or by teacher request. This is an announced observation in which the teacher has been given a date range of no more than two weeks.

J. Post–Observation Conference #2 – This is the teacher evaluation conference that may complete the evaluation cycle. - If this is the final Post Observation Conference, the summative evaluation document shall be prepared and presented to the teacher at least one day before conference. This may be done electronically through the evaluation management system. A review of data and other evidence of the teacher's performance is done at this time. The identification of future actions for teacher improvement/growth will also be determined. The teacher evaluation and performance classification are forwarded to the Assistant Superintendent. It is acceptable that the student achievement data being used in the evaluation process lags one year and represents prior year data.

13-3 Observation/Evaluation Procedure – Teachers

A. Observations shall be conducted only by qualified evaluators. Input into evaluations may be provided by other appropriately qualified evaluators. Each formal observation of performance will be made in person for an uninterrupted lesson. All monitoring and observations of the performance of a MBU will be conducted openly and with the full knowledge of the MBU.

B. In high schools, the MBU and administrator may request that the department chairperson observe the MBU's performance and also provide a written statement of the observation to the MBU and administrator. The department chairperson will not observe for the purpose of evaluation without prior knowledge and consent of the MBU. The administrator will continue to have full and final responsibility for the written evaluation.

C. The initial observation will be pre-arranged by the evaluator and the MBU.

D. Information from MBUs who have been assigned to assist MBUs shall not be used as a basis for teacher evaluations.

Status of Teacher	Minimum Number of Annual Formal Observations	Minimum Length of Formal Observations	Minimum Elapsed Time Between the First and Last Observation	Observation Deadlines per Semester	Summative Evaluation Completed
Teachers	1	Complete uninterrupted lesson	60 Days	December 1 May 1	May 15
Teachers Scoring 30 Points or More on First Observation	1	Complete uninterrupted lesson	60 Days	December 1 If a second observation is requested it must be completed by May 1	January 31

I. For all teachers, the evaluation shall include a minimum of one observation no later than December 1. If a teacher scores 29 points or fewer in domains 2 & 3 on the first observation, or if teacher requests an additional observation, a second observation shall take place no later than May 1st.

a. Should the first observation not be completed by the December 1 deadline and a second observation occurs, only the components that scored below a three will be observed and scored.

II. Each formal observation shall be followed by a conference. Teachers will complete teacher self-review by December 1.

III. By January 15th of each year, the evaluator will complete domains 1 & 4 for those teachers who scored 30 points or more in domains 2 & 3 on their first observation.

IV. Evaluators shall complete each teacher's final summative evaluation no later than May 15 for teachers who score fewer than 30 points and no later than January 31 for teachers who score 30 points or more. The final evaluation shall be signed by the teacher at the final conference. The signature of the teacher indicates only that teacher has seen the statement of evaluation but does not necessarily indicate agreement with the contents of the statement. No teacher shall be required to sign a blank or incomplete evaluation form.

V. There shall be only ONE final evaluation document for teachers unless there is a plan for improvement which requires a second evaluation.

13-4 Rebuttal or Response; APPEALS

A. In the event that the MBU believes the evaluation is incomplete or unjust, the MBU may file a response or rebuttal in writing within ten days of the receipt of the evaluation document. The rebuttal or response shall be attached to the evaluation placed in the personnel file.

B. In the event that the MBU believes the evaluation is incomplete or unjust, the MBU may file an appeal to the joint TUSD/TEA appeals panel. The appeal must be filed by May 31st and provide supplemental evidence to the hearing panel within 10 days of filing the appeal.

13-5 Performance Improvement Conversations

Following classroom observations, when deficiencies in performance are recognized, the supervisor will give informal verbal feedback, which are verbal recommendations for improvement. The purpose of such conversations is to encourage the employee to utilize a variety of strategies to improve performance. Both the supervisor and the employee shall identify additional strategies pursuant to TUSD policy regulation GCO as agreed by TUSD and TEA.

13-6 Plan for Improvement

A. When an evaluation score classifies a certificated teacher as ineffective (or developing or lower for two consecutive evaluation periods), the teacher must be placed on a Plan for Improvement and a written preliminary notice of inadequacy of classroom performance shall be issued to the teacher unless the teacher meets the criteria for an exception as set forth in Governing Board Policy GCO.

B. Within thirty (30) calendar days from the plan start date, the MBU may request additional observation by the principal or an outside evaluator.

C. TEA shall select an objective and qualified evaluator from a comprehensive list published by TUSD September 30th with input from TEA.

D. Written plans for improvement will be provided when performance improvement strategies have not resulted in the deficiencies being corrected. MBUs for whom a plan for improvement is required, shall have the opportunity to suggest content for that plan prior to its finalization by the supervisor. The plan for improvement shall be written in accordance with state statutes and shall provide assistance to the MBU such as, but not be limited to:

1. Demonstration;

2. Direction of the MBU toward a model for emulation, allowing opportunities for observation and consultation;

3. Initiation of conferences with evaluator and MBU to plan positive moves toward improvement of the MBU's performance.

4. Guidance for the MBU toward professional growth may include opportunities to attend workshops, in-services or conferences which will lead to professional growth in areas identified as deficiencies;

5. Observation, continued and sustained, by the evaluator to note date-to-day lessons and their inter-relationships;

6. Maintenance and expansion of the collection of professional literature with assigned reading, designed to suggest possible solutions to identified problems.

13-7 Eavesdropping

The use of eavesdropping, public address, or audio systems, and similar surveillance technology shall be strictly prohibited. However, on school buses, video devices may be used to ensure student safety. The District shall notify the Association regarding the installation/use of any such equipment to be used for student safety. At no time shall the District use surveillance in a location where employees or students have a reasonable expectation for privacy.

13-8 Personnel File(s)

A. A MBU shall have the right to review the contents of their personnel file(s) and to receive a copy of each at District expense. A MBU shall be entitled to have a representative of the Association accompany them during such review. A MBU shall have the right to indicate those documents and/or other materials in the file(s) which may be obsolete, inaccurate or otherwise inappropriate to retain. Upon written request of the MBU to the Director of Employee Relations, said documents shall be reviewed by the Superintendent or the designee, and if, in fact, they are obsolete, inaccurate, or otherwise inappropriate to retain they shall be destroyed.

B. A MBU may provide a representative with a signed, dated permission statement allowing a designated representative to have access to and copy (at reasonable cost) the content of the MBU's official personnel file. Such permission shall be no longer than ten (10) days from the date of the signed permission statement. All representatives shall process such statements through the Chief Human Capital Officer prior to accessing the MBU's official personnel file.

C. No materials derogatory to a MBU's conduct, performance, character or personality shall be placed in the personnel file(s) unless the MBU has had the opportunity to review the material. The MBU shall acknowledge that they have had the opportunity to review such material by affixing their signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The MBU shall also have the right to submit a written answer to such material which shall be reviewed and signed by the Superintendent or the designee and attached to the file copy(ies). The signature of the Superintendent or the designee shall in no way indicate agreement with the contents thereof.

13-9 Non-Renewal

A. Non-renewal of teachers for performance deficiencies shall be in accordance with state and federal statutes.

B. Failure to re-employ non-certified MBUs for performance deficiencies shall not be without just cause. Non-renewal may be appealed by filing a grievance at Level III.

13-10 Procedure – MBUs also acting as Head High School Coaches and Middle School Coaches

A. MBUs in extra duty assignments remain in probationary status for the first three years of that assignment. This probationary period may be extended by mutual agreement between the District and the MBU.

B. Prior to the beginning of each coaching season, the evaluator shall meet with coaches for the purpose of orienting them to the total evaluation plan and shall supply a copy of the evaluation instrument to each coach.

C. Prior to the first scheduled event, the coach will complete the appropriate sections of the evaluation form, setting forth goals and objectives for the season, and return it to the evaluator.

D. During the season, the evaluator will observe the coach at least once during practices, and at least once during events.

E. The evaluator will meet with the coach within fifteen (15) days after the end of the season to complete the evaluation.

F. The evaluator and coach will sign the evaluation form. The coach's signature indicates only that the coach has been the statement of evaluation but does not necessarily agree with the contents of the statement. No coach shall be required to sign a blank or incomplete evaluation form.

G. The evaluator may request input regarding the coach's performance from the Athletic Director. Only administrators shall evaluate coaches.

H. Only the following provisions of this agreement will apply to high school and middle school coaches: 13-1 Purpose; 13-4 Rebuttal or Response; 13-7 Eavesdropping; 13-8 Personnel File(s); 13-10 Procedure for Middle and High School Coaches; 3-11 Representation and 3-12 Complaints.

ARTICLE FOURTEEN
CLASSROOM CONTROL AND STUDENT DISCIPLINE

14-1 A. The MBU has a primary responsibility for facilitating learning and maintaining discipline in the classroom. A MBU may exclude a disruptive student from the room, in accord with A.R.S.-15-841. The student may be removed from the classroom for 30 minutes or the duration of the period, provided it is consistent with the GSRR and the USP. The student will be provided with work in an academic setting.

B. Prior to the first day of class, every MBU shall be provided with a copy of the school's student discipline procedure. MBUs can access a copy of the TUSD student rights and responsibilities document on the TUSD website. Said policies must make provision for student exclusion even in the case of administrative absence.

C. A teacher may remove a pupil from the classroom if either of the following conditions exists:

1. The teacher documented that the pupil has repeatedly interfered with the teacher's ability to communicate effectively with the other pupils in the classroom or with the ability of the other pupils to learn.

2. The teacher has determined that the pupil's behavior is so unruly, disruptive or abusive that it seriously interferes with the teacher's ability to communicate effectively with other pupils in the classroom or with the ability of the other pupils to learn.

D. If, after discussion of the matter with the principal or the designee, the MBU objects to the readmission of the disruptive student to the classroom, the matter will be referred to the Placement Review Committee. The Committee shall be composed of two (2) teachers who are selected by the faculty members and one (1) administrator. The faculty members shall select a third teacher as an alternate member of the committee. If a committee member is the teacher refusing to readmit the disruptive student, the alternative member shall replace that teacher on the committee determining that student's readmission. The principal shall not return the disruptive student to the classroom without the teacher's consent until the committee determines it is the best or only practical alternative. The process for determining placement of a pupil in a class, or replacement in an existing class shall not exceed three (3) days from the date the pupil was first removed.

14-7 When an MBU and the site administrator have mutually determined that the MBU is in imminent physical danger through verbal, written or physical assault, the MBU may be allowed up to two (2) days leave not charged to the MBU.

ARTICLE FIFTEEN

The seniority list shall also itemize, after each name, each MBU's area(s) of certification. The seniority list shall be delivered to the Association by October 1 of each year. MBUs shall have the right to challenge their placement on the seniority list.

B. Preliminary Notice
The district human resources office shall first give notice of recall to MBUs by phone.

C. Response
Members of the bargaining unit (MBUs) shall accept or reject the offered position within forty-eight (48) hours from the receipt of the recall opportunity. The association shall be notified in a timely manner about who has been recalled. The recall letter shall specify the position which is vacant, including the site, assignment, and full-time equivalency for the position. B. Benefits

ARTICLE SIXTEEN
NON-DISCIPLINARY ACTIONS, DISCIPLINE & DISMISSAL FOR MISCONDUCT

16-1 Rules

A. Violations by MBUs of the rules, regulations, or policies of the Governing Board or of state and federal laws may result in disciplinary action, which shall be in accordance with these rules.

B. The Governing Board or designee(s) reserves the right not to discipline a MBU for a violation of the rules, regulations, or policies of the Governing Board.

C. A MBU may be disciplined for just cause including, but not limited to, the following reasons:

1. Conduct which is a violation of any of the applicable rules, regulations, and policies of the Governing Board.

2. Conduct which fails to comply with any applicable duties as set forth in the Arizona Revised Statutes.

3. Insubordination.

4. Unprofessional conduct including but not limited to:

a. Physical and/or verbal abuse of a pupil.

b. Being under the influence of or using alcohol or illegal drugs while on duty.

c. Conduct while on duty which would constitute a criminal offense.

d. Conviction of a felony.

e. Unauthorized absences which result in responsibilities not being performed.

f. Misuse or unauthorized use of District property.

D. When appropriate, discipline shall be issued as soon as practical following a letter of inquiry. It is, however, reasonable for a supervisor to await a final determination from an outside agency (such as law enforcement, a court, or other state or federal agency) before determining if discipline is appropriate. A notice of intent to impose discipline should be issued within five (5) days after receipt of the MBU's response to a letter of inquiry. However, if additional time is required by either party for appropriate due process to occur, requests may be made to extend deadlines, and no such request shall be denied arbitrarily.

16-2 Non-Disciplinary Action

Supervisors will utilize non-disciplinary action as a means to counsel and instruct MBUs on minor infractions, behavior deficiencies or offenses to establish or clarify expectations and make necessary improvements in their behavior. It will not be used for conduct towards students that is deemed highly inappropriate by a reasonable person's standard, is unprofessional or immoral as defined in the Arizona Administrative Code and/or which may be construed as criminal.

A. Informal conference

A Supervisor will meet with MBU informally via phone, in-person or via email to discuss minor behavior infractions that do not warrant discipline.

B. Letters of Direction

1. Will serve as a warning to an MBU that there may be a need to take further disciplinary action should the conduct continue or repeat.

2. When an MBU transfers or relocates, said letter may be transmitted to the files of the new supervisor only after the transfer or relocation has been completed.

3. After six months from the date of the letter of direction, at the written request of the MBU, the letter of direction shall be removed from the files of the supervisor provided that both of the following conditions are met:

a. The action leading to the letter of direction, or any related action, has not been repeated in

the six-month period following the letter of direction;

b. No other letter of direction has been placed in the MBUs file(s) in the six-month period following the letter of direction.

16-3 Progressive Discipline

A. The District shall use progressive discipline as a means to identify and correct problems. Progressively more severe penalties may be imposed when related offenses are repeated. This does not require that each penalty be more severe than the immediate preceding one regardless of the offense involved. Progressive discipline encourages supervisors to informally counsel and instruct MBUs about necessary improvements in their behavior prior to taking disciplinary action (Non-Disciplinary Action).

B. The normal sequence of disciplinary action shall be as follows:

1. Written Reprimand I;
2. Written Reprimand II;
3. Suspension without pay for up to ten (10) days;
4. Termination;
5. It is recognized that some offenses may be sufficiently serious as to warrant the omission of one or more of the normal steps of discipline progression.

C. The District may forego non-disciplinary action and take immediate action if:

1. MBU is charged by criminal complaint, information or indictment of any criminal offense which would be deemed cause for dismissal.
2. The MBUs offense is of such serious nature that failure to take immediate action would seriously disrupt the functioning of the workplace. Such offenses include, but are not limited to, unprofessional or immoral conduct as defined in the Arizona Administrative Code.

D. Whenever disciplinary action is taken against an MBU, the MBU may appeal by filing a grievance at Level III to the Employee Relations Department within ten (10) days for reprimand and 30 calendar days for suspension.

E. Any discipline of an MBU by a supervisor, shall be conducted in private. No MBU shall be reprimanded and/or disciplined in the presence of pupils, parents, other employees, or the public.

16-4 Letters of Reprimand

Upon determination by a supervisor that there exists cause to impose discipline, the supervisor will notify the MBU via district email or hand delivery of the intent to impose discipline and schedule a meeting for issuance of the Written Reprimand. The MBU may waive this meeting within two (2) days of receiving the notice of intent to impose discipline by requesting the Written Reprimand be emailed to the MBU. An MBU's waiver of the meeting for the Written Reprimand is not intended to limit a supervisor's discretion to meet with the MBU to discuss performance and expectations. The reprimand will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and that failure to correct will result in more severe discipline.

A copy will be placed in the MBUs official personnel file, one copy will be given to the MBU, and one copy will be retained by the supervisor.

16-5 Suspension

If infraction(s) persist(s) or if the conduct is sufficiently severe warranting further discipline, the MBU will be notified and a meeting scheduled to give the MBU written notification that they have failed to improve and that suspension is being issued without pay. The notification will describe the specific inappropriate behavior involved, expectations for future behavior, and the requirements for remediation and/or improvement, and state that failure to correct such behavior may result in termination. A copy will be given to the MBU, and a copy will be placed in the MBUs official personnel file.

16-6 Pre-Termination Hearing

Prior to termination for misconduct, a pre-termination hearing will be held. The MBU will be notified in writing that the MBU is immediately suspended with pay and that a hearing will be scheduled. Following the hearing, the decision of the supervisor will be communicated to the MBU and the Human Resources Department. If termination is initiated, this decision will be communicated to the MBU by U.S. mail. The MBU will be paid through the date of termination (which shall be no earlier than the day following the hearing) as specified in the letter.

16-7 Termination

If the decision is to terminate the MBU, the decision will be communicated by U.S. mail. The MBU will be paid through the termination date which shall be no earlier than the day following the Pre-Termination Hearing. Termination of a teacher, and the right to a hearing, shall be in accordance with A.R.S. 15-539. For non-teacher MBUs, termination can be appealed by filing a grievance directly at Level III to the Employee Relations Department within ten (10) days of the date of the mailing, plus two days. The employee will be notified of the appeal process.

It is expected that management will follow the disciplinary steps based on the severity of the incident. Disciplinary steps may or may not be given in sequence and variations from these practices may occur including immediate termination, when in the District's sole discretion, the circumstances warrant, when an MBU receives a disciplinary action they do not agree with, the grievance process may be utilized to achieve a fair and impartial outcome. For teacher MBUs, the grievance process shall not delay the termination process according to A.R.S. 15-539.

16-8 Eligibility for Rehire

Refer to Governing Board Policy GBQ Eligibility for Rehire and GBQ-E Exhibit which provides examples of reasons for leaving and corresponding eligibility for rehire. Policy Exhibit GBQ-E is in Appendix II of this Agreement. See Tucson Unified Governing Board policies for most up to date version of policy and exhibit.

16-9 Written Reprimand Retention

At the request of the MBU, a letter of reprimand shall be removed from their personnel file provided:

A. The action leading to the reprimand, or any related action, has not been repeated in an eighteen (18) month period following the reprimand;

B. No other letter of reprimand has been placed in their personnel file in an eighteen (18) month period following the reprimand.

C. CONTRACTS

31-1 Contracts

Any MBU identified in Appendix 1 who will be employed by the District for the 2026-2027 contract year shall be issued a written contract similar to the sample contract identified below. The TEA President/designee may review for accuracy the annual employment contracts prior to their distribution.

Title: Certificated and Licensed Contract For 2026-2027

[Employee], being appointed to perform duties in the Tucson Unified School District for the 2026-2027 school year, agrees to perform faithfully all duties assigned according to law and the rules legally established for the government and operation of the schools. Failure to meet stated requirements could constitute grounds for dismissal, subject to all statutory and District regulations governing dismissals.

This Contract is expressly conditioned upon the Employee holding licensure or certification (with appropriate endorsement(s) or approved areas issued by the Arizona Department of Education as appropriate to the position held) on or before the first duty day of the 2026-2027 school year and during the entire term of this contract.

This Contract is expressly conditioned on the Employee holding and maintaining, during the entire term of this contract a

valid fingerprint card issued pursuant to A.R.S. §41-1758 and 15-534, as required.

Annual salary: In consideration of said services, satisfactorily performed, the Governing Board, on behalf of the School District, agrees to pay the above-named individual the Total Amount of the Contract as an annual salary, for full time equivalency (FTE). Partial contracts will be prorated accordingly. The base rate of pay shall be prorated to reflect the actual days of service if less than the number of days specified in Article 12 of the Consensus Agreement. Compensation may also include an advanced degree stipend as specified in Article 29 of the Consensus Agreement. Such stipends will also be prorated to reflect the actual days of service if less than the number of days specified in Article 12.

Liquidated Damages: Employee will be obligated to pay the District: (1) $1,000.00 if Employee terminates this contract between July 1, 2026 through the end of July 15, 2026; or (2) $2,000.00 if Employee terminates this contract beginning July 16, 2026 through the end of December 19,2026; or (3) $2,000.00 if Employee terminates this contract beginning January 5, 2027 through the end of May 22, 2027.

Classroom site fund plan: A teacher may qualify to be paid 301 Pay to Perform monies pursuant to the "Implementation plan for the classroom site fund" (“Performance Pay Plan”) for the 2026-2027 school year adopted by the TUSD Governing Board. In accordance with the Performance Pay Plan, the monies received by the District pursuant to, and as a result of, the Classroom Site Fund that are required to be allocated for teacher compensation based on performance, shall be distributed among District teachers who qualify for such payments.

If Employee qualifies to be paid Performance Pay, pursuant to the District's Performance Pay Plan, the method and timing of payment of such monies, as well as the amount of any such Performance Pay, shall be as specified in the Performance Pay Plan. Any Performance Pay earned by the Employee under the Performance Pay Plan shall be in addition to the monies earned by the Employee as base salary.

All Classroom Site Fund increases anticipated by this contract are contingent upon receipt of funding or legislative authorization to expend. Any increase realized for a given year may be decreased for subsequent years if the level of funding received by the District or if expenditures authorized by the legislature for these components of Classroom Site Fund are not maintained or are decreased, or if the teacher does not qualify or successfully participate in a plan implementing the component.

The Total Amount of the Contract shall be the combination of: (1) the base salary for the step to which Employee is assigned on the Employee’s applicable salary schedule set forth in Article 29 of the Consensus Agreement approved by the Governing Board for the 2026-2027 contract year (“2026-2027 Consensus Agreement”), and (2) any, if applicable, Performance Pay which shall be identified as “Supplemental Base” and/or “Supplemental Menu” on said salary schedule.

The District is providing this Contract to Employee to confirm Employee’s appointment for the 2026-2027 school year. Employee understands and agrees that the Total Amount identified below is the total amount for the step assigned to Employee for the 2026-2027 Consensus Agreement. Employee acknowledges that the Total Amount may increase if the Governing Board approves an increase to either the base salary or supplemental monies. Employee will not be mandated to file additional paperwork/amendment to receive the additional monies as these sums will be automatically directed to Employee.

The District will notify Employee electronically through Infinite Visions if the Governing Board approves a step increase and/or if there is a change to the Total Amount as a result of the Governing Board adopting a 2026-2027 Consensus Agreement.

Employee’s acceptance of this Contract constitutes acceptance of the Total Amount identified for Employee’s assigned step in the 2026-2027 Consensus Agreement as well as acceptance of the assigned step identified as the Salary Schedule below or any applicable step increase that may thereafter be approved by the Governing Board for the 2026-2027 contract year.

Section 15-503 unless there has been compliance with the procedure set forth in Policy Regulation GCO-R2 entitled Administrator Evaluation Procedure or unless the non-renewal is pursuant to Article 8 (Reduction in Force). This paragraph shall not be construed to abrogate any rights afforded to an administrator under Title 15, Arizona Revised Statutes. Nothing in this paragraph shall be construed to limit the District's authority or its ability to discipline or dismiss an administrator for unprofessional conduct in violation of Governing Board Policy and/or Arizona laws.

6-8 Psychologists covered by this Agreement are employed by individual contracts on an annual basis, or pro-rata annual basis, as applicable. Psychologists receive no "tenure" rights and contracts are subject to non-renewal. This provision shall not be construed to abrogate any rights afforded to a Psychologist under Arizona Revised Statutes, Title 15.

ARTICLE SEVEN –ADMINISTRATIVE SUBSTITUTES

7-1 When the District receives notice from a school site administrator that they will not be able to perform their duties at the site for longer than ten (10) days, the District shall, without delay, replace that administrator so that the amount of administrative support at the site is not reduced. Additionally, in the event that an administrator is fulfilling or serving in the position of another administrator who is unable to perform their duties, the administrator substituting shall be paid at their step on the grade of the administrator for whom they are substituting. For example, if an assistant principal is asked to act as the designated or acting principal for more than ten (10) days (other than for vacation days), that assistant principal shall be paid as a principal for the time they are substituting.

ARTICLE EIGHT – REDUCTION IN FORCE

8-1 Prior to any programmatic or budgetary position elimination proposal by staff to the Governing Board, ELI shall, in writing, be provided with information regarding the reasons for such proposals in sufficient time to respond. Such notice shall be provided to ELI as early as possible. Staff will be consulted on a regional or divisional basis in

order to provide a fair opportunity for input. However, such information will not be provided in those cases where the failure to offer a contract to an individual is due to performance deficiencies or unprofessional conduct.

8-2 If a RIF is initiated due to the closure of a school, the District shall notify any affected employee of a pending contract non-renewal as soon as practicable, but no later than March 1.

8-3 If an administrator or psychologist has not had their contract renewed for programmatic or budgetary reasons, then for a period of three years they shall be offered a site level interview for any available, comparable position in the District where appropriate certification is met. An administrator or psychologist who has not had their contract renewed because of performance evaluation or unprofessional conduct will not be provided such opportunity.

8-4 At the discretion of the Superintendent, administrators and psychologist who have had their contract non-renewed for programmatic or budgetary reasons may be recommended for assignment to vacant positions in accord with their credentials, experience, and qualifications. Without limiting the Superintendent's discretion, the Superintendent shall prioritize assignment of employees affected by this article.

8-5 If recalled in accord with 8-3 above, all unused sick leave accrued up to the point the RIF took effect would be restored if it has not been paid out at the time of separation.

All RIFed employees shall be eligible for COBRA benefits as described on the District's website. However, the District will pay the full cost of the COBRA benefits through the month following termination of the employee's contract. For example, if the employee's contract terminates in June, the district will pay all COBRA premiums through July. Thereafter, RIFed employees are responsible for the COBRA premiums at the employee's expense.

8-7 A RIFed administrator who accepts a teaching position in the District pursuant to Article Ten may elect to receive an immediate payout of their sick leave accrued through their current administrative contract with the District. Notice of that election must be submitted to Human Resources on or before November 30 of the school year immediately following the reduction in force notice of non-renewal as an administrator. The accrued sick leave shall be paid within 45 days of notice of the election being provided to Human Resources. The rate of the payout will be calculated pursuant to the provisions of Article 9. A RIFed administrator who does not elect the immediate payout option will maintain their accrued sick leave balance, which balance and additional accruals, if any, will be paid out at separation from the District according to the provisions of the bargaining group agreement pertaining to the employee group the employee is in at the time of separation (e.g. Consensus).

Evaluation Instrument

The Administrator Evaluation Instrument, attached as Exhibit 3, will be utilized for evaluations of principals. The signature of the employee acknowledges receipt of the evaluation and does not necessarily indicate agreement with the content of the statements. The final evaluation report will be placed in the official personnel file in the Human Resources Department. If an employee disputes the content of said evaluation report, the employee will be responsible for writing a rebuttal to the evaluation and providing a copy to the evaluating supervisor and the Human

Resources Department for inclusion in the personnel file. The Administrator Evaluation Instrument shall be used for all other administrators, as appropriate.

Evaluation Procedure
Orientation
The evaluator of the principal(s) will conduct an orientation and provide materials outlining the evaluation process. It is suggested that this be done by the superintendent, or designee in a group setting at the beginning of the school year.

Beginning of the Year Conference
By the end of the first quarter, the principal and the evaluator will meet to discuss the evaluation process. Discussion must be about the principal's goals for the school; measurable targets; standards for performance; pertinent student academic progress data; the analyses of parent and staff survey data; and previous evaluation results. It may be helpful to refer to the School Fact Sheet when discussing school capacity, current achievement and teacher/student demographic information.

It is important to consider the context in which the evaluation occurs. This is an opportunity for the principal and the evaluator to discuss the full context of the school and any relevant information that would affect performance. The experience level of the principal should be taken into consideration. The performance of a novice principal is likely to be different from that of a more experienced principal. The school experience of the faculty, involvement of parents, etc. are other areas of consideration. Discussion of context should occur in the first conference.

The descriptions of the performance classification levels should be reviewed and discussed based on the goals being set during this conference. Throughout the year the principal will work on established goals and collect evidence of success for future discussion with the evaluator. Planned and/or announced observations and/or conferences may also occur during this time.

Mid-Year Conference
By the end of January, this meeting will occur to identify areas of strengths and opportunities for improvement based upon documentation provided by the principal. Plans, activities and/or strategies to help improve student academic performance and leadership performance should be the outcomes for this conference. Mid-year adjustments to the Goal Setting Worksheet may be made at this time along with any relevant information that might impact progress towards meeting goals. The principal should continue to work on the established goals and if appropriate, collect related evidence or artifacts for future documentation. Announced observations/ conferences may also occur during this time.

End of year Conference
This is the principal evaluation conference that completes the evaluation cycle. A review of data and other evidences of the principal's leadership are done at this time. Information is recorded and points determined resulting in a performance level designation. The identification of future

actions for school or principal improvement/growth will also be determined. The Principal Performance Based Evaluation Summary Form is forwarded to the Assistant Superintendent.

Retired ASRS Administrators
Rehired ASRS retirees will be evaluated each year according to state statute. However, none of the provisions set forth below (Performance Improvement Conversations, Plan for Improvement, Non-Renewal or Dismissal, Conflict Resolution Procedure) apply to rehired ASRS retirees.

Performance Improvement Conversations
When performance deficiencies in one or more PSEL Standards as outlined in the administrator's current evaluation instrument are noted by the supervising administrator, that supervisor shall discuss such deficiencies and coach the administrator with suggestions for improvement. Such conversations shall be followed up with an e-mail documenting the deficiency (ies) and the suggestions for improvement. The supervisor shall also outline supports available to the administrator. If adequate progress has not been made after a reasonable time, the supervisor may place the administrator on a written Plan for Improvement.

Plan for Improvement
If adequate progress has not been made after a reasonable time following being informed of the nature of the deficiencies, the supervisor may place the administrator on a written Plan for Improvement (Plan) regardless of whether the evaluation has been completed. The Plan shall be based on evidence of performance deficiency (ies) in one or more PSEL standards as outlined in the administrator's current evaluation instrument. The Plan shall be in writing and designed to instruct and guide the administrator so that the deficiency (ies) can be rectified. The Plan for Improvement will provide clear direction for the administrator and also provide evidence of support in order to assist the administrator. The supervisor shall meet with the administrator regularly, preferably once a month, at the administrator's site, to review progress on the Plan. If adequate progress has been made on the Plan, the administrator will be removed from the Plan. If, after a minimum of forty-five (45) instructional days, the administrator has not made adequate progress on the Plan, the supervisor has the option of extending the Plan, or recommending non-renewal of the employment contract.

Non-Renewal or Dismissal for Performance Deficiencies

Additionally, non-renewal or dismissal of an administrator for performance deficiencies pursuant to the performance evaluation procedure set forth in this regulation will also include the opportunity for the Administrator to receive the performance improvement conversations set forth

above and a formal Plan for Improvement before an administrator's contract can be non-renewed pursuant to A.R.S. § 15-503 for performance deficiencies except in the following cases:

A. Any certificated administrator who has failed to pass the qualified evaluator training that authorizes the administrator to conduct certificated teacher evaluations, within two testing attempts.

ARTICLE SIXTEEN - ADDITIONAL FTE ENTITLEMENT

16-1 Additional FTE Entitlement

In an elementary school with an enrollment entitling it to an "additional FTE" (currently over 600 students, including all pre-school children utilizing the school's facilities), the site administrator in consultation with the supervising administrator shall have the discretion to fill that position with any category of employee determined as most needed.

ARTICLE SEVENTEEN - ADMINISTRATIVE TRANSFERS

17-1 Purpose

The purpose of the following provisions on administrative transfers is to ensure consistent, fair and equitable transfer opportunities and assignments for all administrators. Transfers are not intended to replace administrative evaluations, nor are transfers to be used for punitive or disciplinary purposes.

Those current administrators shall be given equal consideration with other applicants in the placement or interview and selection process.

C. At a minimum, the immediate administrative supervisor shall be consulted by District staff and involved in decisions of transfer that affect their administrative teams. As an example and not by way of limitation, principals shall be consulted with regard to the selection of their assistant principals.

D. Any administrator who will be transferred by the District shall be given five (5) days notification by the Superintendent or designee prior to Governing Board action of the specific administrative position for which the administrator is being proposed or recommended for transfer; and the administrator may request a meeting with the Superintendent or Deputy Superintendent on the proposed transfer. It is expected that the affected administrator will exercise discretion in communicating with staff and the community, acknowledging the Governing Board's responsibility to make decisions for the educational benefit of all students. Transfer appointments for the fall semester will be completed by June 30, except in cases of unforeseen circumstances.

ARTICLE EIGHTEEN - CONFLICT RESOLUTION PROCEDURE

To ensure that an orderly procedure is available to resolve inter-managerial conflicts, the following procedure will be used:

18-1 This Conflict Resolution Procedure will be used when an employee (administrator, psychologist or research project managers) is in disagreement with their Principal and/or immediate supervisor regarding the interpretation or implementation of a Governing Board Policy, Rule or Regulation, an Administrative Rule, Regulation or Procedure, or a section of the ELI Meet and Confer Agreement not otherwise provided for through Rules for Disciplinary Action Against an employee.

18-2 If a conflict occurs and has not been resolved through a conference between the employee and their Principal and/or immediate supervisor, the employee will complete the Employee Conflict Resolution Document (see Appendix F) and send it to the Principal and/or immediate supervisor. The supervisor will provide the employee with a written response within ten (10) work days, excluding weekends or holidays, after receipt of the Resolution Document.

18-3 If there is no conflict resolution satisfactory to the initiating employee, the initiating employee may appeal by sending copies of the Employee Conflict Resolution Document, the written response and a statement of the points of disagreement to the next level administrator responsible for the supervision of the Principal and/or immediate supervisor, with copies to the Office of Employee Relations and to ELI. The appeal must be made within ten (10) work days, excluding weekends and holidays, of receipt of the supervisor's written response.

18-4 The next level administrator will investigate the conflict. Such investigation will include a review of all documents and any other actions the administrator may feel necessary. Following such investigation, the administrator will meet within ten (10) working days of receipt of the complaint information, with the initiating employee and the Principal and/or immediate supervisor in a mediation effort to bring agreement between the parties. If no such agreement is possible, the next level administrator will adjourn the meeting, and within ten (10) working days will give a decision in writing, which will be final.

18-5 The intent of this Conflict Resolution Procedure is to resolve actual or potential conflict at a level as close to the original decision as possible. No penalty, disciplinary action or other adverse condition will accrue to any employee exercising their rights under this procedure.

18-6 The Employee Conflict Resolution Document and any other forms necessary for expeditious handling of this procedure will be prepared by the Office of Employee Relations with a representative of ELI, as appointed by the ELI President.

18-7 None of the documents or information used in the above procedure will be placed in the personnel file of any of the individuals involved.

For example, if an assistant principal is asked to act as the designated or acting principal for more than ten (10) days (other than for vacation days), that assistant principal shall be paid as a principal for the time they are substituting.

ARTICLE EIGHT – REDUCTION IN FORCE

Such notice shall be provided to ELI as early as possible. Staff will be consulted on a regional or divisional basis in

order to provide a fair opportunity for input. However, such information will not be provided in those cases where the failure to offer a contract to an individual is due to performance deficiencies or unprofessional conduct.

Formatted: Outline numbered + Level: 2 + Numbering Style: 1, 2, 3, … + Start at: 1 + Alignment: Left + Aligned at: 0.08" + Indent at: 0.58"

~~8-2~~8-3 If an administrator or psychologist has not had their contract renewed for programmatic or budgetary reasons, then for a period of three years they shall be offered a site level interview for any available, comparable position in the District where appropriate certification is met. An administrator or psychologist who has not had their contract renewed because of performance evaluation or unprofessional conduct will not be provided such opportunity.

~~8-3~~8-4 At the discretion of the Superintendent, administrators and psychologist who have had their contract non-renewed for programmatic or budgetary reasons may be recommended for assignment to vacant positions in accord with their credentials, experience, and qualifications. Without limiting the Superintendent's discretion, the Superintendent shall prioritize assignment of employees affected by this article.

~~8-4~~8-5 If recalled in accord with 8-3 above, all unused sick leave accrued up to the point the RIF took effect would be restored if it has not been paid out at the time of separation.

~~8-5~~8-6 After June 30, RIFed employees shall, upon request, be allowed to continue their health insurance coverage by paying the premium themselves. All RIFed employees shall be eligible for COBRA benefits as described on the District's website. However, the District will pay the full cost of the COBRA benefits through the month following termination of the employee's contract. For example, if the employee's contract terminates in June, the district will pay all COBRA premiums through July. Thereafter, RIFed employees are responsible for the COBRA premiums at the employee's expense.

~~8-6~~8-7 A RIFed administrator who accepts a teaching position in the District pursuant to Article Ten may elect to receive an immediate payout of their sick leave accrued through their current administrative contract with the District. Notice of that election must be submitted to Human Resources on or before November 30 of the school year immediately following the reduction in force notice of non-renewal as an administrator. The accrued sick leave shall be paid within 45 days of notice of the election being provided to Human Resources. The rate of the payout will be calculated pursuant to the provisions of Article 9. A RIFed administrator who does not elect the immediate payout option will maintain their accrued sick leave balance, which balance and additional accruals, if any, will be paid out at separation from the District according to the provisions of the bargaining group agreement pertaining to the employee group the employee is in at the time of separation (e.g. Consensus).

B. For those employees meeting the eligibility requirements in 9-1-A above, the District shall

provide a payment for unused sick leave upon separation as follows: The amount of payment shall be accrued up to a maximum of 67 days. Payment shall be included in the last payroll in that fiscal year or the first payroll of the following fiscal year, at the District's option. All legally required deductions shall be taken from the separation payment

including the employee's contribution to the State Retirement Fund, if any. The payout shall be 2/3rds of the base salary, the daily rate of pay for Step 1 of the grade level of the employee, at separation, times the number of sick leave days up to a maximum of 67 days.

The signature of the employee acknowledges receipt of the evaluation and does not necessarily indicate agreement with the content of the statements. The final evaluation report will be placed in the official personnel file in the Human Resources Department. If an employee disputes the content of said evaluation report, the employee will be responsible for writing a rebuttal to the evaluation and providing a copy to the evaluating supervisor and the Human

Resources Department for inclusion in the personnel file. The Administrator Evaluation Instrument shall be used for all other administrators, as appropriate.

Evaluation Procedure
Orientation
The evaluator of the principal(s) will conduct an orientation and provide materials outlining the evaluation process. It is suggested that this be done by the superintendent, or designee in a group setting at the beginning of the school year.

Beginning of the Year Conference
By the end of the first quarter, the principal and the evaluator will meet to discuss the evaluation process. Discussion must be about the principal's goals for the school; measurable targets; standards for performance; pertinent student academic progress data; the analyses of parent and staff survey data; and previous evaluation results. It may be helpful to refer to the School Fact Sheet when discussing school capacity, current achievement and teacher/student demographic information.

It is important to consider the context in which the evaluation occurs. This is an opportunity for the principal and the evaluator to discuss the full context of the school and any relevant information that would affect performance. The experience level of the principal should be taken into consideration. The performance of a novice principal is likely to be different from that of a more experienced principal. The school experience of the faculty, involvement of parents, etc. are other areas of consideration. Discussion of context should occur in the first conference.

The descriptions of the performance classification levels should be reviewed and discussed based on the goals being set during this conference. Throughout the year the principal will work on established goals and collect evidence of success for future discussion with the evaluator. Planned and/or announced observations and/or conferences may also occur during this time.

Mid-Year Conference
By the end of January, this meeting will occur to identify areas of strengths and opportunities for improvement based upon documentation provided by the principal. Plans, activities and/or strategies to help improve student academic performance and leadership performance should be the outcomes for this conference. Mid-year adjustments to the Goal Setting Worksheet may be made at this time along with any relevant information that might impact progress towards meeting goals. The principal should continue to work on the established goals and if appropriate, collect related evidence or artifacts for future documentation. Announced observations/ conferences may also occur during this time.

End of year Conference
This is the principal evaluation conference that completes the evaluation cycle. A review of data and other evidences of the principal's leadership are done at this time. Information is recorded and points determined resulting in a performance level designation. The identification of future

actions for school or principal improvement/growth will also be determined. The Principal Performance Based Evaluation Summary Form is forwarded to the Assistant Superintendent.

Retired ASRS Administrators
Rehired ASRS retirees will be evaluated each year according to state statute. However, none of the provisions set forth below (Performance Improvement Conversations, Plan for Improvement, Non-Renewal or Dismissal, Conflict Resolution Procedure) apply to rehired ASRS retirees.

Performance Improvement Conversations
When performance deficiencies in one or more PSEL~~ISLLC~~ Standards as outlined in the administrator's current evaluation instrument are noted by the supervising administrator, that supervisor shall discuss such deficiencies and coach the administrator with suggestions for improvement. Such conversations shall be followed up with an e-mail documenting the deficiency (ies) and the suggestions for improvement. The supervisor shall also outline supports available to the administrator. If adequate progress has not been made after a reasonable time, the supervisor may place the administrator on a written Plan for Improvement.

Plan for Improvement
If adequate progress has not been made after a reasonable time following being informed of the nature of the deficiencies, the supervisor may place the administrator on a written Plan for Improvement (Plan) regardless of whether the evaluation has been completed. The Plan shall be based on evidence of performance deficiency (ies) in one or more PSEL~~ISLLC~~ standards as outlined in the administrator's current evaluation instrument. The Plan shall be in writing and designed to instruct and guide the administrator so that the deficiency (ies) can be rectified. The Plan for Improvement will provide clear direction for the administrator and also provide evidence of support in order to assist the administrator. The supervisor shall meet with the administrator regularly, preferably once a month, at the administrator's site, to review progress on the Plan. If adequate progress has been made on the Plan, the administrator will be removed from the Plan. If, after a minimum of forty-five (45) instructional days, the administrator has not made adequate progress on the Plan, the supervisor has the option of extending the Plan, or recommending non-renewal of the employment contract.

Non-Renewal or Dismissal for Performance Deficiencies
Non-renewal or dismissal of an administrator shall be in accordance with state and federal statute. Additionally, non-renewal or dismissal of an administrator for performance deficiencies pursuant to the performance evaluation procedure set forth in this regulation will also include the opportunity for the Administrator to receive the performance improvement conversations set forth

above and a formal Plan for Improvement before an administrator's contract can be non-renewed pursuant to A.R.S. § 15-503 for performance deficiencies except in the following cases:

A. Any certificated administrator who has failed to pass the qualified evaluator training that authorizes the administrator to conduct certificated teacher evaluations, within two testing attempts.

Upon expiration of the leave, the employee is guaranteed return to a comparable (same grade, same step) position if one is available, and if employee is recommended for the position by the Superintendent as a result of a selection process. (If no comparable position is available, or if the employee is not selected, the employee will be assigned to the next appropriate vacancy that is in a classification below that of the position held at the time of leave, and for which employee meets the minimum requirements. Said employees will be placed on the step closest to their previous annual salary which does not result in an increase.)

B. Employees on a leave of absence are subject to the provisions of Article 8, Reduction in Force.

C. Employees on leave of absence may request in writing that their leave be rescinded prior to the scheduled expiration of the leave.

B. Personal 30-Day Leave

15-5 Short Term Leave and Family Medical Leave shall run concurrently.

15-6 Variable Office Hours

A. Variable office hours may be applied when normal work responsibilities require an administrator's presence at activities beyond the normal work day. Administrators will be given reasonable flexibility in office hours so long as 1) proper notification is given to the administrator's supervisors; 2) time away from the site/office is reasonably limited; and 3) the administrator works the required number of hours and performs their duties in a satisfactory manner.

B. District level events shall not be mandated for weekends or weekday/evenings after 6pm, except under Emergency Circumstances or as outlined below:

1. Notwithstanding the forgoing, if ELI and the District agree that a weekend or evening event is unavoidable, such weekend or evening event may be scheduled with at least 30 days' notice; however, such events shall not be deemed mandatory (except in Emergency Circumstances or as described in the following sentence).

2. With respect to weekend or evening Job Fairs, the District may deem attendance mandatory, but only for Administrators at sites with a certified staffing rate under 90%, contracted for the following school year (does not include long-term subs), and such Job Fairs shall be scheduled at least 30 days in advance.

3. Employees who work on a weekend or evening may apply such time toward variable office hours as described in this section.

District level events shall include, but are not limited to: trainings, seminars, planning sessions, compliance courses, job fairs, orientations, student recruitment/enrollment events etc.

Emergency circumstances shall include, but are not limited to: natural disasters, declared states of emergency (Federal or State), human-caused disasters, disease outbreaks, or other events that pose an immediate threat to life or health.

15-7 Military Leave
Employees will receive pay for all days during which they are employed in training duty under orders with any branch of the armed forces for a period not to exceed thirty days in any two consecutive years. For purposes of this article only the term "year" means the fiscal year of the U.S. government. (A.R.S. 38-610).

15-8 Absence Due to On-the-Job Injury

A. In the event of absence due to on-the-job injury, the District's worker's compensation carrier begins making payments to the employee after the eighth day of absence. Prior to that, the employee may use accumulated sick leave available. After the eighth day of absence due to on the job injury, the Employee may utilize any remaining sick leave available to supplement funds received from the workers' compensation carrier but may not supplement with sick leave available to exceed 100% of income.

B. Employees injured on the job may be assigned to work "restricted duty" as recommended by the industrial injury treating physician.

In such a placement, regardless of any provisions elsewhere in this Agreement, the employee will be paid the appropriate rate for the new position. Placement in another position as described in this article will not be considered if the employee is pending lay-off, suspension or termination, is on a plan for improvement or recommendations to improve, or any type of disciplinary probation.

ARTICLE SIXTEEN - ADDITIONAL FTE ENTITLEMENT

16-1 Additional FTE Entitlement

In an elementary school with an enrollment entitling it to an "additional FTE" (currently over 600 students, including all pre-school children utilizing the school's facilities), the site administrator in consultation with the supervising administrator shall have the discretion to fill that position with any category of employee determined as most needed.

ARTICLE SEVENTEEN - ADMINISTRATIVE TRANSFERS

17-1 Purpose

The purpose of the following provisions on administrative transfers is to ensure consistent, fair and equitable transfer opportunities and assignments for all administrators. Transfers are not intended to replace administrative evaluations, nor are transfers to be used for punitive or disciplinary purposes.

17-2 Notice and Consultation

A. Written notice of all administrative vacancies occurring prior to the end of the school year and not advertised through TUSD's Human Resources Department will be provided by the District to each administrator and ELI.

B. All current administrators who volunteer to transfer may provide a letter of intent to the Executive Director of Human Resources and the Regional Assistant Superintendent identifying the specific position in which they may be interested. Those current administrators shall be given equal consideration with other applicants in the placement or interview and selection process.

C. At a minimum, the immediate administrative supervisor shall be consulted by District staff and involved in decisions of transfer that affect their administrative teams. As an example and not by way of limitation, principals shall be consulted with regard to the selection of their assistant principals.

D. Any administrator who will be transferred by the District shall be given five (5) days notification by the Superintendent or designee prior to Governing Board action of the specific administrative position for which the administrator is being proposed or recommended for transfer; and the administrator may request a meeting with the Superintendent or Deputy Superintendent on the proposed transfer. It is expected that the affected administrator will exercise discretion in communicating with staff and the community, acknowledging the Governing Board's responsibility to make decisions for the educational benefit of all students. Transfer appointments for the fall semester will be completed by June 30, except in cases of unforeseen circumstances.

ARTICLE EIGHTEEN - CONFLICT RESOLUTION PROCEDURE

To ensure that an orderly procedure is available to resolve inter-managerial conflicts, the following procedure will be used:

18-1 This Conflict Resolution Procedure will be used when an employee (administrator, psychologist or research project managers) is in disagreement with their Principal and/or immediate supervisor regarding the interpretation or implementation of a Governing Board Policy, Rule or Regulation, an Administrative Rule, Regulation or Procedure, or a section of the ELI Meet and Confer Agreement not otherwise provided for through Rules for Disciplinary Action Against an employee.

18-2 If a conflict occurs and has not been resolved through a conference between the employee and their Principal and/or immediate supervisor, the employee will complete the Employee Conflict Resolution Document (see Appendix F) and send it to the Principal and/or immediate supervisor. The supervisor will provide the employee with a written response within ten (10) work days, excluding weekends or holidays, after receipt of the Resolution Document.

18-3 If there is no conflict resolution satisfactory to the initiating employee, the initiating employee may appeal by sending copies of the Employee Conflict Resolution Document, the written response and a statement of the points of disagreement to the next level administrator responsible for the supervision of the Principal and/or immediate supervisor, with copies to the Office of Employee Relations and to ELI. The appeal must be made within ten (10) work days, excluding weekends and holidays, of receipt of the supervisor's written response.

18-4 The next level administrator will investigate the conflict. Such investigation will include a review of all documents and any other actions the administrator may feel necessary. Following such investigation, the administrator will meet within ten (10) working days of receipt of the complaint information, with the initiating employee and the Principal and/or immediate supervisor in a mediation effort to bring agreement between the parties. If no such agreement is possible, the next level administrator will adjourn the meeting, and within ten (10) working days will give a decision in writing, which will be final.

18-5 The intent of this Conflict Resolution Procedure is to resolve actual or potential conflict at a level as close to the original decision as possible. No penalty, disciplinary action or other adverse condition will accrue to any employee exercising their rights under this procedure.

18-6 The Employee Conflict Resolution Document and any other forms necessary for expeditious handling of this procedure will be prepared by the Office of Employee Relations with a representative of ELI, as appointed by the ELI President.

18-7 None of the documents or information used in the above procedure will be placed in the personnel file of any of the individuals involved.

An Impact Analysis of DAEP, Abeyance Contracts, Short- and Long-Term Suspensions

Tucson Unified School District

Governing Board Meeting

June 16, 2026

Definitions

District Alternative Education Program (DAEP): A voluntary educational option offered in a supportive and structured small group environment designed for long-term suspended students.

Abeyance Contracts: Students can return to school with long-term suspension days held in an abeyance so that they do not have to serve those days. Parents, administrators and the student must sign a contract with specific consequences that the student must follow.

Short- and Long-Term Suspension: Students do not attend school. Short-term suspension is 1–10 days and long-term suspension is 11-180 days.

Research Questions

Do students who attend DAEP experience better outcomes than they would have with a suspension without services?

Do students who attend DAEP experience better outcomes than students who have abeyance contracts?

Analysis Limitations

The quantitative analysis approach can not fully account for the complexity and particularities of discipline data.

Discipline consequences are dependent on the context of the individual event.

Qualitative or social/emotional benefits of suspension alternatives were not captured in this analysis.

Research Method: Regression Analysis

Compared student outcomes between DAEP, abeyance contracts, short-term suspension, and long-term suspension

Outcomes analyzed

Recidivism rates - number of offenses and time-to-reoffend	Attendance rates - same year and subsequent year	Graduation rates

Controlled for student ethnicity, ExEd status, and violation level

3 Year Longitudinal Trend of Student Outcomes: Broken Out by Suspension Options

= better = worse	Recidivism Rates Number of Offenses	Recidivism Rates Time to Reoffend	Attendance Rates Same Year	Attendance Rates Subsequent Year	Graduation Rates *Use caution because of limited data*
Attend DAEP					
Abeyance Contract					
Short-Term Suspension without services					
Long-Term Suspension without services					

Findings

Do students who attend DAEP experience better outcomes than students who have abeyance contracts?

- Abeyance contracts result in longer time-to-reoffend, better same-year and subsequent-year attendance, and potentially better graduation outcomes when compared to DAEP.
- These findings suggest that abeyance contracts improve student outcomes by keeping students closely connected with their school community while complying with structured consequences.

Do students who attend DAEP experience better outcomes than they would have with a suspension without services?

- This analysis did not find evidence that DAEP leads to superior outcomes for students when compared with long-term suspension without services.

Conclusion

- This quantitative analysis found of the four disciplinary dispositions analyzed by this research, the superior outcomes in order are:
  1. **Short-term suspension**
  2. **Abeyance contracts**
  3. **Long-term suspension**
  4. **DAEP**
- Short-term suspensions are different from long-term suspension in the severity of the infraction.
- Many relevant factors could not be addressed by this analysis and there may be additional unseen social-emotional skills-building that would require additional research.
- Each suspension is context dependent and benefits from a tailored approach that meets the student need.

TUCSON UNIFIED SCHOOL D

TUCSON UNIFIED SCHOOL DISTRICT	**POLICY TITLE:** AI Use in Education
GOVERNING BOARD POLICY	**POLICY CODE:** IJND

Purpose

This policy establishes clear regulations for the use of Artificial Intelligence (AI) technologies within Tucson Unified School District (TUSD). It outlines the scope, usage guidelines, and safeguards to ensure responsible AI integration in all areas of education, administration, and operations, while protecting privacy, ensuring ethical use, and supporting equitable learning environments.

Definitions

1. **Artificial Intelligence (AI):** A branch of computer science focused on creating systems capable of performing tasks typically requiring human intelligence, including decision-making, pattern recognition, and language understanding.
2. **Reactive AI:** Performs simple, rule-based tasks with no memory or learning (e.g., automated reminders).
3. **Predictive AI:** Uses historical data to make forecasts or recommendations (e.g., identifying students at risk based on attendance patterns).
4. **Generative AI:** Creates new content—such as text, images, or code—based on patterns in data (e.g., automated essay feedback or curriculum planning suggestions).
5. **Compliant AI Systems:** AI tools that meet federal, state, and district regulations regarding privacy, ethics, accessibility, and data protection.

Scope

This policy applies to all TUSD students, teachers, staff, administrators, and third parties who develop, interact with, or implement AI technologies within the district's educational, operational, and administrative systems. The policy covers all generative AI applications, including generative platforms, tutoring systems, automation software, data analytics tools, and conversational agents.

General Guidelines for AI Use

1. **Educational Purpose:** AI technologies must support TUSD's mission by enhancing learning, improving teaching practices, and supporting operational efficiency.
2. **Human Oversight:** AI shall not replace human educators, administrators, or staff. AI must augment human judgment, with all decisions involving AI subject to human review and approval.
3. **Ethical Use:** All AI systems must align with the district's values of fairness, equity, and inclusivity. AI systems must be regularly evaluated for potential biases or discriminatory outcomes.

4. **Regulatory Compliance:** AI systems must comply with all applicable laws, including FERPA, COPPA, IDEA, CIPA, and Section 504.
5. **Data Privacy and Security:** The district shall not use AI systems that use personally identifiable information (PII) or other sensitive data outside of the District. All AI platforms must undergo a privacy and security assessment before adoption.
6. **AI Tool Vetting and Approval:** All AI tools must be thoroughly reviewed by the district to ensure compliance with the district's standards for data security and privacy, alignment with instructional goals, TUSD curriculum and Arizona Department of Education standards, and appropriateness for intended grade level or levels before being approved for classroom use.

Regulations for Student Use

1. **Restricted AI Access:** Students may not use generative open or public AI platforms on district devices. These platforms will be blocked on all TUSD-provided devices.
2. **Approved AI Tools:** Students over 13 years old attending high school may only use district-vetted and approved AI tools that comply with privacy regulations, have been deemed appropriate for their grade level and subject area, allow for district and teacher monitoring, and have an educational purpose designed to support classroom learning and standards.
3. **Academic Integrity and Acceptable Use:** Students must adhere to specific guidelines or instruction provided by their school, school administration, teacher or teachers regarding the use of generative AI tools. The TUSD AI Guidelines provide further guidance on the acceptable use of AI. If no guidance regarding the use of generative AI is provided, students should not use AI tools. Students are prohibited from using AI tools in a manner that violates the district's Student Code of Conduct, including using AI to plagiarize, cheat, or fabricate work. Violations will be addressed in accordance with the Student Code of Conduct.
4. **Digital Citizenship:** The district will provide guidance to students on responsible AI use, as part of the digital citizenship curriculum. Digital citizenship education shall include AI literacy and data privacy awareness. AI literacy is defined as the knowledge and skills that enable humans to critically understand, evaluate, and use AI systems and tools to safely and ethically participate.
5. **Parents and Guardians:** Rights and responsibilities for parents and guardians are addressed in the Student Code of Conduct, the TUSD AI Guidelines, and in the Use of Technology Resources in Instruction.

Regulations for Instructional and Administrative Staff

1. **Classroom Use:** Teachers may use AI to enhance instruction but must review and approve all AI-generated materials before classroom use. AI must not replace teachers in curriculum delivery or student evaluation. Teachers may only use district approved AI tools with students.
2. **Privacy Compliance:** Staff must ensure no PII, student records, or sensitive information is shared with generative AI systems. All data use must comply with FERPA and district privacy policies.

3. **Professional Development:** TUSD will provide professional development and training on AI usage, literacy, and ethics. Staff are highly encouraged to complete training on AI tools before integrating them into their instructional or administrative work.
4. **Classroom Guidelines:** Teachers are responsible for clearly outlining AI usage guidelines appropriate to the grade level in their classroom policies and ensuring only district approved AI tools are used. Teachers are responsible for supervising student use of AI in line with district-approved policy and guidelines.

AI Use for District Administrative Purposes

1. **Efficiency and Support:** AI may be used to streamline administrative tasks, such as data analysis, resource allocation, and communication, provided it does not replace human oversight or decision-making.
2. **Bias Monitoring:** Staff who use AI for district administrative purposes are responsible for ensuring AI outputs are fair, objective, and aligned with district policies.
3. **Data Security and Compliance:** All AI tools used for administration use must meet stringent data privacy requirements and comply with district and state regulations. No PII, sensitive or confidential information shall be processed by AI systems. Administrative AI tools must protect sensitive data and meet district, state, and federal data security standards.
4. **Policy Compliance:** TUSD employees must ensure compliance with the policies and TUSD AI Guidelines regarding the use of AI. Employees who misuse AI tools may be subject to discipline.

Evaluation and Monitoring

1. **Approval and Purchasing of AI Tools:** The TUSD Software Approval Process or Technology Purchase Process applies to the evaluation and selection of AI tools.
2. **Ongoing Monitoring:** The district will continuously monitor the use of AI systems to ensure compliance with this policy. New AI tools and updates to existing systems will be vetted before deployment in TUSD.
3. **Auditing:** Regular audits will be conducted to assess AI tool performance, effectiveness, and potential biases. The district reserves the right to discontinue use of AI systems that do not meet TUSD's standards of equity, privacy, and safety.

Superintendent Authority

The superintendent is authorized to establish implementing regulations and forms consistent with this Policy.

Annual Review

This policy shall be reviewed by the Governing Board on an annual basis.

Regulations for Student Use

1. **Restricted AI Access:** Students may not use generative open or public AI platforms on district devices. These platforms will be blocked on all TUSD-provided devices.
2. **Approved AI Tools:** Students ~~over 13 years old attending high school~~in 6th-12th grades may ~~only~~ use district-vetted and approved AI tools, so long as those tools ~~that~~ comply with privacy regulations, have been deemed appropriate for their grade level and subject area, allow for district and teacher monitoring, and have an educational purpose designed to support classroom learning and standards.
3. **Embedded AI Tools:** While TUSD uses web filters to block the unauthorized use of AI by students, some platforms and programs, including search engines and productivity suites, contain built-in AI features that are integrated into the program's function and cannot be disabled or are an integral part of the functionality of the program. The presence or use of these integrated features should supplement, not replace, original student thought and educator-led instruction. Their use does not constitute a violation of the District's AI policy. Students remain responsible for the ethical application of these tools and are expected to adhere to the Student Code of Conduct's guidelines when utilizing any AI-generated assistance.
4. ~~3~~. **Academic Integrity and Acceptable Use:** Students must adhere to specific guidelines or instruction provided by their school, school administration, teacher or teachers regarding the use of generative AI tools. The TUSD AI Guidelines provide further guidance on the acceptable use of AI. If no guidance regarding the use of generative AI is provided, students should not use AI tools. Students are prohibited from using AI tools in a manner that violates the district's Student Code of Conduct, including using AI to plagiarize, cheat, or fabricate work. Violations will be addressed in accordance with the Student Code of Conduct.
5. ~~4~~. **Digital Citizenship:** The district will provide guidance to students on responsible AI use, as part of the digital citizenship curriculum. Digital citizenship education shall include AI literacy and data privacy awareness.
